January 11, 1937  
The Editor The Tribune:  
Dear Sir:

In the last issue of your paper there was a letter addressed to me from the former reeve of Whitchurch Township. In it Mr. Newton Rae asked this question of me, "Can you tell the electors why, when you were reeve in 1923, and borrowed \$3,000 from the Clergy Reserve Fund of the township, and when you retired in 1928, you had made no provision for repayment of the same?"

I beg to state in answer to this question that I was not reeve of the Township of Whitchurch in 1923, and therefore am not accountable for the actions of the head of the council of that year.

Yours truly,  
Morgan Baker, M.L.A.

**ASKS CORPORATION TO PAY SURGICAL AND HOSPITAL COSTS**

A formal request for damages arising out of the accident suffered by Milton Forfar's eldest son who fractured his ankle when he fell on the sidewalk on Main street opposite the Standard garage, south side. The boy was enroute from school when the accident happened, and the father is asking for actual damages only which are estimated at \$75 for medical attention. The corporation is protected from liability for such accident through accident insurance, and they have sent on the notice to the insurance company for their consideration.

One of our readers report having received a letter from relatives in Minnesota informing us that they experienced a temperature of twenty-six below zero for two weeks prior to Christmas, and zero weather for the holiday.

On January 8 David H. Gillham stepped out on the threshold of life to commence his 81st year. He was born in King township on lot 14, con. 5, but has long been a resident of this locality. We know him as a kindly gentleman and wish him happy days in this eventful life.

He was twice married, and boasts a family of three sons and one daughter, also seven grandchildren. How do you account for your long years and good health The Tribune asked Mr. Gillham, "Well," said he, "I have such a good hearted wife she keeps me contented and well, and I never use tobacco nor strong drink." Mr. Gillham is blessed with a splendid memory and can recount many an incident of his boyhood days with clear vision. He always had a strong liking for a good horse, and still does. He farmed all his life.

Our local readers will be glad to know that Cyril Meyers arrived at his home in Woolwich, England, safely. A few of the highlights of his recent voyage. An average of 1 in 4 are down with the disease. Cyril concluded. He sends best regards to all his friends and would welcome their letters. The address: 16 Oak Street, Woolwich, Kent, England.

Miss Mary Baker entertained Mr. and Mrs. Harvey Houck at tea last Saturday. Miss Baker has been employed for some time by Mr. Henry Hoover, on the Sixth Concession and her exceptionally persevering disposition explains the splendid way in which she keeps going in spite of physical handicaps and a recent fall which left her with some very sore ribs and a bruised back. However nothing daunts the spirit of Miss Baker who has braved many an uncomfortable situation in her many years of experience as a very efficient house keeper, nurse, mother or whatever the case happened to be. Miss Baker's many friends wish her a speedy and complete recovery.

**In Memoriam**

**Eltherington**—In loving memory of our beloved husband and father, Robert Eltherington, who passed away, January 12, 1933. A loved one from our home was called.

Four years ago to-day,  
Whom God had chosen, souls to lead.  
To realms of endless day,  
His voice though still, we yet can hear.

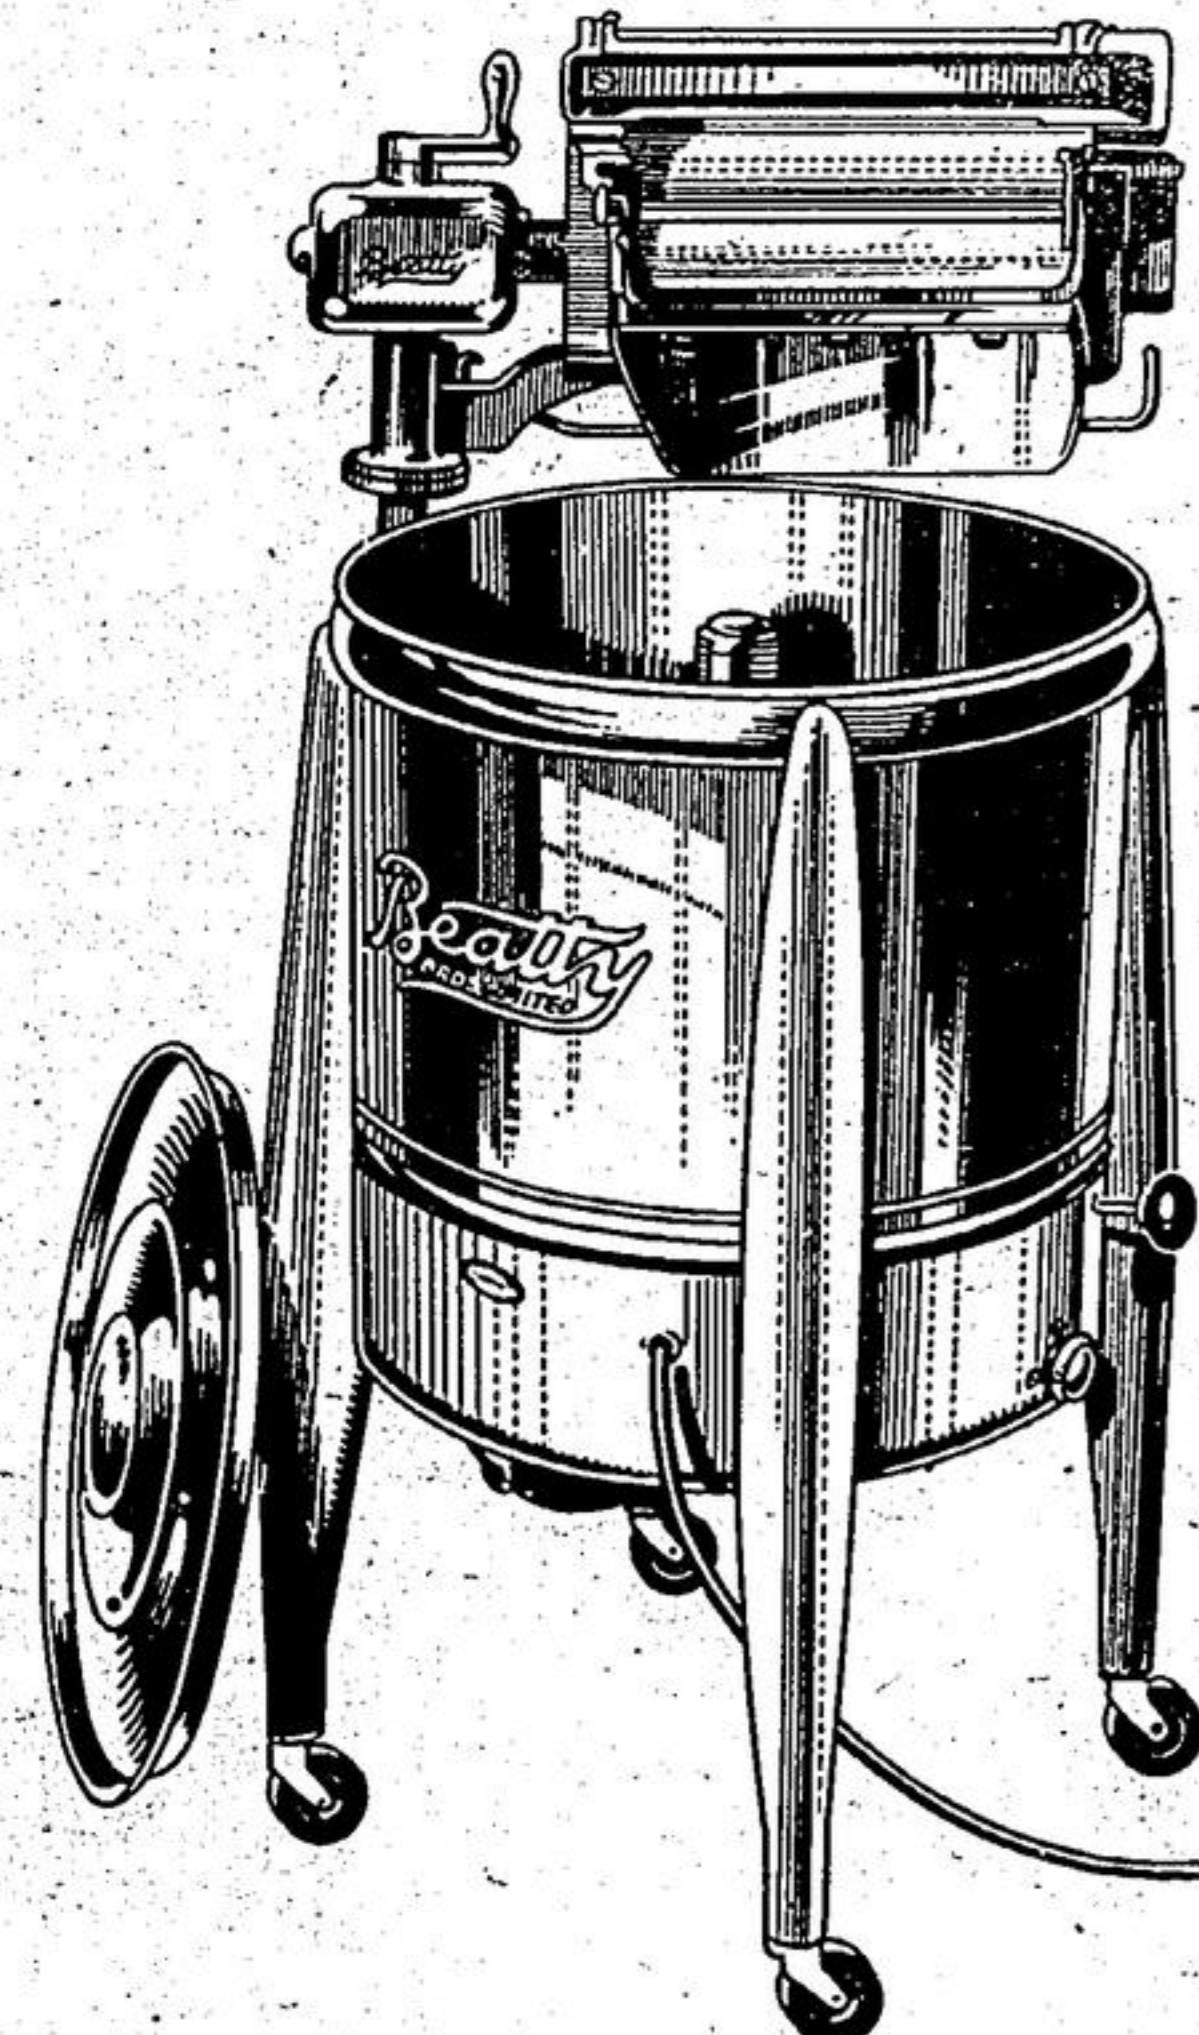

The warning message give:  
Oh turn ye, who-so-ever will,  
"Christ died" That ye might live.  
Mrs. Eltherington & Son Robert

**In Memoriam**

**Wideman**—In fond memory of our dear mother, Mrs. Tobias Wideman, who left us to be with Jesus, on January 19, 1933.

Beautiful memories of one so dear  
We cherish still, with love sincere,  
A day that comes with sad regret,  
And one that we will never forget.  
We miss her love, her cheery ways;  
With her we spent our happiest days  
We miss her when we need a friend;  
On her we always could depend.  
Lovingly remembered
