## 50 YEARS MARRIED

### ALTONA

Mr. and Mrs. Stanley Thompson and children spent Sunday with her parents Mr. and Mrs. Wm. McNair. Special service was held in the church on Sunday evening, the young people assisting.

A number were out to the Meononite Church, at Stouffville, on Tuesday evening, to see the lantern slides on Russia.

The Twinkling Star Class met at the home of Mrs. E. Hoover, on Thursday evening last, for a very interesting program.

Everybody is longing for the return of the warm spring sunshine, so noticeably absent the past week or two during which the weather has been more like the dark days of fall. There is still a lot of snow on the ridges and ice on the ponds to melt away.

On Good Friday Mr. and Mrs. J. W. Madill celebrated their 50th wedding anniversary with most of their family of five sons and two daughters with them. The event was observed at the home of Mrs. Fossy (Della) 254 Gledhill Avenue, Toronto. Mrs. Madill was born in Uxbridge Township 73 years ago, her maiden name being Miss Margaret Burnham.—Mr. Madill is a native of Pickering being 75 years old. Their lives have been spent in their native township and Scott Township. The five sons are O. M. Madill, Merchant, Altona; Henry, Ernie and Earl, also George in Calgary. Two daughters are Mrs. Fossy, previously mentioned and Mrs. O. W. Zellars (Della) of Mongolia.

### BATH SALTS OMITTED

The town of Newmarket, thought the operation of its Lion Club, has gathered \$1500 towards the construction of a public swimming pool in the canal town. The objective is \$5,000, which will include the construction of a tank 40x120, dressing rooms, shower baths, foot baths, lavatories, and chlorination, as recommended by the Ontario Dept. of Health. One thing the Department and the Town of Newmarket omitted is some provision for the use of bath salts and perhaps an attendant or two. The new tank for Newmarket is a long way from the set up of the 'old swimmin' hole, and if it is as much enjoyed, what a fine thing it will be.
