

YOUNG CYCLIST IS INSTANTLY KILLED IN CRASH WITH AUTO

Returning from the wedding of a friend in Toronto on Saturday night Ken Patterson, employee at Widdifield's garage here, struck Norman Petty of Cherrywood, riding a bicycle along the 8th concession of Markham, right at Alvin S. Wideman's gate, the lad meeting almost instant death. His mutilated body was carried some 75 feet to the ditch. Jack Sanders, riding in the seat with Patterson, rushed to the assistance of the ill-fated lad but the boy died in Jack's arms. The body was removed to Clendening's undertaking parlors in Markham, and an inquest will be held on Thursday evening. Dr. Dales of Newmarket, coroner, has ordered.

The youthful victim, only 15 years old, had been in Stouffville during the evening along with his cousin Arthur Petty, the lads being accustomed to ride their bicycles here weekly. Returning on the fateful night about 11.30 they were riding abreast at either side of the road. When Patterson's car came along, Norman, on the wrong side of the road, attempted to take up a position behind Arthur, according to information of the police. It was when crossing to do this that the terrific impact occurred. Patterson's car skidded nearly 300 feet, and was brought to a stop on the road. The impact drove the radiator of the car back and partially tore the roof.

The driver of the car told police he did not see the youth until it was too late to avert an accident. Arthur Petty is reported to have stated that he believed Norman had miscalculated the speed of the on-

coming car. Other occupants of the car were Mr. and Mrs. Ed. Smith of Kirkland Lake. The party had been attending the wedding of Mr. George Smith in Toronto, brother of Ed. Smith, and sons of Mrs. Dorothy Smith, O'Brien Ave.

The local constable, H. Quibell was first on the scene with Constable Walker of Markham. Later Alex. Ferguson and Howard Jackson, provincial officers, arrived. A tremendous crowd of people gathered, and there was serious difficulty in slowing down the traffic coming from the north, some cars travelling at a rate of 70 miles an hour.

After preliminary investigation, Patterson was placed under arrest charged with manslaughter. He was freed on Sunday morning when Harold Sanders, acting for the crown, agreed to accept \$2,000 bail for the appearance of Patterson in court on Monday. Bail was issued by A. V. Nolan, J.P., at Langstaff, and W. E. Morden of Stouffville put up the necessary bond. Patterson, who was in a weakened condition, was taken to the home of his parents in Agincourt.

In court on Monday the same bail was accepted for another week when the case will be called.

Dr. Dales, coroner, has ordered an inquest, which will be held on Thursday evening, at 8 o'clock (d.s.t.) in the town hall Markham village. The jury empanelled is: James Rennie, Chas. Hooper, Ab. Summersfield, F. S. Pollard, Wesley Gohn, Milton Findlay, O. B. Hisey, Peter Stewart, Wm. Maxwell, A. G. Wood, George Wilson, Chas. Todd.

HOOVER FAMILIES UNITE HERE SAT.

Next Saturday, July 24, will be a big day in Stouffville for the Hoover Clan, which will gather on that occasion at Memorial Park from all parts of Ontario and from the United States where there is quite a following.

Some five hundred invitations have been issued to families and individuals, but if you are in any way connected with the Hoover "tree" and did not get a notice, come along without an invitation. It's hard to get them all on the mailing list, says Miss Marjory Mertens, the energetic secretary.

An elaborate spread will be laid before the gathering at noon hour, and everybody connected is invited to bring along a basket. In addition we understand civic officials have been accorded a special invitation to dine, and this includes the park officials.

The weather has been very "catchy" the past week, but that need make no difference whatever to this historic assembly. There is wonderful accommodation to be found in the Arena on the grounds if weather is not favorable for outside activities.

Life Membership Is Presented

In recognition of long and faithful service in mission work, especially with the Mary Haig Band, the Woman's Missionary Society formally presented Mrs. Nathan Forsyth with a life membership in their organization. The presentation was made at a well attended meeting which was primarily intended to be a picnic in Memorial park. Owing to inclement weather the affair was transferred to the school room of the church. Mrs. James Mowat, in a witty, well chosen address, acquainted Mrs. Forsyth with the honor being bestowed, and the recipient made a suitable and fitting reply.

Another feature of the meeting was an address by Miss Mitchell, travelling secretary for the Dominion Board throughout Canada.

Mrs. Geo. Thomas presided over the meeting.

Conservatives Of North York Name McKenzie Candidate

Germ of Dictator

Newmarket, July 19 — Major Alexander McKenzie, former Reeve of Woodbridge, was nominated Conservative candidate for the North York provincial riding, defeating Dr. C. R. Boulding, mayor of Aurora, only when a second ballot was taken at the convention held here on Saturday.

Of five candidates nominated, Clifford Case was the only one to refuse. He stated he would seek nomination at the next convention for the federal riding. Dr. S. J. Boyd, mayor of Newmarket, and T. A. Hulse, barrister, were also nominated. Dr. Boyd and Mr. Hulse withdrew when they found they were behind their two remaining opponents, after the first ballot was taken. Each ballot received 276 votes.

With the Liberal federal government and other leaders of public thought throughout the world endorsing the free-association policy of the Ontario Conservative party, it would seem that everyone is out of step but Mr. Hepburn, who has surrounded himself with splendid isolation. Hon. Earl Rowe, Ontario Conservative chieftain, told the convention here to-day.

"He has isolated himself to such an extent that he cannot get an endorsement from his own party, nor the backing of any member, Liberal or Conservative, of the House of Commons, at Ottawa," he asserted, charging that Mr. Hepburn has become infected with "the germ of dictatorship," and this was becoming more evident every day.

The speaker described the present liquor policy of the Hepburn government as "sales at any cost," and one of "high pressure salesmanship." "The consumption of liquor has increased, an increase which is due entirely to the frantic desire of the government to raise money at any cost. The machinery set up has been utilized in no small measure as an outlet for political patronage."

He was born near Greenwood, Ontario, Sept. 16, 1862, but had been living in Los Angeles and Laguna Beach for 23 years. He was the eldest son of the late John E. and Caroline Gee of Pickering. Surviving are his wife, a son Harold, of Toronto, and a daughter, Edith, of Los Angeles.

ABSOLVE DRIVER IN LAD'S DEATH

Coroner's Jury Affiches No Blame to Motorist in Fatal Crash

A coroner's jury, investigating into the death of Alex. Williamson, 15, of Victoria Square, absolved W. E. Matthews, of 150 Brookside Ave., Toronto, driver of the car, at an inquest held in Richmond Hill on Friday night.

The lad was an Entrance Pupil of Miss Erma Holden teacher of Victoria Square school.

Evidence showed that Williamson had been riding his bicycle north on the Yonge street highway when he was struck by the trailer of a car driven by Matthews. Witnesses testified that the driver of the car was unable to avoid hitting the youth.

Provincial Traffic Officer Howard Jackman, of Richmond Hill, told the jury that the youth was riding on the shoulder of the road behind his two brothers, who were also riding bicycles. The lad had turned off the pavement to catch up with his brothers when his bicycle skidded in the loose gravel, throwing him about 12 feet out on the road, the officer declared.

The officer pointed out that the youth landed under the wheels of the trailer. He died before he arrived at the office of Dr. Ralph Langstaff.

Coroner Dr. J. P. Wilson, of Richmond Hill, conducted the inquest Harold Sanders represented the Crown. Evidence was given by County Constable Barraclough.

FALL FROM HAY LOAD NEAR FATAL

Falling from a load of hay standing in the barn on the farm of Mr. Leland Johnson, townline, east of Stouffville, Edwin Forsyth, narrowly escaped death, when he alighted on his back and shoulders. He was picked up in a partially paralyzed condition, and was rendered first aid by the local physicians and then removed to the Toronto General Hospital, where his condition is reported as more favorable.

Edwin was handling the sling ropes when in some manner he lost his balance and fell to the hay mow, which would have been expected to ease the fall, as he rolled to the barn floor. Strange to say the manner of the fall proved very serious, and for a time life was despaired of when it was feared his back or neck was broken. Further examination at the hospital indicated that the outcome was not quite so serious, although very critical.

MAIL ROUTE EXTENDS SERVICE

The rural mail route serving the 7th and 8th concessions of Markham from Markham Village, has been extended north to the townline of Whitechurch returning by the 7th. While the townline is already served by the route (No. 4) from Stouffville, the latest extension from Markham will serve two and a half miles on the two concession lines, and will add a dozen more box holders. Heretofore the courier from Markham came north to the Dickson Hill sideroad and across to the 7th concession. Persons north of the sideroad had been getting their mail at Ringwood or had a box placed a half mile from home to catch one of the nearby routes. They will now be served at their own farm entrances.

A LARGE GATHERING HONOURS VETERAN SCHOOLMASTER

Several hundred gathered in Robert Ratcliff's Park last Saturday afternoon to honour their veteran schoolmaster, Mr. Isaac Pike, at the second Old Boys and Girls of Bethesda Re-union. Those present who were among his original pupils were: — Ezra Clubine, Abram Steckley, and C. J. Brodie, all of Stouffville; Fred Meyers of Detroit, Sarah Catharine Steckley Magill of Glencairn, Mary Steckley of Toronto, and David Pretty of Newmarket.

During the evening a program was given, with Rev. Levi Atkinson acting as Chairman. Two old hymns were sung under the leadership of Charlie Atkinson. A resume of the 1936 re-union was read by Janet Brodie. Three quartettes rendered numbers, the Gormley, Atkinson and Ratcliff groups. "That old sweetheart of mine" was given as a reading by Mrs. Roy Grove; while Anna Steckley Coleman recited "Two Builders," as a tribute to Mr. Pike.

Silent tribute was paid to those who had passed away since the 1936 re-union, among these being Selena Steckley Hoover, Mr. and Mrs. Sam. P. Footo, Mrs. Byron Ratcliff, and Hartman Meyer. Jess Cook sang "I Often Wonder." C. J. Brodie reviewed some of the teachings of Mr. Pike, and the early days of the Bethesda school, and presented to Mr. Pike, for himself and Mrs. Pike a travelling case of leather in which was inscribed "Presented to Mr. and Mrs. I. Pike, July 17th, 1937," on behalf of those present. A gift of money was made with the case, as well as the register of names of those present at the reunion. Owing to illness in the family, Mrs. Pike was unable to remain for the program and presentation.

In reply, Mr. Pike spoke of the place Bethesda had always held in his affections, and said he would never want to leave it for any other place. He told of the outlook which was somewhat discouraging when he first came to Bethesda School, but here and there he saw bright, shining eyes that bespoke intelligence, and gave him heart; and of seeing the possibilities he sensed in the pupils later became a realization.

Rev. Mr. Shantz of Gormley spoke of the joy it gave him to be associated with Mr. Pike as a brother minister in the Mennonite Church, and complimented Mr.

Pike on his influence on the lives and habits of his pupils in the day-school and in the Sunday School. Rev. John McEwen of Melville, Peaches, and Bethesda Churches, told of the warm friendship he felt for Mr. Pike, and said he had come from a community where there was a man of similar experience to Mr. Pike's, having taught for 50 years in the public school, as well as being an ardent Sunday School worker.

Rita Chapman gave an appropriate reading. Mr. Pike's eldest son, Abram of Toronto, spoke from the standpoint of the teacher's son. It had its joys and its embarrassments—being the recipient of the stick both at school and at home. He told of what he thought was the secret of successful living, and which at the same time seemed to him to be the outstanding trait in his father's life—faithfulness. His father, he said, had no brilliant talents, but he used the ones he was given in faithful service. Abram said his parents' home was still to him the home where he liked to be, and where peace could be found.

The Chairman called on the President, John C. Steckley of Brantford, who discussed the question of further re-unions. A motion was carried empowering the present re-union Committee, together with Egerton Clubine, Lottie Atkinson, Abram Pike, Ida Footo Leary and Art Brodie, to select a committee to plan the next re-union.

Forbes - Toole

A lovely summer wedding was solemnized on Saturday afternoon, July 10, 1937, at the home of the bride's parents, Bogartown, when Marjorie Alina, only daughter of Mr. and Mrs. Charles Toole, and sister of C. E. Toole Whitechurch Township Reeve, became the bride of Alan Douglas Forbes, son of Mr. and Mrs. James Forbes of Ingersoll.

An arch of roses and background of delphinium and baby's breath spanned the porch and formed a fitting setting for the ceremony, which was performed by Rev. Dr. D. McIntyre of Newmarket. Mrs. A. M. Colville played the march, and during the signing of the register Miss Marjorie Forbes, sister of the groom sang, "Because."

The bride, given in marriage by her father, was very lovely in a gown of rose lace, moulded on princess lines and falling into a circular train. She wore a coronet of pearls and carried a shower bouquet of Butterfly roses, delphinium and gypsophelia.

The bride's mother received in a gown of navy sheer crepe, with corsage of deep crimson roses. The groom's mother receiving with her, wore black flowered chiffon.

The guests, following the ceremony, adjourned to the diningroom where the wedding supper was served.

The little niece of the bride, Eria Toole, wore a frock of pale blue frilled organdy, and her small nephew, Stuart Toole, a page's suit of sky blue satin.

Later the bride and groom left for a motor trip, the bride wearing a smart turquoise blue tailored suit with white accessories. On their return Mr. and Mrs. Forbes will live in Newmarket.
