VANDORF

We welcome Mr. and Mrs. Ernest Preston to our community again. On Sunday Mr. and Mrs. Don. Pines of Newmarket called on Mr. Mac. Pines.

Mr. and Mrs. E. Edgar Rose visited at the Steven home at Pine Orchard.

We are sorry to report that Mr. John Crawford had the misfortune of losing a shed, implements, & two cars by fire on Thursday night.

Mr. and Mrs. Carmen Rose and little daughter, Ruby, of Holt were Sunday guests of Mr. and Mrs. Bob Brown.

Mr. and Mrs. Robert Carr motored to Duclos Point last Sunday to visit with their daughter Mabel and friend, Miss Audrey Switzer, who are camping there.

The Ladies' Aid are holding their annual open meeting at the home of Mrs. Herbert E. Oliver on Wednesday evening, August 5th. Everybody welcome especially husbands.

Mr. and Mrs. E. Pearson and Mr. Robert Shaw and family of Toronto, called on friends at Wesley Church on Sunday, and had dinner with Mr. and Mrs. Louis Brillinger.

We owe congratulations to our Y.P.S. for the capable way in which they handled the church service last Sunday in the absence of the pastor who is holidaying with his family near Beaverton.

Last Sunday a number of our men were called out to fight fire on the rear of the Kingsley farm. Owing to the dry season the fire spread rapidly, but was finally brought under control without much serious damage.

The Y.P.S. are holding their weekly meeting in the form of an Ice-Cream Social at the home of Mr. and Mrs. Herbert E. Oliver on Monday evening, August 3. Early in the evening there will be a ball game between Temperanceville and our team.

The Ice Cream Social and Amateur contest on the United Church grounds was quite a success. A large crowd in attendance, lots of talent and lots of ice cream. The first prize in Juvenile class went to little Murray Taylor of 2nd concession who is really a born musician. The first in grown up class went to Taylor Bros. of the same home. These boys are sons of Mr. and Mrs. Albert Taylor. The second prize at the Major Bowes concert in the juniors went to Ovan Brothour, guitar and solo, 3rd—Ronald Dackworth, of Toronto, guitar and solo. Second prize senior to Miss Verna May, reading, third Miss Edna Brignall, piano solo.

Following a period of ill health lasting over a year, there passed away very suddenly at his home at Uxbridge, on Sunday morning, July 25th, James William Peters, beloved husband of Velma F. Lavender, of Goodwood, in his sixty-first year.

Mr. Peters was the son of the late Mr. and Mrs. Hugh Peters, of Shiloh and was born near Udora, January 6th, 1876. His childhood was spent at Shiloh and when a young man he went to the west where he took up farming near Gilbert Plains, Manitoba. Later he returned to Ontario and married Miss Velma Lavender, of Goodwood, December 25th, 1911 and for three years they resided in Toronto, and then moved to a farm near Shelburne, Dufferin County. After farming there for ten years Mr. and Mrs. Peters returned to Uxbridge where they were engaged in market gardening. His wife and three children survive.

DAMAGE NEARLY \$5,000 AS FIRE DESTROYS BARN

Fire believed to have been caused by spontaneous combustion on Thursday destroyed a large barn and pig pen on the farm of John Grant, about one mile south of Unionville, with a loss of between \$4,500 and \$5,000. A horse, calf and three pigs were burned, while the rest of the live stock was saved by helpers. Fire brigades from Maple, Markham and Unionville fought the blaze.

Had Undersized Fish

Angler Pays \$24.50 for the Smallness of the Catch. Big Ones Got Away.

Someone has truthfully said that "It is the little foxes that destroy the vine," and Murray Carr, a Walkerton angler, has likewise discovered that the little fish are a troublesome pest, especially if they be of the bass family, when the Warden of the Game and Fisheries Dept. looms up after the mess has been caught.

It seems that Murray was one of a Walkerton quartette that cast their hooks, lines and slinkers into the limpid waters of Red Bay off the Bruce Peninsula on the fateful day of July 26th, and while the big bass seemed to have been on a hunger strike and refused to even sniff the bait, the little ones were biting like mosquitos at a Sunday School picnic, and Murray was caught by the Inspector "holding the bag."

A charge of taking undersized bass from Ontario waters contrary to the Game and Fisheries Act, was laid against Murray by Warden Rolston of Owen Sound, and on appearing before Magistrate Walker there on Tuesday last a fine of \$20 and cost of \$4.50 was imposed on the local disciple of Isaac Walton, which, we understand, his confederates helped him to finance and satisfy the ends of justice.

GOODWOOD

Toronto Flashes

R. J. Feaster, visited Port Hope over the weekend.

Rev. Mr. Lunan was conducting services at the United Church, Leaside, on Sunday last.

Mr. P. H. Davey, sister and niece visited Mount Albert on Wednesday last.

Mr. and Mrs. George Lee passed the holiday at Port Bolster, Lake Simcoe.

Chas. Bluelman of Woodstock was on business in the city this week. He reports the root crops much improved in the district since the rain.

Some folk tour to the South, some to the East and West, but last week finds Mr. and Mrs. E. J. Davey touring the north country. We hope they enjoyed their trip.

William Davey of Ottawa, was in Toronto on business visiting Mr. and Mrs. W. Davey. Years ago Billy played the kettledrum for the Goodwood Brass Band.

Mr. Arthur Lee, wife, and family of Rochester arrived in the city on holidays, visiting the parents and friends. We welcome them back and hope their holidays have been pleasant and beneficial to them.

The Lennox Memorial Picnic at Jackson's Point, on Civic Holiday was visited by Goodwood, Siloam and Sandford folks. Yes our friends Mr. and Mrs. Wellington Smalley were there.

Riverdale United Church where our friend Rev. Geo. Coulter is pastor, is a busy centre these days. A devotional school for the district is held each day. Children of all classes assemble and many pleasant and educational hours are enjoyed.

Mr. and Mrs. George Lee visited our esteemed friend Mrs. Bewell, at Unionville last week. Mrs. Bewell is well-known in Goodwood and still does not forget her duty to her church in playing the organ.

Attention Toronto friends! (hold everything) and take the paved road to Stouffville, then proceed to the home of Mr. and Mrs. B. Tindall for the Women's Institute Ice Cream Social, on August 12th. The roadway from Stouffville we are sorry to say is not one of the best. But one can forget this when they know on arrival at this home under the W.I. you will enjoy the program which will be given.

Glad to read of the new main route out of Stouffville. In reading the last paragraph of this write up, one thing in motoring along some of these routes tourist may notice the different positions of these boxes—How often we notice the boxes on posts in a dilapidated condition such as a post leaning over with door of box wide open or a name scrawled with some old paint in a careless manner. Nothing looks better than to see His Majesty's Mail Box, placed in an upright position on a nicely painted post. At the entrance of a homestead, one is almost sure the house and barn will be found in the same condition. These 105 box holders will appreciate this new mail delivery. What would be more fitting than to have the Courier-Mr. Moyer place in each box a weekly number of Stouffville's newsy newspaper (The Tribune) Ask the editor for a sample copy. Keep in touch with the news of the village and the surrounding hamlets.

Grasshopper outbreaks have occurred in Renfrew, North Hastings, Northumberland, and Manitoulin Island this summer.

BY-PRODUCTS OF HOGS GIVE BIG INCOME

In modern days very little of the hog is wasted. In Canada alone, by-products of the hog that were previously considered and treated as waste now represent millions of dollars of additional income to the livestock industry. The by-products of the hog include skins, from which are manufactured brushes, pig-skin, hair, curled hair, upholstery, plaster retardant, felting, glue, sausage, gelatin, gloves, belts, straps, pocket books and shoe counters.

From the fats are manufactured lard, oleomargarine, benzoinated lard, salves, cosmetics, cracklings, poultry and animal feeds, fertilizer, tankage, grease, lard oil, stearine, stearic acid, grease oil, lubricants, machine oil, candles, gelatin, glycerol, red oil, wool finisher, fatty acid, tar for roofing and paving purposes, metal polish and soap. Among the many other miscellaneous by-products are pharmaceutical preparations such as pepsin, medicinal tablets, suprarenalin, and insulin. These, and many other by-products of the hog, are in addition to its capacity as a food provided in the shape of ham, bacon, pork, tongue, heart, liver, kidney, chitterlings, and manufactured fancy meats and meat specialties.

THE RIGHT KIND OF RELIGION

Rev. P. Bruce, Thornton, who occupied the pulpit of the United Church in Barrie last Sunday, is reported as having said something worth while respecting the right kind of religion. Basing his sermon on the parable of the publican and pharisee who went to the temple to pray, Dr. Thornton said that the question today, as two thousand years ago, was not whether we were religious, but did we have the right kind of religion?

Jesus knew when He started His short ministry that His religion, if He adhered to it, would force Him to the Cross. Saul of Tarsus was religious when he held the garments of Stephen as he was stoned to death, but he did not have the right religion till he was smitten on the road to Damascus.

Many people are religious to-day but they haven't got the right kind of religion. Church attendance, creeds or prayers, availing nothing unless we are in touch with the Divine. The right kind of religion makes us humble even as the publican; it makes us courageous, even as St. Paul became. The right kind of religion would solve our problems to-day. It is what the world is crying for.

MELVILLE

Mr. and Mrs. Dalph Cook are staying with Mrs. Miller.

Miss Luella Gayman is visiting with Mr. and Mrs. J. W. Lehman and family.

Rev. Mr. Haig of Agincourt occupied the pulpit of this charge last Sunday.

Mr. and Mrs. Harold McKay were home over the holiday. Mr. McKay took charge of the Bible Class in the absence of Mr. Bruce who was guest speaker on the Zephyr circuit.

The continued dry spell is lowering the water level in many of the wells around here. It is a satisfaction to know that we are on or near artesian area recently discovered by the Dept. of Mines.

Harvest and Threshing is well under way in this locality. The alfalfa yield was good. We have as yet no report on the grain yield. Several fields of oats have been cut for feed having not fully matured.

A series of softball games between the Sixth Line and Bethesda boys was finished last Monday evening with Sixth coming out on top. At the conclusion of the Friday evening game several rounds of ice cream and watermelon were enjoyed by the teams and the fans.

Many in Canada have been advocating that the Government should control munition manufacture, rather than private concerns, as one of the best moves toward peace. These will now be interested in the fact that the new Government in France is undertaking to make the nation's armaments. This Government is determined that there will be no profit for private individuals in furnishing arms and ammunition for the French army. We are certain that all interested in world peace will applaud Premier Blum's plan. —Listowel Banner

Fall wheat has been a good crop here, also alfalfa, but late rains are not very promising. We need rains for the pasture fields.

Quite a number from this district motored to Stayner on Sunday to attend a camp meeting which is being held there. Some are staying up there for the week.

Ring the bells and let the news spread far and wide over the countryside to welcome all the residents of Bethesda at any time time and all who have at any time lived in the district to a Bethesda re-union which is being held in Mr. Robert Ratcliff's Park, on the afternoon and evening of Saturday, Aug. 15th. The honoured guest of the occasion is Mr. Isaac Pike who taught in the local red school house for forty years or so. As many as possible of his pupils who can come are specially invited to be present themselves and bring their friends. Everyone bring their basket of lunch and be prepared for a good time.

For the ball tournament of Bethesda vs. Sixth, No definite end could be fixed. However, after game number four, They made a distinctive score, Which made the Sixth boys stick out their chests, While our Bethesda lads were glad to go home and rest.
