#### CITY DOCTOR BUYS CHERRYWOOD FARM

Dr. H. B. Spaulding, chairman of Toronto board of education, last week purchased 50 acres of land through C. R. Purcell Co., farm realtors. The property is located north of Cherrywood village above the North Rouge Hills area.

The vendor is George E. Pugh, of Whitevale, who inherited the land from his father. No woods having been removed from the land in the last half century, a dense stand of valuable mixed timber covers the farm. Extensive changes will be made, including a new residence.
