APPLY TITE-LAP OVER YOUR OLD ROOF

Last summer's drought and blistering weather spoilt many shingle roofs. Re-roof with Tite-Lap or Rib-Roll, the durable metal roofing that goes on right over your old roof! Comes in large sheets, easy to handle. The end laps are so tight they're almost invisible. Rib-Roll roofing is specially suited for roofing over light framework. Will not warp, shrink, curl or bulge. Send ridge and rafter measurements for free estimate and full instructions.
