Plan of Sterilization of Imbecile Children and Tax on Hydro Before Association

Sterilization of moronic and imbecile children.

Taxation of hydro. Reduction of truck and trailer

Abolition of County Councils, and Payment of all relief costs by the federal government are the principal proposals which will be made by delegates to the 38th annual meeting of the Ontario Municipal Association, Sept. 2, 3 and 4.

The City of Ottawa contends that of chattel mortgages in record and municipalities are not responsible ber, 1935, over the same date of tional and that the Dominion cost of relief.

Tax on Hydro

The City of Niagara Falls and the Township of Stamford are demanding again that the Ontario Hydro be required to pay taxes on the same basis as if hydro were privately owned. Many municipalities however would be glad to have them tax free.

Bonding of trustees and depositees of securities is asked by Stamford and Prescott wants the M.O.H. to pass on all indigents before admission of hospital.

Prescott presents a resolution to the effect that since 90 per cent. of municipal expenditures are now controlled by bodies other than the council, the council should have complete control of municipal fin-Teapots, 5 cup size, each 49c ances.
