GREAT THRONG MOURNS FOR A YOUNG MOTHER

The local community was stirred with remorse and shock last Thursday morning, February 11, when it was learned that Mrs. Vincent Wagg had passed away during the night, at the farm home just north Stouffville. She was only, 33 years of age, and had been attending her home dulies as usual retiring under apparent normal conditions the evening before her death. About o'clock Thursday morning Mr. Wagg arose to commence the day, when he was horrified to find that his wife lay beside him stilled in death, hav ing passed peacefully in her sleep. She had been dead several hours. A daughter of Mr. David Staple-

ton, Mrs. Wagg was known to her intimate friends as Veola. Fourteen years ago she was employed at Porter's store and remained there for three years, and was naturally well known in town and district.

Eleven years ago she was married to Vincent Wagg, and to them three children were born, Margaret aged 9, Reta 8, and Dorothy 7, all of whom are left with the father and to whom the deepest sympathy is felt by everybody. Mrs. Wagg was a wonderful mother, every moment of ner time was busy, devoted to her home. On Monday afternoon prior to her death she was in town making purchases. Despite her great capacity to work and her love of from his home at Uphill, near duty, she was known to have a bad | Orillia, Mr. George Suter, slipped or heart condition, but it never forced a piece of ice and in the fall, receiv

Mr. Greer work a hardship on others read the scripture and sang a solo. might be dependent on him. In his address Rev. Mr. Morton pointed to the sad event over which all had gathered as a sure reminder of the brevity and uncertainty of life, and the need to be ever ready for the great call.

Pall bearers were Cecil Wagg Leo. Wagg. Foster and Austin Wagg, Wibert Snowball, and Howard Fockler.

Councillor Unseated

Leonard St. George, of Cache Bay, 30 miles west of North Bay was recently declared unseated be cause, having accepted the town's relief voucliers at his store, he had a financial claim against the muni cipality.

Judge J.A.S. Plouffe of Nipissing district, handed down the decision believed first of its kind in Ontario. 'Action to unseat the 89-year-old mayor elected in early January, was instituted by John E. Jessup, de-

feated candidate. The judgment said in part: further find that it was the intention of the legislature that merchants having claims for relief could not qualify as mayors, reeves or councillors because it is possible that, being members of a municipa body, their personal interests might conflict with their public duties."

No costs were allowed Jessup who also claimed in his action that St. George's business tax for 1936. amounting to \$12.30, had not been paid prior to the nomination meeting. Judge Plouffe decided on the ovidence submitted that the business tax was paid in time.

COOK LEAVING FOR SYRACUSE

Earl Cook, Lemonville's gift to organized ball who has spent most of his diamond career with the Leafs will not be back with the Toronto club this spring. The word came out. of. Cincinnati that the husky right-hander has been ordered to Syracuse where he, will perform

with the Chiefs next season .. "Cookie's" departure was unexpected. He hasn't been exact what he hoped to be in the several summers that he has toiled in Toronto toggery and a change scenery may work wonders in hi ease. In any event that is the view entertained by Daniel Howley, who believes that Cook has the makings of a great pitcher. His inability to win consstently for Toronto Dan is inclined to attribute to the fact that he was overly anxious.

Cook's best season was in 193 when he won eleven games. and on he has been four years with the Leafs, the last two summers on loan from the . Cincinnati club by whom he was recalled last fall.

Earl expects to leave any day now on short notice for the South.

As it is, the visit will be ers, and the crowd that kept coming be short. His doctor expects that i was unable to gain admittance to will-be three months before he will be able to walk again. Fortunately Rev. E. Morton conducted the for Mr. Suter he is not a married man, and his being detained much

MORGAN BAKER PROMISES SUPPORT FOR MILK SHIPPERS

Approximately- 150, milk shippers assembled in the Township Hall, at Unionville last Wednesday, to discuss various problems pertaining to the milk situation.

Before any discussion arose Morgan Baker, M.L.A., spoke a few words on behalf of the Legislature. Mr. Baker stated that he could well understand, the situation the farmers are in at the present time and promised to do all within his power to help better the situation. He also explained to the meeting that the greatest detriment to the milk shipper has been the high price of feeds and the low price of pork and beef, with the result, that those in these markets have switched over to dairying and have flooded the milk

Another guest speaker was Mr. Tandy, president of the Tandy Advertising Agency. Mr. Tandy clearly explained the advantages of advertising by quoting the increase of sales in other industries. He also stated, the most prominent place for an increase in consumption, would be that of lunch rooms that are patronized by college students and office. employees.

Interesting information given by Erle Kitchen and Jos. Darlington, members of the Toronto executive and by Mr. Coleman auditor for the Association.

There may be some readers inter ested to know of a new agreement which was recently brought about by the Association in regards to those dairies that were buying milk on a quota system and were also continuing the hold back system.

This new agreement says: - "Any dairies buying on a quota system and also using the hold back system will not be permitted to take the 15 per cent at low price as other dairies, but must pay full price for the entire quota."

A few have been having difficulty Young People's Union on Tuesday with their dairies over delayed milk night. The topic "Women Characters cheques, buying agreements, etc. It would be adviseable for those to get of the Bible," was taken by Mrs. in touch with some one on the local Hicks. Everyone enjoyed a social executive and they will do their half-hour after the meeting. very best to assist you, or better still - The boys of Newmarket Short to come to one of the local executive Course, visited the farm of J. C. meetings and explain their difficulthe morning judging sheep. At noon

Whitchurch Revives Wire Fence Bonusing

Relief Claims, Council Decides at February Meeting

The Township of Whitchurch has returned to the system to wire fence at the beginning of the depression. lor Herman Kidd were members of the council at the time the bonus system was done away with but when it was revived today, the resodution passed with little or no opposition.

council at the regular meeting on Saturday, and said that he had hoped to be backed up by a goodly-number of other farmers to urge that wire fence bonus be resumed. M Hall claimed that where land properly cleaned the wire fence was an aid to winter roads.

Councillor Kidd introduced the resolution to restore the bonus at 30c per rod, but the condition payment will be more guarded than heretofore when it was merely necesary to erect a wire fence and collect the bonus. It is provided by the new resolution: "that council-pay a bonus of 30 cents per rod for standard wire fencing erected in the township on any road where the council deems such fence would be a benefit to the road All applications for such bonus must be made to the council before the proposed fence is erected."

A request from the Bell Tele phone Co. to have the township pass a bylaw regulating the placing, changing, and removal of poles for their lines was rejected. Certain features of the bylaw were objectionable to the council, and was decided to have the reeve and road superintendent act as a committee in connection with any of these matters arising between municipality and the company.

township will be administered through the Constables : Constable Williamson will have charge of the area from the 5th concession Yonge street, and Constable Windsor from the 5th concession to the east townline. They will each be paid \$75 per year for their services with no allowance for travelling expenses. Clerk John Crawford will be required under the new arrangewill be paid \$25 for his services.

WEDDED 37 YEARS

On Thursday, February 11, Mr and Mrs. Wesley Johnson were "at home" to their friends and relatives at their farm on the 6th concession of-Markham just north of. Unionville. It was the occasion of their 35th wedding anniversary, and both the "bride and groom" were in happy mood and enjoyed the good fellowship. Mr. and Mrs. Johnson have spent all their married life in the district where they now reside, and are highly esteemed by many friends and neighbors.

They have four children, Blake the eldest, and Gordon the youngest. Lorne and Lorna (Mrs. Walker) are Brodie on Tuesday, where they spent twins.

In addition to members of their immediate family, mumerous relatives called during the day. From Stouffville: Mr. and Mrs. W. Greenbury, and Mr. and Mrs. Willis Wideman and family. Mrs. Gourlay of Markdale, sister of Mrs. Johnson was among the guests.

ONTARIO COUNTY APPROVES CORNER AT LINCOLNVILLE

The Road Commission of Ontario County Council approve the blue print plan for cutting the Lincolnville corner as drafted by the York County Engineer only recently. The Ontario County committee's report is as follows:-

The committee made representation to the County of York re-the cutting of corners on the connecting link between the road systems of the County of York and the County Uxbridge to Stouffville road, at the Relief for the month of January Uxbridge - Whitchurch townline aped \$489.37, a decided drop from a the Village of Stouffville.
