BE STRUCK AT SPECIAL COUNCIL SESSION

Whitchurch Council Held Its Regular August Meeting On Saturday

Much business to be transacted by Whitchurch Council at the regular meeting last Saturday had to be laid over for a special meeting, owing to lack of time. As a consequence the tax rate was not struck but will he dealt with this week when the council meet again.

Chief Constable Martindale, newly appointed to office by the Warden and County Commissioners, wrote to advise the council that there was no change in policy whereby the township could do without their own police protection. However, the Chief Constable said that the new force stood ready to assist local plied by Mr. Byer. police at all times.

A resolution was passed, moved WIDOW and seconded by Deputy Reeve Cook and Councillor George Leary, giving the Toronto & York Road Commission power to enter on lands purchased by the township of Whitchurch for widening the fourth concession.

Road accounts totalled around \$2500. The expenditure was spread over many beats and included the full allowance made various beats for the year.

Messrs. Fred March, Russel Gray and W. A. McDonald were paid \$2 each, for services as fence viewers for their award re line fence between lots 15 and 16. plan 166, Yonge street.

A bylaw to put into force the fire area adjacent to Aurora was passed -The charge will be \$40 for the first hour and \$20 per hour there after will be assessed annually to the area outlined. If the venture proves too costly, or for any other reason is not satisfactory, the bylaw may be revoked.

Reeve Toole presided over the meeting and the following general accounts were passed:

General Accounts Dr. Carruthers, services \$5: Dr. Devins, services, \$5; B. &. S. Teiephone Co. \$18.14; Hydro lighting, \$2.52; Department of Health Mrs. Ralph Allin and Mrs. Edgar Rose, \$2.10; Stouffville Tribune, \$29.70; Jno. Crawford, postage, etc. \$16.25 Mrs. Thosk Kirk, \$9.00; Judges Court, \$10.00; George Windsor. \$1.25; Jno. Williams, constable. \$93; Robt. Windsor, Constable, \$79; Hospitalization, \$84.17; Frank Widdifield, 8 trips collecting garbage, \$48.00; County Office Supply Co. \$83.38.

SHORT HONEY CROP

It will be a surprise to some people to learn that the honey crop this season will be one of the smallest in years in this part of Ontario, and only about half the size of last year's crop. Mr. J. L. Byer, one of the largest producers in Ontario, insold out this week. Realizing the shortage, one firm in Toronto placed a large order and six tons were shipped to them this week by Mr. Byer. Our local honey man is advis-

Was Semi-Invalid For The Past Fifteen Years

Mrs. Louise E. Lennox, widow of Colonel T. Herbert Lennox, well known in political circles in North York, died Sunday at her summer home at Jackson's Point.

Fifteen years ago Mrs. Lennox suffered a stroke and since that time has been a semi-invalid. Her Toronto residence was at the St. Edmund's Apartments, 7 Edmund avenue, but it was her habit spend the summers from June until September at the "Bungalow," the summer home established by the late Colonel Lennox at Jackson's Point

Mrs. Lennox. during, her husband's lifetime, displayed keenest interest in his political campaigns. Recently she was honored by the Ladies' Conservative Association of North York, when she was made honorary president. She was an Anglican and before stricken with illness, was a devoted church worker. Mrs. Lennox had endeared herself to the entire community of Aurora, where she and Colonel Lennox lived before the outbreak of the Great War.

Formerly Louise E. Meeking, she was born near Barrie and was in her sixty-ninth year. Colonel Lennox died about three years ago. Mrs. Lennox had one son, William Sydney, who was killed in a motor accident five years ago.

DEATH COMES AS SUDDEN SHOCK

In the passing of Fanny Grove, beloved wife of Elias Lehman, at her home in Stouffville, on Wednesday evening of last week, August 11. 1937, a great shock was sustained by friends and relatives. Mrs. Lehman had been in delicate health for some time but only recently seemed somewhat improved. On the evening of her death she had eaten supper, and during the evening walked out a little. A weak spell came over her about nine o'clock, and she passed away with her life partner at her side, and before he could summon any help. Mrs. Lehman was 78 years of age.

The demise of Mrs. Lehman takes one back in memory to the old cheese making days at Ringwood, for her father conducted the factory there although he farmer for many years too. She was married in 1880 to Elias Lehman and the couple farmed on the 7th of Markham, but mise there only remains one other, 35 years ago moved to Stouffville Mr. W. A. Quantz of Stouffville, Mr. where they since resided. She is the Pryne's untiring labours and delast of the first family born to the votion to the establishment of the late Abram B. Grove, and is survived by her husband also one son Ab. the transport man of Stouffville, and one daughter Mrs. C. H. Dawson, of Toronto. Three sons and three daughters of the late A.B. Grove also survive their half-sister, they being Miss Ada Grove on the old homestead, Mrs. Wm. Hare and Mrs. George Gower, also Isaac, Jacob and Abraham Grove.

The funeral on Friday afternoon was largely attended, interment being made at the Wideman cemetery, following service in the church there. Many beautiful floral offerings at which the deceased was held. She was a devout christian woman, and of recent years attended Christian church in Stouffville.

TO THE ACRE

Robt. Medd, one of our Stouffville farmers went into fall wheat with a fairly good acreage for this district last fall by putting in 21 acres on his farm in Markham. He threshed last week and the crop turned out mearly 60 bushels to the acre. There were 1200 bushels of grain, and according to Frank Stiver the sample was excellent.

This is an unusually large acreage for one of our farmers to sow to fall wheat, but Mr. Medd is a shrewd farmer, who certainly did well this time.

Fall wheat is selling to the local elevators at around \$1.08 a bushel. The opening sales of the season were as high as \$1.15. The range has been down to \$1.05. Current Crop Report

The yield of fall wheat in Ontario is estimated at 26 7 bushels to the acre, which is a good average, but considerably below hat enticipated some weeks ago due to black rust in Essex and Kent counties and red rust in local sections, as well as considerable light and shrunken grain caused by lodging and too rapid maturity. Cutting of spring grains is about completed in Western Ontario and has been general in Eastern Ontario. Although seeding was extremely late this season, plentiful supplies of moisture brought the crops along very rapidly and in Old Ontario yields will range from average to above average for barley, . mixed grains and the main crop of oats. Very warm, dry weather in late July and early in August caused late oats to ripen prematurely and rust which is prevalent in Central and Eastern Ontaric will lower the yield considerably. In Northern Ontario growth of spring grains, was retarded by drought from seeding time to July 10th. Since then, however. frequent heavy rains have been received throughout Northern Ontario and a near average crop of spring grains may be harvested. Fodder corn is about an average crop in most of the province except parts of Southwestern Ontario where fields were damaged by too much moisture

The early potato crop has been harvested and the second early crop is beginning to move. The yield is good in Southwestern Ontario, but disappointing in the Central portion house next "Lord's Day." of the province, in many cases not over 75 bags to the acre.

In Memoriam dear son and brother Clayton Topper, To aid in selecting the Upper AH. 1, A. 2, Ch. 1, LA. 2, LC. C. Saturday, August 21st. There will who passed away 3 years ago, Aug.

That the smile holds all the while. We who loved you, sadly miss you As it dawns anoter year;

Thoughts of you are always near. Always remembered by: Mother, Father, Brother, Sister London, Ontario.

EBENEZER PRYNE DEAD

A native of Musselman's Lake and Churchill, Ebenezer Pryne died at Pontiae, Mich., on Saturday last, following a few years' of declining health. He was in his 89th year. Although a resident of the United States for quite a few years the late Mr. Pryne was a frequent visitor to his native section, and he will ever be remembered as a christian gentleman with a high standard of morals and christian living. Mr. Pryne survived by one sister Mrs. Thomrson of Mount Albert, and one halfsister, Mrs. Hogg of Toronto, also by two half-brothers, Allen Pryne of Toronto, and Ai Pryne of Stouffville.

The late Ebenezer Pryne was a charter member of the Churchill Christian church, and with his dcearly church there had much to do with its success.

Burial took place at Pontiac on Monday.

EXPECT LOWER POTATO PRICES

Recent rains have so improved the | \$80.12. potato crop . that any prospect of high-priced "spuds" has been removed, unless something unforeseen arises. Quotations are 85 to 95 cents a bag, and will likely come down:

There are approximately 54,000 acres under potato crop in Ontario, Goodwood they had blocked the tested to the love and esteem in and yield per acre will average about 120 bushels. In some districts as much as 450 bushels to the acre are grown, but in others the yield is small and of poor quality.

BLOOMINGTON

Miss Luella Paisley is camping on eorgian Bay. Miss Laura Hill is visiting her

brother in Peterboro. Mrs. Storry and Mrs. Tranmer were in Toronto Monday. The Ladies' Aid held their meeting at the home of Mrs. Bruce

The fall wheat has been threshed, the yield about here being 35 bushels to the acre.

Mr. and Mrs. Harry Hutchinson and daughter of Aurora were here visiting his father over Sunday.

Charter Member of TAX RATE POINTS SLIGHTLY DOWN

IN UXBRIDGE TOWNSHIP

The general tax rate for Uxbridge township was struck on Saturday at 5 1/2 mills, with the school rate at 5.07 and the county rate 12.21. The township rate is down a half mill while the county rate is advanced a little more than half a mill. The general school rate is a fraction lower so that the next result is a little lower taxes on the whole, but only slightly down, owing to the in-

creased county tax. Reeve Isaac James presided at the regular meeting held in Goodwood. The Bell Telephone Co. asked council to reconsider a bylaw presented to them a year ago providing for the removal of telephone lines from the highways, the township to pay \$200 toward the cost.

The Provincial Auditor having Audited the Township Accounts in the month of June, his report was placed before the council showing the township accounts to be in good shape, and also stating the records of this township are well kept.

Miss E. A. McKay, County Treas. sent in the following Hospital accounts: St. Michales Hospital Toronto, re - Leslie Noble \$36.75. Briarbush Hospital, Stouffville, John McDonald \$21.00. Toronto General, Sheldon Wilson, \$14. Ontario Training School for boys, Elmer Lee \$88.50. Total of \$160.25, one half Uxbridge Township payable by

North Ontario Plowman's Association requested and received a grant of \$25.00.

Walter Heys complained of water running off the road onto his property. Mr. C. Jones also complaining that in building the sidewalk in light from his cellar windows, and also a tile placed in walk would

drain water onto his property. On motion of Messrs Beach and Ashenhurst a by-law was given its first and second reading to make provision for conveying a portion of the original road allowance opp. lots 11-12-7th concession in return for a road around a hill at said place.
