FEW HORSES LOST LOCALLY FEEDING ON MOULDY HAY

Reports are being frequently received telling of the sickness and loss of horses says the Ontario Dept. of Agriculture. This is not news as every spring season will bring its reports of loss. Loss of horses due to forage poisoning has been greater than usual this year, but not in the local district, according to Dr. Bodendistel, local veterinarian, who has encountered few cases this season thus far.

Mouldy hay when fed to horses is dangerous. This fact has long been known to many horsemen—men who have seen loss come from the use of mouldy hay as horse feed. This broadcast is being made hoping that those horse owners who may be a bit careless about the quality of the hay being fed their horses, will take heed and see to it that no mouldy hay or other mouldy fodder is used as horse feed.

The haying season of 1935 was not a favorable one for the saving of hay in a clean dry condition. Tons of damp poorly cured hay was put away in the barns last July—hence the trouble and prospect of trouble at this time. The condition of much of the newly stored hay was such that the continued growth of mould was promoted.

With the advance of the season and the lowering of the level of the hay storage, the evidence of mould on the hay becomes greater. Hay that has been stored above a stable where cattle have been kept all winter may mould and become dangerous to horses. The warm damp stable air penetrating the condition stored hay furnishes the condition necessary for luxuriant mould growth.

Goodwood

Miss Eva Latham was home for Easter.

The County Road through Uxbridge Township is very poor for motoring. Nothing but a hard top will suffice today.

We hear a couple of our young people attended the Roxy last Sunday night, but how much better their time could have been spent.

Lorhe M. Morgason, son of Mr. and Mrs. Leslie Morgason Uxbridge Township, has returned from the hospital in Toronto and is making satisfactory recovery.

Miss Ella Fraser has been forced to take a short vacation at her home in Brussels following a recent operation. She is being relieved by Miss Gladys Evans, of Claremont.

It is reported that the American side is to get the post office. There are strong protests, but the Liberals are disorganized since the U.F.O. days, so there is no local appeal court. Changing the post office years ago was a highly controversial subject. Arrangements are being made for the government institution at Chas. Watson's store.

Toronto Highlights

Mr. Arthur Lee, wife and children visited their parents in Toronto, motoring from Rochester, where Mr. Lee who is an Uxbridge old boy is employed with the Eastman Kodak Co.

Mrs. James Davey also her son Thomas, wife and children, motored from Ottawa to spend Easter with the Davey family in Toronto.

Congratulations to Miss Wagg who is now on the staff of Stouffville Post Office, prior to becoming post-mistress in Goodwood, we understand.

Mrs. Charles Lee is visiting her daughter Mrs. Kane, also Mr. and Mrs. Jas. Davis

George Morgason, Toronto, visited his sister and brothers at Goodwood. Uncle George as he is known, is another old Goodwood boy who loves to go back to the old home village. And while we write of going back home now that the warmer weather will be coming along, how about putting a few gallons of gas in the old bus, and taking a spin to the home village. Tune up the old specs, and no doubt we will see some of the old friends. Yes, I said, friends whose on your mind? Well no doubt we will see Tom Baston, Tom Dowsell, Will Whitton, Will Todd, Isaac Wagg, Calvin Stafford, Oh so many, you'll know. Say how about this man McDonald. Sure, he will be there. Everyone knows him. He's the fellow that goes round and round, and if you owe him any money, like the correspondent does, well, he sure will give you the glad hand.

By the way we met one of Goodwood's Old Boys on the street last week. The older folk in Goodwood will remember Newton Ellis son of the Late Ward and Mrs. Ellis. Newton met with an accident some years ago injuring his legs and feet. Unable to follow his former work he is now taking life easy. Drawing a pension for the balance of his life.

Mrs. George Lee is somewhat better and is sitting up each day for a few hours.

Due to the nasty treatment handed the protestants by the Gov't, for the past six months the Orange Lodges have increased in membership. One night last week the Correspondent was asked by one of the Masters of a North Toronto Lodge whether he would become a member. The answer given was that if I decided to join we would go back to the old village and put an application to the old reliable lodge No. 572. No doubt new members would be made welcome. Here's hoping 572 will be well represented at Goodwood's Decoration Day Service and their 12th parade.

Mr. Todd should be congratulated on his stand for a paved road proposition. After all the work on the tenth, widening of the roads east and west of Goodwood, it should not be left to stand unfinished. One thing the Toronto folk cannot understand is why a Gray Coach Line Bus should have to go such round-about road when a direct road through Goodwood can be used. Goodwood has always been the township seat. A Township Hall without a good road is like driving a car with a flat tire. Boost up your own town the other fellow will look after his own district.

Stouffville Cemetery Board seem to be getting into action for spring work. We wish them every success.

The Goodwood Cemetery Board members and their wives will be invited to meet the Toronto representative and city friends soon to talk over the work for 1936.

Well folks time is up for the news of the week, but before ending may I say the Correspondent visited Mr. McCullough on Easter morning. I found him very much improved.

In Memoriam

Lewis—In loving memory of our dear father, George Lewis, who passed away April 19th, 1935. God knew that he was suffering that the hills were hard to climb So He closed his weary eyelids And whispered "Peace be thine."

Sadly missed by son John and daughter-in-law Madeline.

BETHESDA

Mr. Luther Allin spent a few days last week at the home of his sister Mrs. Wm. Graham, Aurora.

Miss Alma Hancock spent Easter Sunday at home.

Mr. and Mrs. Abram Pike and family spent Good Friday with Mr. and Mrs. Isaac Pike.

Miss Mary Wright of Toronto spent the weekend with her cousin, Miss Kathleen Steckley.

The Junior Women's Institute will meet on Tuesday next at the home of Miss Jeanne McEwen.

A few from this district attended the concert given by Stouffville United Church Choir on Friday night

Mr. and Mrs. A. B. Shaffer enjoyed the holiday, at the home of Mr. Robert Meed.

Mr. and Mrs. Washington Paisley, of Stouffville were Good Friday visitors with Mr. and Mrs. W. Paisley.

Easter Sunday was not a model day for stepping out with your spring finery, but several in this locality were brave in spite of the weather sported new outfits.

Visitors at Mr. and Mrs. Clarence Atkinson's on Friday were Mr. and Mrs. Frank Atkinson, and Mrs. Jenkins of Richmond Hill, also Mrs. F. Chaffey, of Toronto.

"Like an army defeated
The snow hath retreated,
And now doth fare ill
On the top of the hill;
Small clouds are sailing
Blue sky prevailing
The winter is over and gone."

SPRING SONG

Oh, hear the music over land and sea,
The tinkling of lilies, the bells of the spring;

The sweet, joyous notes of songsters in trees
Flooding the lawn, and far echoing
What melodies!

Fairies tread where winter lies bare and dead,
And rises from the cold earth a fair daffodil;

While the music swells in the perfumed air,
And brings peace to the world that all is well,
And odours rare!

All the world around lies dreaming
"Neath the waving maples in the sun,
You listen to a song of silver bells,
And see the fairies dancing when day is done,
In woodland dells.
