Stouffville War Veterans are asked to meet in the Fire Hall, on Monday, Feb. 1st, at 8 o'clock. Bert Licorish, Sec'y-Treas.

Kenneth Betz is now pushing the erection of his five-roomed bungalow on Baker Avenue. With favorable weather the studding will soon be up and the place boarded in. When completed it will be brick clad.

Mr. John Turner suffered a severe heart illness last week, and has been confined to his bed since. At the time he was taken ill Mr. Turner was visiting her daughter in Toronto.

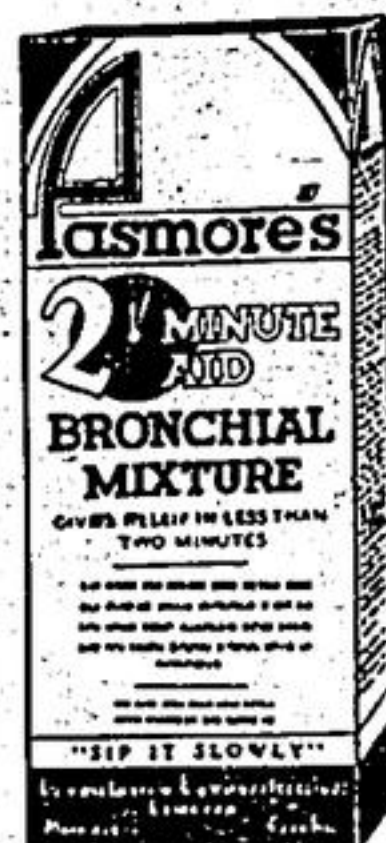

Miss Jean Baker, only daughter of Mr. and Mrs. Ralph Baker, 8th concession, Whitechurch, was rushed to the Toronto General Hospital on Tuesday and immediately underwent an operation for appendicitis, from which the patient rallied in a splendid way, and is doing nicely. It is reported from the Baker home.

A farmer west of town sold 75 bags of potatoes at \$1.75 to a Toronto buyer the other day, but other growers hope to receive \$2 for their small store of tubers before many weeks. The car lot price in Toronto on Tuesday was quoted at \$1.65, and it looks like better prices which is usually the thing when the grower has little or no potatoes to offer.

Mr. and Mrs. Ambrose Stover and his mother Mrs. Elias Stover motored to South Bend, Indiana, last Saturday to attend the golden wedding anniversary of Mr. and Mrs. Melville Morris, relatives on Mr. Stover's side of the family. The Canadian guests took along with them the wedding cake. They left Stouffville at 4:30 a.m. on Saturday and arrived at South Bend at 6:30 that evening, a distance of about 436 miles.

Mr. George Bowers was delighted to receive an express hamper the other day from Florida, containing a bushel of large luscious oranges, a gift from Mr. Charles Carruthers, now at his orange grove in the South, but also a resident on the 10th concession of Markham. The fruit, says Mr. Bowers, was not only very large, but much more juicy than the store oranges purchased through the usual channel. The explanation for this is that private growers allow their fruit to ripen on the tree, thus improving the flavor and retaining all the juices. The express on the hamper, the Tribune learned on enquiry at the depot was only \$1.99. Mr. Preston, the agent, pointed out that there was no duty on this small order, and that fruit is expressed as second class.

Mrs. E. Palmer of Claremont was spending a few days in town at the home of her sister—Mrs. George T. Lee.

Up in Carrick Township, near Walkerton, farmers were plowing the land around new years. According to the Walkerton Herald-Times.

Mrs. John K. Brown, Victoria Street, is making fairly good recovery from a severe attack of pneumonia. She is able to sit up in bed, but is naturally very weak.

E. A. Grubin, R.O., Optometrist and Optician, will be at his office in Stouffville on Monday, February 1st. Monday only. Appointments may be made for Monday evening.

Mrs. Jacob Fockler has returned to town and will be at her home here for the remainder of the winter at least. Mr. and Mrs. Wm. Clarkson (east of town) are living with her. Mrs. Fockler is a most remarkable woman for her advanced years, she will be 94 her next birthday.

A Toronto man wishes to buy a 150 acre farm in this district, and is prepared to put up the cash. He would like a place with some bush and stream or pond thereon. Here is a chance for some farmer who wishes to unload a large acreage for cash. Conditions of buildings not a great consideration, for as the purchaser says, "they can be remade."

Again last Sunday evening as on previous Sundays this January the church attendance in Stouffville was definitely down. Heavy rain and ice storms around is the cause. Last Sunday night the streets were treacherous, and unsafe for elderly people with everything a glare of ice. All congregations suffered accordingly.

Not many of our citizens could boast of being employed in Wheeler's grist and saw mill, one of Stouffville's earliest industries, but we learned from Mr. Jos. McMullen that he was engaged there very active. Mr. McMullen is still a very active man although he was 84 years of age last October.

Oyster suppers are to be thought of in these modern times, but down in Markham village the district bailiff, Edw. Wurm, knocks all conventions aside and stages a sauerkraut party for the entertainment of his Toronto friends whom he invited. There's times when the bailiff is very unpopular, but it is said on this occasion everybody was ready to fall on his neck and kiss him. Edw. and sauerkraut were praised to the sky.

Next Tuesday evening's hockey match with Aurora in the local Arena promises to be the most interesting of the season. The Yonge Street aggregation are leading the league and are a fast lot, but the local kids have struck a winning stride, and mean to keep it. Aurora beat them in Aurora by only one goal. The ladies and public school children are admitted to these O.H.A. games without charge.

Mr. Telf. Rennie who has the contract for sanding the Main street through Stouffville and west as far as the County Road system extends beyond Ringwood, also north along the 8th concession to Baker Hill, has been doing an excellent job for his employers, the Toronto and York Road Commission. Never do we remember a winter with so much sand, and the need of so much sand, but the local contractor is always right on the job to make his section of the road reasonably safe for motor traffic. Indeed, pedestrians are glad to use it also while the sidewalks are a glare of ice.

Even bachelors should not get the idea that they can do as they like. Anyway we know one of them who, if he thought that, has now disabused his mind of the idea. Mr. Frank E. Rae was ordered by his doctor to lay off work for a week while he battled with a cold. Following the advice the tailor has been confined to his home for a week or more.

The following is a statement of the Committee in charge of the Village Santa Claus Fund:

Next Tuesday is Candlemas Day when the bears will come out to see if the winter is about over.

Little Marguerite Grubin was rushed to the hospital on Friday where she was operated on for appendicitis, but is now making good progress toward recovery. Only a few days previously, Lilyth, the next-eldest in the family, returned home from undergoing a similar operation in Toronto. The last few weeks have been a most anxious period for Mrs. Grubin, with two of her daughters undergoing surgical operations.

We hope that a goodly number of Stouffville residents will avail themselves of the chance to attend the Stouffville Old Boys and Girls' dinner to be held this Friday evening in the Walker House, Toronto. The organization is a great advertisement for Stouffville and business men should be interested in its success. Dinner will be served at 7 o'clock and tickets are available at Tribune Office. They should be procured at once when we will telephone in—your reservation to Miss Edna Hoover, secretary.

James Thomas Bain Malcolm, who conducted an insurance business at Markham Village for the past 20 years, died at his home on Friday following a long illness. He was a lifelong resident of Markham Township and village.

He is survived by his wife, two sons, Rev. W. J. Malcolm, Three Rivers, Michigan, and Rev. Charles A. Malcolm, Chatham, Ontario, and a daughter, Ann Malcolm, at home. He was a member of Markham Masonic Lodge, and a past grand steward of the Grand Lodge in Canada. He was also an ardent bowler and curler.

The funeral on Monday afternoon was conducted by the pastor of deceased, Rev. W. H. Fuller, Presbyterian minister, and the Masonic Lodge, Stouffville and other neighboring lodges were represented.

### ANNUAL MEETING POSTPONED BECAUSE OF BAD ROADS

The annual general meeting of the shareholders of the Bethesda & Stouffville Telephone Co., called for January 25, has been postponed to Monday, February 1st. The icy conditions of all roads, made it impossible for most people to venture out, thus the necessity for a change in the date of this meeting. It is predicted that the company which has been showing an annual deficit each year, has just completed the most successful year in the last five or more.

### SUNDAY SCHOOL OFFICERS RE-ELECTED

All the officers of the Markham Township Religious Educational Education Council were re-elected by acclamation for 1937, at the 68th annual convention, held at Victoria Square on Thursday.

Rev. J. L. Graham gave a very fine and informative address on the "Effect of the Depression on the Sunday School," at the morning session.

While the convention was in progress in the United Church building, Mrs. J. J. Eaton conducted a children's song and story hour during the afternoon, in the Community Hall.

Rev. A. Winger opened the evening service with prayer, and after the report of the nominating committee was heard, Rev. L. E. Atkinson conducted the installation.

"While the congregation was not so largely attended as usual due to the icy-condition of the roads, enthusiasm and interest ran high," said Mr. Ewart Stiver, secretary of the association.

The officers are:  
President—W. S. Winger  
1st Vice—G. L. Williamson  
2nd Vice—E. Avison  
Secretary-Treasurer—E. J. Stiver

## Presbyterians Hold 76th Annual Meeting

The seventy-fifth annual meeting of St. James Presbyterian Church, congregation Stouffville, showed the condition of the various organizations to be vigorous, and the church as a whole to be in good condition. The meeting was held in the church on Friday evening, at which a supper was enjoyed.

The church membership, the Session report showed, stands at 54. There was one death during the year in the passing of Mrs. Alex Mitchell.

Howard Harper also George Lee called on the Scribe last Thursday, while these two agents can not be classed as Knights of the Road, many a mile have they travelled on the road from the old home village to Toronto. Yes scribe, we are glad to see you at any time.

With Reeve James and Deputy Reeve Robt. Ashenurst on the Community Park Board, at Goodwood this year, things should be O.K. Sport fans would do well to use this park. Goodwood always was well up with football and is now in good standing with hockey. Let 1937 be a year to be remembered.

Toronto people were pleased to read of the membership to the Children's Aid Society, of our good friend Mrs. Kendall, wife of the well known Mr. Kendall, of Roseville. We have heard of the good deeds done by Mr. Kendall, and we can rest assured his good wife will be a model member of this well known society.

While the weather was very unsettled on Sunday last ice snow and rain, the Scribe was calling on sick friends and the last call was on our friend Mr. J. McCullough. On entering the home the writer was surprised to see him all set for his afternoon walk. After a little chat the scribe had the pleasure of accompanying Mr. McCullough and nurse. By the way, this young lady lived two years in Stouffville, Miss Tremaine no doubt will be well remembered.

We read in last issue of the former Methodist Parsonage, at Goodwood in 1887. Our memory goes back to this time when there stood Goodwood's most tiny residence. How many remember it? Yes it stood just opposite the centre of Mrs. S. Ottowell's property. We recall, some of the folk who lived there. Miss A. Woods and mother, also the late Malc. DeGeer. Yes, I was very small, and some of our old friends in Goodwood can tell you the size.

Attention Farmers! In the Classified Adv. Column of this paper you will notice gentleman wants to buy a farm. No its not the Correspondent who wants a farm, but a friend. If there are any farmers that have one like the adv calls for and can give lowest cash price and all details just get in touch or write the correspondent of Toronto-Flashes, and if it is what my friend is looking for, you will hear from the gentleman direct. Here's a chance to do business.

Century Baptist Church on McPherson Ave., sometimes called the Home of Goodwood, Uxbridge

and Claremont folk, held their annual meeting on Wednesday. Two interesting things happened. The renewing of the pastor's former salary (Before depression) also some 300 new hymn books presented as a memorial to Mr. Senior who died a couple of years ago. Visitors to this church at their services may be privileged to meet Mr. and Mrs. Graham formerly, our friends George Morganson, Miss O. Ottowell, Miss M. Lewis and others. Rev. C. Schutt was pastor here twenty-six years ago, having come from Goodwood and Uxbridge. (By W. Davey, & Stanton Ave)
