WIPED OUT HYDRO SERVICE CHARGE

Second Slight Reduction in Rates Also Announced for Stouffville This Year.

Although the Hydro Electric rates were reduced early this year, the Commission in Toronto has submitted still another rate for Stouffville which embodies a slight reduction in the cost of current to the customer and wipes out entirely the service charge to domestic consumers which is 33c per month for a two-wire service and 66c for a three-wire service. The actual result of the present rates if adopted by the local council at their next session, will be a saving of around \$800 spread among all the customers in town.

The present charge of 3c per k.w. for the first 50 hours is to be advanced to 3.6 for the first 60 hours, and the second rate will be 1.1c per k.w. With the discontinuance of the service charge this is still held to be a lower rate.

The commercial rate now 3c per k.w. for the first 100 hours is reduced to 2.8 for the first 100 hours, but the service charge of course cannot be cut off as in the case of domestic users.

The power rate remains the same as heretofore.

The usual minimum bill of \$2 per two months will be continued, as little reduction can be made for the smaller customer who does not use more than 25c worth of current a week. It costs that amount to service him, and carry the account on the books. Folks who get the reduction in hydro rates are those who make the greatest use of the system. It is now cheaper than coal oil for cooking and with this latest reduction still more appliances should be placed in local homes.

The new rates will become effective so soon as they are adopted by the municipal council.

RINGWOOD

A. Harmon of Blackwater, a former resident of this place called on friends here last Tuesday.

Wm. Rateliff has purchased a new Terraplane car.

The mercury dipped to just ten above zero on Tuesday morning, the coldest for October in 65 years.

Miss Nellie Grove, nurse in Toronto spent last week at A. M. Grove's.

A perfect day and a large crowd with a full entry list made the plowing match held last Wednesday on the Rodanz farm a huge success.

'Dangerous Waters'

Showing at The Stanley this week end—Thursday to Saturday—is an especially good picture. Don't miss it. Mickey Mouse and Silly Symphony.

HOT ROAST SUPPER

This is an invitation to all the readers of this paper to attend the Hot Roast Supper in the United Church basement Stouffville, Monday, Nov. 2, followed by an outstanding program. Mrs. R. Warminton, Toronto, soloist; Mrs. Winterson, reader; and others. Also Rev. L. E. Atkinson will assist. Supper from 6 o'clock—Admission 35c, children under 12 years, 20c.

88th ANNIVERSARY

Special attention is called to the anniversary services to be held next Sunday, Nov. 1st, at the Sixth Line Baptist Church. The visit of Rev. W. S. Whitcombe, B.A., former pastor, who will preach morning and evening is pleasantly anticipated.

11:00 a.m. Miss Alma Baker, soloist, and Baker Hill Quartette.

7:00 p.m. Miss Baker, also Miss Cherry and A. S. Farmer, Gormley, in duet numbers. Everybody invited.

RECORD ENTRY AT PLOWING MATCH

Attracting one of the largest crowds and with an entry list of 70 teams and ten tractors, the annual North York Plowing Match Wednesday of last week, was marked as one of the best ever held since the Society was organized thirteen years ago. Ideal weather conditions contributed much to the success of the whole undertaking, while the Burnbrae Farms belonging to Mr. Geo. Rodanz proved an added attraction to the match. Many wanted to see the vast improvements made on this estate over the past year or since it was acquired from the Robert Miller estate. They were not disappointed in the beautifully appointed barns, and well tilled fields, with their fine herds of cattle.

Evening Banquet
The women's Institute at Stouffville are well aware of the size of the match, for they were instructed to cater to 150, and fed over 300 before supplies ran out entirely and even then they went at it and fed more people by cooking additional supply of potatoes and sending out for available pies, meat etc. Mrs. E. J. Davey was in charge of the field staff and Mrs. George Lee the hall staff for the evening.

Special Prize Winners
Alex. Black of Guelph captured the Eglinton Hunt Club silver challenge cup for best plowed land in the match, winning for the second successive year. 11-year-old Grant Turner won the prize for youngest plowman in the match, and Herb. Hisey, manager of Burnbrae Farms won the Eckardt silver tea service in class for plowmen who had never won a first in any class before. William Harper's fancy team from Stouffville took first for best going team on the grounds, and A. J. Mitchell's team from Richmond Hill first for best groomed team.

Councillor Jess Cook of Whitechurch proved to be an efficient president and was here, there, and everywhere, seeing that things were moving along smoothly. Ross Ratcliff with years of experience is the secretary of the association, and Ralph Baker of Lemonville is the treasurer.

The complete prize list follows:

- 1st Class in Soil (4 entries)**
Alex. Black, Guelph
Edw. Timbers, Milliken
W. Hooton
W. Ferguson, Stouffville (Crown, Timbers; Finish, Black)
- 2nd Class in Soil**

R. Grafton, Malton
- Tractor in Stubble**
F. Draper, Claremont
R. Malcolm, Locust Hill
Ivan McLaughan, Ballarae
John McNayhan, Aurora

Stouffville Honors One Of Its Chief Builders

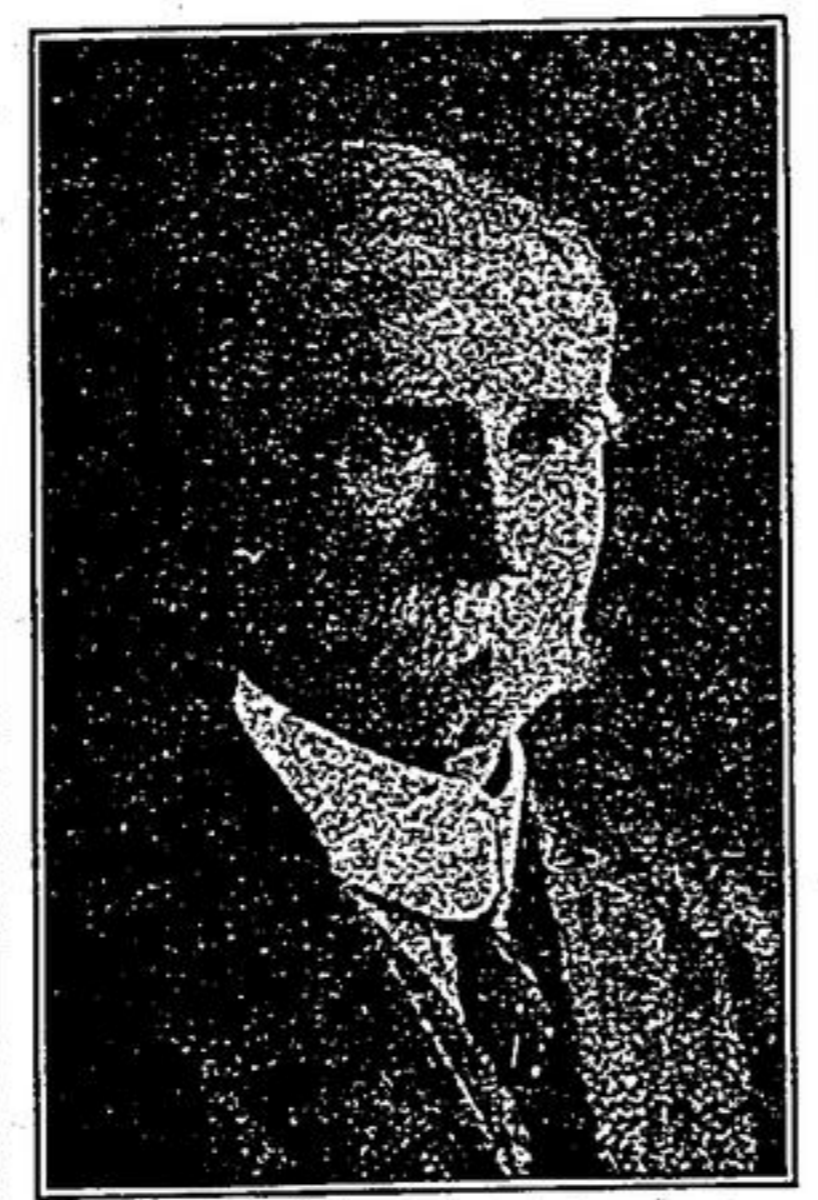

Business Suspended During The Funeral Service For The Late R. J. Daley Who Passed Away in Edmonton—Pioneer Business Man of Stouffville.

Although he had left Stouffville 30 years ago to locate in Western Canada, the death on October 21 of Robert John Daley at his home in Edmonton, Alberta, was felt by the citizens of Stouffville as keenly as if he had passed away right here in our midst, for he was a man who had left his mark on the village where he was born. We can think of no man who advanced the business interests of the community quite so much as the beloved elderly gentleman who passed away in his 80th year rather suddenly. Although he had been in failing health for a few years and had undergone a surgical operation, his recovery was most satisfactory, and he was actively engaged right to the last.

R. J. Daley was born in Stouffville in 1857, and although he early learned the trade of his father—the making of boots and shoes, he also did a good business in the retail sale of boots and shoes. He started business on the corner where the Shaw store now stands, but he later varied his interests from that trade. After many years in mercantile and other pursuits thirty years ago he went to Western Canada for the Sun Life Assurance Co., but always entertained the hope of returning to his native town.

The remains were brought to Stouffville for burial, the funeral being held from the United Church on Monday afternoon.

Some years after his arrival in Alberta, Mr. Daley joined the staff of the Alberta government Immigration and Colonization Department. Retiring from this work 16

years ago he devoted his attention to the development of a tract of land which he acquired for himself. It was the management of the extensive holdings that prevented his cherished hope of retiring in Stouffville being realized.

Concerning his active days in Stouffville which seemed to date from the time of the fire which destroyed the old hotel property at the corner of Main and Church streets in 1878, records in our possession state that Mr. Daley purchased Main street land just west of Church street where good stores now stand, and here he erected one of the largest business blocks yet built in the village at that time.

In 1885 he erected at the corner of Main and Market streets on the site of the present post office a large hall, which also served as a market place, where he started a curling and skating rink in the basement. The market grew to be one of the largest in the county and old-timers recall the crowded streets of

BOUGHT WESTERN CATTLE

A carload of Western cattle reached Stouffville late Saturday evening or early Sunday morning, which had been purchased by Mr. Ward Hallman on a personal trip to the North Battleford district in Saskatchewan.

The car contained 31 head of feeding cattle, and on being unloaded were driven to Mr. Hallman's farm at Dickson's Hill. The freight bill reached the fabulous price of over \$280.

On his trip West Mr. Hallman said cattle were in very poor condition in the southern sections, but farther north away from the drought area, sleek looking animals roamed the ranges

MOUNTAIN MINES LTD. ELECTED OFFICERS

Company of Boon Days of 1898 Has Been Inactive for Long Years—Cash in Treasury.

Incorporated in 1898, the Mountain Mines Limited, (gold mining proposition) was revived last week after many years of inactivity. The company have \$2,000 or more in the treasury, and owns about 42 acres of land near Sudbury.

In a state of inactivity for years, the local officers called a meeting of shareholders for October 22 at Stouffville, and although a hundred or two notices were issued by registered mail only a handful of interested parties turned up. Of course many of those who invested in the concern 30 years ago have passed away and addresses of others are unknown.

The shareholders' meeting elected a Board of Directors and decided to do nothing about winding up or selling the property, or even working the claim, until next spring when another meeting may be called and persons appointed to investigate the property and determine its value, if any.

The Directors as appointed at this meeting are: George Collard, President; A. C. Burkholder, vice-president; H. J. Malloy, secretary; Mrs. Levi Hoover, Milla Hoover, Lyman Dougherty, George Silvester. In addition to these officers present, others, on hand for the meeting were Miss Bert Clark, Toronto, and her mother from Markham, also Mrs. Adair, Mrs. Herb. Steele, Jack Eck, G. A. Brodie, all of Toronto.

The company's head office was originally in Toronto, but a great deal of stock was sold in Stouffville. The secretary in Toronto died, and records were lost, even the charter is gone.

Miss Clark pointed out that no business could be properly carried on without a charter present at the meeting. Among the original shareholders or those who held preferred shares are L. Dougherty, Geo. Silvester, D. A. Jones, James Dougherty.

It is said the cash in treasury would be about equal to 10c a share.

MRS. N. E. SMITH PASSES SUDDENLY

Following only a brief illness, Mrs. Nelson E. Smith, Toronto, and formerly of Stouffville, died at the Wellesley Hospital, on October 24, and was laid to rest in Stouffville cemetery on Monday afternoon. She was in her 77th year, and had lived in Toronto the last ten years.

Our former esteemed resident before her marriage was Jennet Guthrie, daughter of the late Wm. Guthrie, resident for years on Church street and before that a farmer at Dickson's Hill. She married N. E. Smith, widely known auctioneer, who died in June 1925, and was buried from his late home opposite the post office. Mrs. Smith is survived by three daughters, Mrs. Ira Lot of Milton, and Misses Mattie and Mamie, all of whom attended the funeral here. The service was conducted by Rev. Robt. Barber, former Presbyterian pastor in Stouffville.

WESTERNERS ARE COMING BACK

Mr. W. J. Mitchell of Whitevale, was in Stouffville on Monday and intimated to The Tribune that his son-in-law and daughter are expected to arrive from Saskatchewan, any day, and will likely remain in Ontario. In connection with their departure we note the following item in the Regina Leader of last week:

Mr. and Mrs. Maitland Ryan, Sherwood, who are leaving this week for Ontario, were the guests of honor at a dinner party given by Mr. Andrew MacBeth and Miss Nellie MacBeth at their home. Mrs. Ryan came to Sherwood 10 years ago as a bride and her husband had resided there for some years prior to that time. Mr. Sam Swayne, accompanied by Mr. A. Swayze, gave delightful songs and Miss Willock, violin selections. There were readings and piano numbers by Mrs. Richard Clark, Mrs. Ryan and Mrs. M. V. Jones and community songs. Rose and gold blossoms centred the dinner table and blossoming plants graced the living and sun rooms.

ALTONA

We saw the first glimpse of real winter on Monday morning.

Mrs. Crozier of Port Perry is visiting with her son Dr. Crozier.

The Twinkling Star Class will hold their regular meeting at the home of the Misses Crozier on Friday evening.

Mr. and Mrs. Wilds of Markham visited with Mr. and Mrs. A. Davis on Sunday.

The Sunday School and community at large tendered a farewell party to Mr. and Mrs. Tamplin who will shortly leave for the British Isles. Mr. and Mrs. Tamplin and their family were all suitably remembered with useful gifts, for which they sincerely expressed their appreciation. The Tamplins have been in our district for about 15 years, and were a valued family, assisting in all good work. They intend to remain in their native England on returning.
