## ADDITIONAL WELLS MAY BE BORED

To Boost Village Domestic Water Supply

The demand heard all over town this summer for a more adequate water supply no doubt caused the municipal councillors at their most recent meeting to take preliminary steps to look into the possibility of improving the situation. Although land had previously been bought with the intention of placing a third reservoir, the councillors decided that if possible they would increase the flow into the present reservoirs from the west spring now unused with the hope that this will meet the demand. While it is doubtful that the present reservoirs will ever be able to meet the requirements the idea of increasing the supply running may be given a trial.

If it should be found that the present reservoirs could supply the demand with more flow then a great deal of expense will be saved in constructing a third reservoir it is argued.

It was proposed to consult Well-Driller Roadway of Sutton, who may be asked to meet the council on the reservoir property and consider the feasibility of boring more wells for additional supply of water.

Of course this scheme may be abandoned in favor of building a third reservoir for which purpose an engineer would likely be employed.

Council also discussed the proposed west end main extension, and it is the intention to carry on this work this fall as per resolution of the council passed in June. A four inch main will be laid from Dr. Sanders' corner west past Blake Sanders' home to the north end of Alex. Scott's premises. The extension will give a better water service to the users on the street, and may be tapped for the users on the north side of Main street, entering their properties from the rear, thus eliminating the pipes now feeding them from the south side of Main street.

Reeve H. W. Sanders came down from Jackson's Point for the meeting, while all members of council were present, including Walter Brillinger, Mervyn Watts, Ross Brown and A. E. Weldon. There will be no further meeting until the latter part of September or early October.

## MELVILLE

Mr. and Mrs. Clayton Gayman were home over Sunday.

Mr. Jac. Smith Jr. just recently returned from a motor trip to Hearst, one of our far northern towns just a hundred and fifty miles this side of James Bay.

Miss Jean McEwen is teaching at the Cherry Creek School just south of Churehill. This is Jean's first school. We wish for her every success.

Miss Margaret McEwen has returned to her former position in North Toronto.

Mrs. Jos. Lehman of St. Marys visited relatives in this community last week.

This neighborhood would be very much relieved if the party or parties responsible for the periodic bursts of petty thieving were promptly brought to justice. Mr. Alf. Smith, of Cashel was visited last week and had a quantity of grain and some livestock taken.

Our local merchant Mr. Wes. Powell and son had the good fortune to catch a fine muskie from the waters of the Holland River last Monday. The fish measured 3 ft. and weighed 10 lbs. 6 ozs.

The holes in the sixth line road from Unionville to the town line have been patched up lately for which we are truly thankful, however it is still necessary to hang on with both hands while negotiating the stretch adjoining the Bateman farm.

## SUDDENLY STRICKEN ROBERT CURTIS PASSES AWAY

Successful Farmer Retired in Stouffville Eight Years Ago.

Stricken with a fatal heart attack last Friday evening, just three years to the day on which his wife passed away, Robert Curtis, Church street, died the next afternoon, August 29. About all day as usual, he was sitting at the evening meal when he was seen to be in trouble, and was assisted to bed, but never rallied. The shock was tremendous to the family, and it shook the whole community perceptibly.

Had he lived into October Mr. Curtis would have reached his 72nd birthday. He was born just south of Stouffville on the 10th concession, and lived all his life in the locality. He was a son of the late Robert Curtis, merchant at Mongolia for long years, and widely known. While retaining the store at Mongolia the family at one time lived near the cemetery property on the 10th where Ernie Strong now resides. Robert, subject of this sketch, took up farming in 1887, nearly 50 years ago, when he bought the 100 acre property at Lincolnville which he sold eight years ago to Edwin Lloyd. He was a successful farmer and converted his lands from stump fields of that time to highly tilled acreage with good buildings and home.

The late Mr. Curtis married Jennie Alhn, of Bethesda, and to them a family of four survive. They are Mrs. Fred Winn, Mrs. J. G. Weatheral, and Roy E., all of Stouffville, and Miss Mary of the Lindsay public school staff. A brother Arthur Curtis of Merlin, near Chatham, and one sister Miss Ruth Curtis who arrived here some time ago from California to spend the summer, are the only surviving brother and sister of a family of five girls and four sons.

When he disposed of his farm eight years ago, Mr. Curtis and family moved into town, where he built for himself a fine home one door north of the United Church on Church street. He was an active member of Stouffville United Church and a member of the Official Board. He also took an interest in lawn bowling and was an enthusiastic member of the Curling Club.

The funeral on Tuesday afternoon was to Stouffville cemetery, and was attended by a large number of citizens as well as friends from other sections. Rev. L. E. Atkinson, family pastor, conducted the service, the pall bearers being Messrs E. M. Still, J. K. Agnew, J. Meyer, Jos. Hoover, C. Pipher and F. E. Rae.

## BLOOMINGTON

Murray Steele and wife, Agincourt were at E. A. Storeys.

Miss Marion Baxter has been in Toronto on a visit.

Dr. and Mrs. Matheson who are holidaying at Bala were in the village recently.

Mr. and Mrs. Storry, Mrs. Tramer and Kenneth were at Wasaga Beach.

The Woman's Association meeting held at the home of Mrs. Elson, a splendid program was enjoyed and a good attendance turned out.

Millard Fockler, Toronto, and Mr. and Mrs. George McCormack and son from Sudbury visited the former's brother, Wm. Fockler here. Misses Elsie Lemon, Alta Fockler, Mrs. Arthur Storry, Mrs. Dawson Burnett enjoyed a 4-day trip to North Bay, and they weren't looking for the popular quints either.

## TAX SALE AFFECTS OVER 50 PARCELS IN MARKHAM.

The Township of Markham will hold a tax sale on Monday, Nov. 9, and a list of the properties advertised in the Ontario Gazette (which will never be seen by the people in general,) reveals the fact that there are 52 separate parcels to be sold for tax arrears, ranging all the way from \$363 standing against two acres on concession 1, in the name of the Langstaff Securities Co. to a minimum of \$14 against five-sixteenths of an acre in the same concession block.

The total monies, taxes and penalty, owing against the entire properties offered is slightly more than \$4,000, and 19 of the parcels of the total 52 are sub-division lots in the first two concessions of the municipality. Thirty-three properties running over an acre but mostly under two acres are largely situated in the same sub-division area. In fact there isn't a property being offered for taxes lying east of Unionville.

The largest single item in the list is the Gershaw Size 50 acres at Unionville, which is said to be notorious for weeds, although a splendid piece of land. The taxes and penalty against these lands is \$315. Tax defaulters have the privilege of coming forward any time before sale date and paying up, thus eliminating their property from public sale.

## STOUFFER BIRTHDAY PICNIC

On a recent Thursday the descendants of the late Abraham Stouffer the fifth, met in Stouffville Memorial Park to do honor to Miss Elizabeth Stouffer whose birthday it was.

Miss Stouffer expected to spend the day with her sister, Mrs. Boardway, but instead was conveyed to the park, where she beheld a goodly number of people assembled. Miss Stouffer concluded that a picnic was in progress, and not until the car was brought to a stop and she was surrounded by a group of familiar faces did she guess the purpose of the occasion. The surprise and amazement were so complete that she was visibly touched.

Around sixty-five sat around the tables so bountifully spread with the necessities of life. A huge birthday cake made by Mrs. Levi Forsyth adorned the centre of the table.

After a hearty repast a large box which had been prettily decorated by Mrs. Eldon Smith and filled to overflowing with useful, as well as palatable remembrances, was placed before Miss Stouffer to be opened, which provided some entertainment and fun. A suitable reply in her own quiet way was made.

The afternoon was spent in games by various groups of the younger people. The children enjoying the swings and teeters, the older people in pleasant conversation.

The same day happened to be the birthday of another guest, a fair young gentleman who may be seen on the streets of our natal village almost any day. A birthday cake was also presented him and demolished by others.

Those attending included Mrs. Martin Wideman, Miss E. Stouffer, Mrs. Simeon Hoover, Mrs. J. Boardway, Mr. Abraham Stouffer the sixth—these are all that remain of the late Abraham Stouffer. Other attending were Mr. Abraham Stouffer the seventh, his wife and family, Mr. Archibald Stouffer and family of Weston, Mr. Ernie Stouffer and Mr. and Mrs. B. E. Wancko and young son, Eldon of Toronto. A number of local relatives were missing due no doubt to busy times. In all there are around 125 descendants of the late Abraham Stouffer. Two grandsons Joseph and Wilmet Wideman with their families are living in Western Canada.

Altogether it was a very happy and memorable occasion made more so by the beautiful surroundings and comforts which makes this park a very desirable place for such a gathering and one which was appreciated by all.

## TESTING CATTLE IS PROTESTED

One Farmer Loses 30 Head When Government Inspector Condemns Entire Herd

The invasion of Government veterinarians into this district testing cattle for T.B. has cost Markham Township farmers hundreds of dollars during the past few days says a daily press report.

Although the farmers receive a percentage of the value of the condemned animals from the Government in compensation, they bear the brunt of the loss. Whole herds have been wiped out in some sections.

"Eighty-five cattle were condemned within a mile and a quarter along this road," Robert Giles, a German Mills farmer, declared. "It cost the Government \$2,400 in compensation. One farmer I know lost his whole herd of 30 cattle, another 16 and another 15. They will have to be replaced as soon as possible in order to maintain their milk supply to the dairies."

Although milk from T.B. cows is accepted by the dairies, Government veterinarians point out that there is a great danger in drinking the milk before it is pasteurized as some farmers' families habitually do. T.B. milk is very dangerous for children, and records show that there have been more deaths among farm children from T.B. than among city children, where milk is pasteurized under Government supervision.

The Local Situation  
The above report is not entirely accurate in so far as Stouffville district is concerned. There has been no deaths here whatever from T.B. among children drinking unpasteurized milk.

On the other hand there is widespread anger among the farmers protesting the T.B. regulations. While it is said only 10 per cent of herds tested have gone under, instances of much greater toll are cited, and real hardship is created.

Morgan Baker, M.P.P. has taken up the matter and on Wednesday was in Toronto interviewing the chief heads at Queen's Park.

A less drastic inspection is asked on the part of hard-hit farmers, who also argue this is a poor year to enforce such a law.

The Act is a Dominion measure enforced on request of the Ontario Gov't. Compensation is paid by the federal authorities, Mr. Baker states

## LATE PERSONAL NEWS

Miss. Anne Lehman, A.T.C.M. teacher of piano for playing and theory, phone 3303.

Mrs. Shankel and Mary Davis were guests of Mrs. Harvey Gilfoyle, at Jackson's Point for ten days.

Harvey Baker was removed in the Brierbush Hospital ambulance to a Toronto hospital last week to undergo an operation.

Mr. and Mrs. Wm. Anderson and Mr. and Mrs. Wesley Mills, Coswell, Mich., are spending a few days at the farm home of Mr. Jos. Mertens.

Mrs. John Lehman and son and daughter Annie, of Toronto, spent the weekend with friends in Flint, Mich.

The Junior Farmers will meet on Tuesday, Sept. 8, at Victoria Square at 8 p.m. Lunch and dance. Those having no means of conveyance please communicate with the secretary.

The Women's Institute will serve a hot supper in Ratcliff's Hall this Thursday evening at 6 p.m. Come everybody and patronize the Institute. Supper 25c

Next month the Misses Grice will move in with their sister Mrs. John Forsyth, Main street, and on October 10 Mrs. Forsyth will hold an auction sale of household goods which will be advertised in due time—Mrs. Forsyth's fine brick residence near the public school is one of the attractive spots in that section of the community.

## WANTED SEVERAL YOUNG MEN

To prepare for positions in Auto Electrical work. Must be mechanically inclined and willing to take preliminary training at home; those showing ability will be required to Toronto for practical shop experience. Excellent opportunity for eligible men with fair education. Write stating age and present occupation to British American Institute of Engineering, Bay St. and Grosvenor, Toronto.

## FORMER BUSINESS MAN DIES AT HIS BRANTFORD HOME

Jess T. Davis, Was a Member of One of Stouffville's Old Families

The death of Jess T. Davis at Brantford on August 25 robbed that town of a highly esteemed citizen, and removed from the rolls of the living one more native son of Stouffville. He was well and favorably known here where he spent more than 40 years of his life. The late Mr. Davis was 67 years of age, and was buried at Brantford on August 27, the funeral being an exceedingly large one. The floral offerings were an unspoken testimony of the high esteem in which the deceased was held. He was a member of the Presbyterian church, and sang in the choir for years.

Born on the premises opposite the public school where Lou Morden now resides, Jess Davis was a son of the late Philip Davis, cabinet maker and undertaker. As a young man Jess learned the baking trade and entered business by buying out Armstrong's bakery about 30 years ago. Later he sold to Frank Rowbotham and moved to Brantford, round 1911.

He married Susan Hoover, sister of Elias and Joe Hoover and Mrs. Ed. Lloyd of this town, and to Mr. and Mrs. Davis four sons and two daughters were born. The father's death is the first break in the family—The sons and daughters are Ellis Davis in California, Arthur and Harry of Brantford, Norman of Woodstock, and (Lola) Mrs. Watters of Tonawanda, New York, and Miss Ida at home. Mrs. A. S. Collins of Stouffville is an only sister of the deceased, and Albert Davis of Altona, and Elijah of Lansing, Mich., the only two surviving brothers, John and James having predeceased him.

J. T. Davis was a member of the old Macnebes and Canadian Order of Foresters, once active societies of Stouffville.

From this district there attended the funeral, Mrs. Collins and Albert Davis, Elias and Jos. Hoover, the Byer family and Elias Lehman and family from east of Stouffville. Austin Jermn and brother Addison, Toronto, also motored to Brantford for the funeral of their uncle.

## SCHOOL RESULTS

Middle School Exams  
The following pupils were successful at Markham High School from Stouffville district.

Brillinger, Claude, D., E.L.2, A.H.C. Clubine, Jack D. Alg.2, Chem.2. Grubin, Edythe, C.H.2, Geom.1, Phy.3 Hastings, Marion A., Geom.C Malloy, Lambert H. Alg.2, Phy.2

"A Charge to the Servant of the Lord."

Bible Thought for This Week  
Eph. 6:10-11 — "Finally, my brethren, be strong in the Lord, and in the power of His might. Put on the whole armor of God, that ye may be able to stand against the wiles of the devil."

## Bread Steps Up

The local bakery has advanced the price of bread one cent to 9c per 24 ounce loaf. "The increase is forced on us by the recent sharp advances made in the price of flour," said Mr. Ambrose Stover proprietor of the local plant, in discussing the situation with The Tribune. The new price was effective on Monday this week.

## COBER'S SOUND SYSTEM AT C.N.E.

Gordon E. Cober, local radio man is installing a new type sound system in the Arcadian Dance Hall, Toronto. It is a special equipment so that it can be used by OKCL and at the same time fill the bill with sound. The old system was traded in on the new job, Mr. Cober states. At the C. N. E. Mr. Cober has two sound systems in use. One is located on the midway near the grand stand at the rabbit game, and another and more powerful supply sound for one of the ball rooms in the old Transportation Building.
