VOL. XLVII No. 17

THE STOUFFVILLE ROAD IS NOW A PROVINCIAL HIGHWAY

Department of Highways Puts Jupp Construction Co. to Work Tuesday on Two Miles of Tarvia Top South and East of Uxbridge Town.

Governments have a reputation of moving slowly, but the speed with which the Hepburn government moved last week when they took over the Stouffville road and designated it a provincial highway, is something of a record-breaker. Not only did they take over the Stouffville road from a point south of Greenbank and east of Uxbridge town right through to Lincolnville, but work started this Tuesday morning on laying two miles of tarvia top east and south of Uxbridge and a mile and a half from Goodwood east to beyond the 4th con. — It all happened when the member for Muskoka-Ontario Kelly, visited Queen's Park and interviewed the Department of Highways. Almost before the member reached his home again in the north necessary orders were issued for taking over of the road, and on Monday material was being placed on the job in preparation for the new top. Jupp & Co. are the contractors.

In view of the road to Lincolnville through Uxbridge becoming a highway the York County Commission will be forced to act quickly in connection with topping the 10th concession as added traffic will be thrown on the 10th which is now in very bad condition.

In reference to the M.P.P.'s successful attempt to have this road taken over the Uxbridge Times last week said:

Working with the local Liberal organization, Mr. J. Frank Kelly, M.P.P. for Muskoka-Ontario interviewed the Department of Highways on Tuesday last in the matter of a road connection with the result that the Minister has recommended to the Government the advisability of immediately taking over the road from Stouffville to Goodwood and Uxbridge across the 10th concession of Reach to Highway No. 12, and proceeding to hard surface the same at once.

The road question has been a sore spot in the minds of the residents of Uxbridge and Township for some years and Mr. Kelly who has had that in mind ever since his election is now able to report that he has at last interested the Government to the extent that they have decided to take immediate action.

This will fill a long felt want in the matter of roads in and out of Uxbridge and the thanks of the people of Uxbridge and district will be extended to Mr. Kelly for his interest and attention to the matter.

GUNMEN MUST WEAR BUTTONS

That any local nimrod going into a neighboring swamp or woods to hunt for the elusive rabbit or other game without a button setting forth his gun license number prominently displayed on his person will be liable to prosecution as well as running the risk of having his shooting iron confiscated by the police.

The new regulation is a good one in that it precludes the necessity of an officer interrogating every hunter he meets as to whether he holds a license to hunt or whether he is merely a poacher on the premises.

Gun licenses are to be issued to resident hunters at \$1 per year. The American hunters the fee is \$40, whereas foreigners, or persons under 16 years of age, are strictly forbidden to carry firearms of any kind, in Ontario.

So a hunter carrying a gun in Ontario after Sept. 1st has, like a dog wearing a tag, got to keep his numbered button on display to avoid running foul of the law.

The Durnin horse of Stouffville won three straight heats at the Canadian National Exhibition this week, thereby adding another win to the long list of outstanding events in which this horse has shown great speed this summer.

CORN 14FT. HIGH

Phenomenal growth is to be seen in many of the corn fields about Stouffville, and as concrete evidence of its height we have in The Tribune Office a stock measuring 14 feet long grown on the farm of Ross Hood just north of the village in Whitechurch. It is of the Early Eureka variety and the whole field is like a young forest running more than 12 feet. No doubt there are other corn fields looking like that on the Hood farm where it would be almost necessary to use a step ladder if you wanted to examine the cobs.

SCHOOL RE-OPENS

No Paralysis in The District

After delaying the opening of Stouffville school last week which proved a good thing owing to the intense heat, the Board of Health—in special session this week decided to have the schools reopen on Tuesday morning which they did with large attendance. There is no paralysis in the Stouffville school section and the general health of the neighborhood is viewed as excellent. The attendance in the Continuation School opened with 104 enrolled, Mr. L. C. Murphy principal, announce.

The attendance in public school is down five or six in each room, but this is nearly always the case during the first week of school.

All schools in Whitechurch Township have reopened, and this met with the approval of the Whitechurch Board of Health which held a special meeting Monday evening at Vandorf. Trustees were empowered to close any school, however, should the attendance fall below 50 per cent of average due to fear on the part of parents.

The Markham Twp. M.O.H. closed Township Schools indefinitely. Only one case of paralysis has been reported in the whole township.

MARRIAGES

CARPENTER—SANDERS

Mr. and Mrs. J. Blake Sanders announce the marriage at Beaverton, on May 22nd, of their only daughter Ethel Louella to Cecil Edward, younger son of Mr. and Mrs. Edward Carpenter, Sutton West, Ont.

MILLER—PRESTON

The marriage was solemnized at Aurora on Monday, Aug. 30th, by the Rev. G. O. Lightbourne, of Jessie Winifred, daughter of Mr. and Mrs. Edward Miller of Aurora, and Walter Garnet Preston, son of Mr. and Mrs. Harry Preston of Whitechurch. The bride was given in marriage by her father, Miss Gladys Walker of Toronto, cousin of the bride, acted as bridesmaid and Mr. Earl Miller was groomsmen.

Following the ceremony, a reception was held on the lawn of the bride's summer home. Mr. and Mrs. Preston left by motor for a trip through Northern Ontario. On their return they will reside in Aurora.

HONEYMOONERS TRAVEL BY AIR

Eva Christina York Weds William G. Sedore at Mennonite Parsonage

A very quiet wedding was solemnized at the Mennonite parsonage, Stouffville, when Eva Christina, third daughter of Mr. and Mrs. Amos York, Brown Hill, became the bride of William Gordon, only son of Mr. and Mrs. Joel Sedore, Lemonville.

The bride was becomingly gowned in flowered sheer with matching accessories. The bridesmaid, Miss Doris Lillian Sedore, sister of the groom, wore shell pink sheer, with matching accessories. Mr. Charles Byron Green acted as best man.

A very dainty luncheon was served at the bride's parents home, after which the happy couple left for an aeroplane trip to Detroit, Mich., and points west. They will reside at Lemonville.

ENGAGEMENTS

Mr. and Mrs. Alonzo Allen, Stouffville, announce the engagement of their only daughter Reva Blanco to Mr. Allen Hoover of Malvern, Ont. eldest son of Mr. and Mrs. Jacob Hoover, Stouffville, the marriage to take place Sept. 25.

MANY ATTEND FORSYTH FUNERAL

After putting up a valiant fight for six weeks Edwin A. Forsyth one of our highly esteemed farmers passed away at the Toronto General Hospital on Monday, August 30. Mr. Forsyth suffered from a broken vertebra which left the lower part of his body paralyzed. It was realized from the first that his condition from what would seem a simple fall off a load of hay was critical, but as he bore up so bravely, and at times appeared to improve, hopes were entertained for his recovery. In fact he was to have been brought home from the hospital the week he died. However he took a sudden turn for the worse and sank rapidly in a few days. He was in his 54th year.

Edwin was born on the farm where he spent all his life just east of Stouffville, he being a son of the late Vanburen Forsyth and his wife Lydia Barkey, members of pioneer families in this district. Edwin married Cora Spang who survives him with an only daughter, Margaret a recent high school graduate. Two sisters also survive him, being Mrs. Clayton Stouffer and Mrs. Roland Winn. His surviving brothers are Levi Forsyth and Grenville, the latter living in Chicago. Deceased was a member of the Stouffville United Church, and was a successful and highly respected farmer.

As a mark of his great popularity and of the sorrow the family are called on to bear, the funeral on Thursday last was one of the largest seen in the district for some time. Interment was made in Stouffville cemetery, the pall bearers being all nephews of the deceased. Rev. Levi Atkinson, a former pastor Rev. Thos. Laidlaw, officiated at the service held at the farm home. The floral tributes were many and were very beautiful.

COUNCIL RECEIVE TENDERS FOR NEW VAULT

President H. O. Klincek "laid his cards on the table" at the regular meeting of the Town Council on Wednesday night, and showed the legislators that it would take \$39 hard cash in order to permit the Society to break even on the 1937 flower show. He asked assistance from the council, and received \$25 from the council, and received \$14 as a grant. "The Horticultural Society is no doubt a worthwhile organization which does a lot of good and while we must curtail our expenses to keep out of the red, we must give them something," said Reeve Weldon. Councillor Ross Brown proposed \$25 and Councillor Walter Brillinger seconded the motion which carried unanimously.

R. W. Phillips, Chief constable for the county advised council that no persons would be admitted to the York County House of Refuge without first having them examined by Dr. Wesley of Newmarket, county physician to the home. Unless they are in right physical condition they cannot be admitted, he explained.

Three tenders were submitted for the addition to the municipal hall, but council deemed them all high and refused to act on them. F. W. Betz & Sons tendered for the brick addition of a vault and rest room at \$1765, George Baker of Gormley at \$1785-C. E. Heise of Gormley estimated \$2875. Contractors viewed the blue prints as complicated and said it called for a lot of unnecessary work. An effort is to be made to modify the plans. The addition is to be erected to the south end of the building, necessitating only the construction of a basement and three walls. The construction of the vault no doubt added to the cost over ordinary construction.

OTHER LOCALS

Lost — Gold Wrist Watch and bracelet. Mrs. N. Bunker, phone 9711.

Mr. T. W. Eagleson, A.T.C.M. will resume teaching in Stouffville on Saturday, September 11th. Instruction given in all grades of piano music. All former and prospective pupils cordially welcome. Studio above Goudie's Hardware Store.

In police court at Newmarket on Wednesday morning George Davies was assessed \$10 and costs for permitting a truck on the road overloaded. The charge was laid by Constable Robert Windsor who unsuccessfully contested a similar charge against Davies a couple of weeks ago. The big pavilion man at Musselman's will have to draw smaller loads in the future.

Two motorists were involved in a head-on collision on the 8th just north of Ringwood on Sunday afternoon. Miss Maud McIntosh suffered a broken left arm and Miss Margaret Eddy received severe cuts about the head and chin. All other occupants of the cars escaped injury. The injured were treated at the Stouffville Hospital, and later Miss Eddy was removed to her home by the hospital ambulance.

Parents should read very carefully the very complete statement on poliomyelitis (infantile paralysis) by Hon. Dr. J. A. Faulkner, Ontario Minister of Health, on another page of this issue. The statement describes very fully the symptoms of this disease and the precautionary measures necessary to prevent its spread as well as the use of serum and nasal spray. The Provincial Government is to be commended for supplying this timely and important information which will be greatly appreciated by all parents.

A Tribune representative was delighted to meet Mr. M. S. Morris of North Liberty, Indiana, who spent a day or two in town this week. He is accompanied by Mrs. Morris, his daughter and son-in-law Mr. and Mrs. Delbert Buss, and their son Orville, all of whom were guests of Mr. and Mrs. Ambrose Stover. They made the trip from Liberty to Stouffville in 13 hours, covering 471 miles and enjoying stops along the way.

Mr. Morris is the typical Dutch style and looks as though he belonged to the distinct Mennonite group in Markham. He tells us he is a member of the Tunkard church and there is a considerable group in his home district. Before the visitors return home they intended to visit North Bay and Callendar to see the Quints. Of course no real Americans (and this party is all true Yankee) would think of going home without calling at Callendar.

Found — Wrist Watch. Apply at Dickons Hill Feed Store.

House to Rent—West end Stouffville. Electric and water. Possession October 1. Robert Clossen.

Keep in mind the auction sale at the home of Mrs. (Dr.) Rowan on Saturday at 1.30. Excellent furniture will be sold.

Mrs. J. H. Raeca, accompanied by her son, were in town visiting her mother Mrs. Henry Vanzant. They returned to their home in Winnipeg the early part of this week.

Miss Myrtle Watson, A.T.C.M. wishes to announce she will accept pupils in piano and theory instruction at her home on Main St. Prices reasonable.

Sympathy is extended to Mr. E. W. Durnin and his family in the death of Mrs. Durnin who was laid to rest at Vantleek Hill cemetery near her native home. Mr. Durnin was principal of our Continuation School for the past three years, and all during his term here Mrs. Durnin was in more or less delicate health. Besides the husband there are three children living, the youngest being a baby just learning to walk, and the eldest girl is a student at the Continuation School.

The older residents will recall Reeve's Jewelry store which operated in Stouffville probably 50 years ago. Mr. Reeve later conducted a modern establishment of the kind in the town of Barrie and last week the store was robbed when several diamond rings were stolen. The large plate glass was broken by means of wrapping a stone in a heavy woolen and smashing it against the window. The cloth prevented the police only a short distance away from hearing the glass when it was struck by the stone.

Stouffville homes are supplied with milk at a lesser price per quart than almost any other place about, yet some people are forever putting the dairies to great expense by holding up the milk bottles. Right now there is quite a shortage of bottles in the dairies, which indicates that householders are "pinching" the bottles. If you are one of the guilty ones, get into action at once and release those bottles which you should not hold. The dealers themselves must know those housewives who never put out the bottles as they should, but others buy from the stores and are harder to trace down. Anyway, be fair with your milk vendor, he is playing fair with you on the price of milk.

A RESIDENT IN STOUFFVILLE 47 YRS.

In the death of Mrs. William Silvester, which occurred shortly after six o'clock on the evening of Aug. 25, there has been removed from our midst one of our most highly esteemed and longest standing residents. Mrs. Silvester was in her 82nd year, and although an invalid for some years, the end came with shocking suddenness. She had been listening to the evening news broadcast, and was being assisted by one of her sisters to another room, when she suddenly fainted and died before medical assistance could be summoned.

The funeral on Wednesday afternoon to Stouffville cemetery was largely attended, service being held at the late home on Church street where the deceased had lived for many years. Rev. Levi Atkinson conducted the service and was assisted by Rev. Herbert Lee. Pall bearers were: Frank Rae, Omsby Lehman, Jacob Meyer, Clifford Piper, Frank Williamson, J. K. Agnew.

Born at Lemonville she lived all her long life in the district of Stouffville. Her maiden name was Charlotte Lemon, being the second to eldest child born to the late Mr. and Mrs. Geo. Lemon. As a bride she came to Stouffville in 1890 when her husband entered the hardware store under the firm name of Silvester & Dougherty, which later became Silvester Bros. Mr. Silvester died in 1930, and an only daughter Miss Hazel passed away in 1932. Almost since the death of her husband Mrs. Silvester had been confined to her home suffering from heart trouble, but in her active days was an ardent supporter of the Methodist church and a member of the various organizations for women identified with the church.

There survives three sisters Misses Mary and Jessie Lemon who lived with their sister since coming back from Winnipeg a few years ago, and Mrs. John K. Brown of this town. During her declining years the burden of her illness was made much lighter by the devoted care and affection of her two sisters who resided with her.

Premier Hepburn Announces new liquor policy.

TWO FARMS SOLD IN WHITCHURCH

One of the most concrete indications of better times is the general demand for farms. Good farms for rent are being snapped up quickly, and six months rent is being offered in advance to secure a place. On the other hand farms are selling better. Last week two sales were completed in the local district. Mrs. William Henry McMullen sold her 100 acre place at Ballantrae to W. J. Mulholland of Scarborough. The sale price is reported at \$3,500. On Saturday a deal was completed for the sale of the Abram Raymer farm north of Lemonville on the 7th of Whitechurch to John Gibbons, Bloomington. The Raymer place, although run down, is a good property and will give a bumper yield. The sale price is said to be around \$7,000. Both properties were sold to close estates.

When a trip to New Ontario by the Stouffville baseball club failed to materialize last Monday when the locals were scheduled to play at Temiskaming, five of the baseball club went north for a holiday just the same. Those in the car load were Messrs. Thos. Birkett, L. E. O'Neill, Dinty Hodgins, Toif. Rennie, and Constable Harold Quibell. They enjoyed a visit at Temiskaming where Mr. O'Neill has relatives. While in the northern centre some of the visitors heard Premier Hepburn address a mass meeting in the interests of Hon. Peter Heenan.

BAKER AGAIN NOMINATED BY NORTH YORK LIBERALS

Premier Hepburn Attends Nomination at Richmond Hill—To Take Liquor Question Out of Politics

Cheered by a great throng of supporters, delegates and other admirers, Morgan Baker, M.L.A., was the unanimous choice of the North York Liberal Association as candidate for the coming provincial election on October 6. The nomination meeting was held in Richmond Hill Arena, and was given added interest by the attendance of Premier Hepburn.

Mr. Baker was nominated by J. P. Jefferson, reeve of King township and seconded by R. Gies, of North York township. J. A. Greene, reeve of Richmond Hill, extended a civic welcome to Premier Hepburn who spoke after nomination proceedings.

Complete reorganization of the Liquor Control Board on a basis which will, he hopes, remove the contentious liquor question forever from the field of party politics, was announced by Mr. Hepburn as promptly effective in the event of his Government's return to power on October 6.

A Supreme Court Judge, as Chairman, supported by two elected representatives of the Legislature, one Liberal, and one other Conservative, as Associate Commissioners, will, the Prime Minister indicated, comprise the new administrative board. They will be given "a free hand."

Edmund G. Odette, present Chief Commissioner, who, Mr. Hepburn stated, "has worked himself to the point where his health has broken under the terrific strain of adminis-

tering what is probably the most difficult law to administer on our statute books today," is expected to retire immediately following the election.

Challenge to Rowe
The Prime Minister's announcement, involves the most radical and far-reaching new policy enunciated to date in the Provincial ballot battle. It was put in the form of a direct, challenging proposition to Conservative Leader Rowe, who has been severely criticizing various phases of liquor administration, all for the purpose, the Prime Minister alleged, "of making beer and wine a big issue in this fight."

Both assistant commissioners on the proposed new Control Board would be responsible, the Premier stressed to the Legislature and to their respective constituencies, with the Chairman over them, a Justice of the Supreme Court, efficient, non-partisan operation of the liquor law was assured he believed, and there could be no repetition, he said, of any "toll gate" such as had "flourished" in the past.

BIRTHS

Barnes—At The Brierbush Hospital, Stouffville, on Sunday, Sept. 5, 1937, to Mr. and Mrs. Murray Barnes, Bloomington, a son.

Cowan—On Sunday, Sept. 5, 1937, at Mongolia, to Mr. and Mrs. Jas. K. Cowan, (nee Evelyn Spofford) a daughter.

Ogden—At The Brierbush Hospital, Stouffville, on Monday, Sept. 6th, 1937, to Mr. and Mrs. Thomas Ogden, Glasgow, a daughter.

Among The Churches

STOUFFVILLE BAPTIST CHURCH
Wednesday, 8 p.m.—Prayer Meeting.
Sunday Services, Sept 12th 1937.

The services next Sunday will be in charge of the Rev. W. W. Fleischer of Fenelon Falls.

CHRIST CHURCH ANGLICAN
Rev. F. Herman, Rector
Sunday Services, Sept 12th 1937
Evening Prayer at 2 p.m.
16th Sunday after Trinity
Everybody cordially invited

SIXTH LINE BAPTIST CHURCH
Rev. W. E. Smalley, Pastor
Telephone 1903
Wed. 8 p.m.—Prayer Meeting
Sunday Services, Sept 12th 1937
10:00 a.m.—Sunday School
11:00 a.m.—Church Service
Subject—"Why I am not a Modernist."

Bible Thought For This Week
1 Cor. 2:12-13 — "Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God which things also we speak, not in words which man's wisdom teacheth but which the Holy Ghost teacheth: comparing spiritual things with spiritual."

BLOOMINGTON AND RINGWOOD CHRISTIAN CHURCH
Rev. E. Morton, Preacher
If you want to be a little more spiritually beautiful just take in the inspiring services being rendered these nights at the Bloomington Christian Church.
Sunday Services, Sept 12th 1937
11:00 a.m.—Bloomington
2:30 p.m.—Ringwood
7:00 p.m.—Altona

To be spiritually beautiful, and not to know it, that is the supreme height of spiritual loveliness. Virtue is so apt to become self-conscious.

LEMONVILLE, BLOOMINGTON, BALLANTRAE UNITED CHURCHES.
Rev. Chas. B. Jeffery, Pastor
Sunday Services, Sept 12th 1937
10:45 a.m.—Ballantrae
3:00 p.m.—Lemonville
7:00 p.m.—Bloomington

STOUFFVILLE PRESBYTERIAN
Rev. W. H. Fuller, B.A.
Sunday Services, Sept 12th 1937
