

The Price of Cream

is the paramount thing that interests the Cream Shipper, but closely related to the price you can get for your Cream is the kind of service your Creamery renders to you as the shipper. Does he give careful tests, honest weight, and does HE TAKE YOUR CREAM ALL THE YEAR ROUND—good weather and bad or does he drop out of the picture when the roads are almost impassable, and just when it is most inconvenient for you to make your own delivery. As so many creameries are "fair weather buyers," it accounts for the over-abundance of cream trucks on the roads at this season of the year.

THE STOUFFVILLE CREAMERY is justly proud of its record in serving its patrons, because they have never neglected them and maintain a constant service twelve months of the year. In addition patrons should remember they have the privilege of delivering their own cream, and being allowed for the delivery. This is something that not all creameries can offer you.

Back in 1918 Stouffville Creamery Co. commenced a service to the farmers which has been steadily improved yearly until today it cannot be excelled by any other concern. We take satisfaction in our effort from the fact that our business has gone ahead year by year with the result that in 1935 our output of butter was the largest in our 18 years of existence. All this is a sure indication that the service we render is entirely satisfactory in every respect. There is a reason why over 90% of all the Cream in this district is sold to The Stouffville Creamery SERVICE is the answer.

Come and see us if you are not a shipper. We will be glad to discuss your particular problem, supply you with the necessary cans, pick up your cream or allow you to make your own delivery and pay you for it. In addition we pay the highest market price at all times.

JUST A WORD TO MILK SHIPPER

It is not a good thing to be shipping your surplus milk to the dairies at churning price. The price you obtain is very low and the effect on milk prices is depressing. It will pay you to send your surplus milk to our Creamery in the form of Cream. You will get more money out of it this way while at the same time you help to keep big surpluses off the dairies.

The Cow Jumped over the Moon!

How we loved that little story in our childhood days and how little we dreamed that it would come true in our day and generation. Well here's how it happened. The world's greatest depression set in and farmers were going into the red.

being sold out daily by the bailiff. This section of Ontario escaped the trouble to a marked degree simply because the old dairy cow fairly jumped over the moon—She was the one line of defence against the bailiff—The cream cheque fairly kept the wolf from the door. That's enough to prove to most farmers they should keep more cows and ship their cream to us for highest prices and best daily service.

Try Stouffville Creamery Butter

is pasteurized, and safe for the sick room as well as best for the working man. Your grocer can supply you or procure direct from the creamery or from our drivers.

Next to selling Cream Hog Raising has given the farmers best returns in 1936. By shipping your Cream you have the necessary skim milk for hog raising.

The Stouffville Creamery

Open Tuesday, Thursday and Saturday Evenings.

GLASGOW

Seeding is well advanced. Mr. George Brown has been engaged at Carman Morris. We are sorry to hear of Miss Joyce Cleare's illness. Mr. and Mrs. J. O. Spang of Alha called on his sister Mrs. Edwin Forsythe, on Sunday. Miss Marion Davis spent Sunday with her parents Mr. and Mrs. R. Davis. Mr. and Mrs. Kenneth Smith and family of Toronto were Sunday visitors at Walter Davis.

BETHESDA

Mr. and Mrs. Lou Brillinger were Sunday guests with Mr. and Mrs. Wm. Morley. Percy Tann visited with his parents in Stouffville on Sunday. Mr. and Mrs. Ernest Steckley and Reesor also Mr. and Mrs. A. B. Shaffer spent Saturday in Toronto. The church was filled to capacity last Wednesday night, when a group of girls from Aurora presented some tableaux, which was thoroughly enjoyed by all those present.

We witnessed a light frost last Friday night. Little damage to the crops resulted, but many a flower garden was spoiled. The following morning felt almost cold enough for us to pull our woollens on again.

The Junior Women's Institute will hold their reorganization meeting on Thursday of this week, at the home of Mrs. C. Hicks. All members are asked to be present at this important meeting when the officers for the next year will be elected. Please remember the hour 2 o'clock.

On Tuesday night there was a large attendance at the Young People's Society when Melville Westminster Guild, provided the programme centred around "Music." The topic, readings, and musical numbers were very appropriate. After the meeting all enjoyed a telegram contest which was followed by lunch.

Say, how about our ball team getting organized again? Some of these fine nights (when it isn't too cold) we will have to have a gathering, and get things started. We played our first game on the 24th last year, and that date is almost here and we have not even had a practice yet. Of course we don't need much practice but it would not hurt to have a few games among ourselves. How about it folks?

IT'S SPRING

It's Spring — the energetic time of the year when the grown-ups and the kiddies need energizing, pure foods instead of nostrums. Let our bread disappear from your table three times a day. It's a health habit. Speaking of our delicious pastry—it's delightfully digestible.

BLOOMINGTON

Rev. J.A.C. Kell, wife and family of Fairbank, visited at E.A. Storry's on Friday. Mr. and Mrs. Robt. Leask and children of Greenbank were at her home Wm. Pockler's on Sunday. Mrs. Hassard and son, of Toronto, visited her aunt Miss H. Fairies recently. Mr. and Mrs. Malcolm Ramer and family attended the wedding of Harry Stover, and Elvera Warder, in Toronto, on Saturday. Mr. and Mrs. Wm. Yake and family were at Mrs. Law's on Sunday. The many friends of Mr. Marvin Lemon will be pleased to know he is able to be out again after his recent operation.

CLAREMONT

Rev. P. L. Jull, of Brooklyn United Church, exchanged pulpits with Rev. J. E. Glover, on Sunday morning last. Mr. and Mrs. Lyman Pilkey, have moved to their new bungalow and Mr. and Mrs. George Richardson have moved into the Lyman Pilkey residence. Claremont is preparing for its Annual Field Day, on Tuesday, June 23rd. Mr. Jos. Farr, of Weston who recently purchased the Grain Elevator at North Claremont, is planning to extend the business. Mr. John Norton has moved his chopping mill to North Claremont and will work with Mr. Farr. Mr. Charles Cooper has moved into his residence just south of the hardware store. Mr. Cooper had this residence re-modelled throughout and equipped with the most up-to-date facilities.

The Travelogue "Hitch-Hiking Round the World" by the Toll Brothers of Whitby, was enjoyed by an audience that taxed the seating capacity of the United Church, on Friday evening last. A large number attended the "Crazy Water Crystal" Program and Dance in the Community Hall, on Friday evening last.

A number from here attended the Rural Church Problem Conference at Blackstock on Tuesday.

Goodwood

Miss McClellan, visited at John Ashenburt's on Sunday. Mr. and Mrs. W. Smalley spent Sunday at Mr. Bert Tindalls. Norman Wagg was in Toronto, on Sunday. Harvey Maye was home for the weekend. Congratulations to Mr. and Mrs. Bert Maye, on the birth of a son. Mr. and Mrs. R. Darling and family, at Dr. Darling's on Sunday. Next Sunday is Empire Sunday, and special services are being prepared.

Mr. D. Horlick, Chicago, Ill., spent a few days with Mr. F. Woodland this week. Mr. and Mrs. J. J. Foskitt, and family attended the funeral of a cousin, at King City.

Mr. Jordon was home over the weekend from near Kingston where he is section foreman. Miss Blanche Todd has gone to Guelph to commence her nursing course. Best wishes Blanche.

Mr. and Mrs. Harvey Harris and son William, of Inskillen visited Mr. and Mrs. J. F. Reid on Sunday. Mr. and Mrs. A. C. Burkholder, Stouffville, visited Mrs. Burkholder's mother, Mrs. James, at William W. Whittleton's on Sunday.

Miss Dora Todd has taken a position in Toronto for a month. Mr. Justice Todd has secured a position at Mitchell's farm, Musselman's Lake.

Mr. and Mrs. Howard Harper accompanied by Mr. and Mrs. W. Rynard, of Zephyr, motored to Niagara on Sunday, to view the fruit belt in its glory.

Ralph Barry, has returned to Northern Manitoba, to resume his duties at the Gold Mines, after spending a few weeks with his parents Mrs. and Rev. Geo. Barry.

One of our villagers called on Miss Legate, who is now with her brother on Virtue Ave. in Toronto, owing to Mrs. Legate's serious accident, which necessitated the amputation of a limb. Miss Legate is very well and the patient is doing as well as can be expected.

The Shell Gasoline supply truck while travelling east of Goodwood, Tuesday afternoon about one mile west met with an accident when a tire blew out causing the truck to swerve to the left side of the road into the ditch, damaging the cab and fenders on the left side. After taking the fenders off the truck was brought to Goodwood on its own power, and delivered the required amount of gas, then started for home. The driver was unhurt and able to operate the truck.

LIME IS NOT A FERTILIZER

Strictly speaking, lime in any of its forms, is not a fertilizer, but rather belongs to the class of soil amendments. It does not contain any of the three essential plant foods: nitrogen, phosphoric acid and potassium. Its main element is calcium which is required in relatively small quantities for plant growth and most soils contain sufficient of it naturally.

An abundance of lime is harmful to grass, bulbs such as gladiolus, potatoes, and numerous other plants which thrive best in an acid or mildly acid soil condition. On the other hand, it is helpful to the legumes, such as the clovers, peas including sweet peas, asparagus and some other crops which soil acidity harms. The main use of lime, therefore, is in correcting soil acidity and improving the physical condition of heavy clay soils. It does the latter by its action on the substances that cause the clays to become sticky and bake hard. Lime should therefore be used rather as a soil amendment and not primarily as a fertilizer.

Creamery butter, farm-made cheese factory cheese and miscellaneous dairy products in Canada in 1935 all registered some increase in production.

Complete Lubrication

is more than simply forcing chassis lubricants into the handy fittings. It is the proper use of the special greases for their special jobs; Universal joint greases for universal joints; wheel bearing grease for wheel bearings; water pump grease for water pump grease cups or fittings; front wheels removed and bearings washed and repacked. Battery checked, etc.

Let us give your car a Complete Lubrication We have the equipment

BIRTHS

Banks—At The Brierbush Hospital, Stouffville, on May 17th, 1936, to Mr. and Mrs. Clarence Banks, Whitechurch Twp., a daughter.

It is estimated that there were 94,000 less egg-laying hens on farms in Canada in 1935 than in 1934 but 268,000 dozen more eggs were laid, and the total estimated value of eggs (\$3,763,000) shows an increase of \$3,309,000 over the revised valuation of 1934. The average value of eggs in 1935 is estimated at 17 cents per dozen against 15 cents per dozen in 1934.

Appreciations

CARD OF THANKS
Mrs. Levi Hoover thanks this means to publicly thank the members of the Women's Association, the Bible Class (United Church) and to the any other individual friends for letters, cards and flowers received during her recent illness, all of which was gratefully received and appreciated.

CARD OF THANKS
The family of the late William Harper are deeply grateful for the kind assistance and sympathetic expressions received during their bereavement in the loss of a beloved father.

TENDERS FOR COAL AND COKE

Sealed tenders addressed to the undersigned and endorsed "Tenders for Coal," will be received until 12 o'clock noon (daylight saving), Monday, June 15, 1936, for the supply of coal and coke for the Dominion Buildings throughout the Province of Ontario. Forms of tender with specifications and conditions attached can be obtained from the Purchasing Agent, Dept. of Public Works, Ottawa; and the Supervising Architect, 36 Adelaide St. East, Toronto, Ont.

Tenders will not be considered unless made on the forms supplied by the Department and in accordance with departmental specifications.

The right to demand from the successful tenderer a deposit, not exceeding 10 per cent of the amount of the tender, to secure the proper fulfillment of the contract, is reserved.

By order,
J. M. SOMERVILLE,
Secretary
Department of Public Works,
Ottawa, May 18, 1936.
