

## TWO POLIOMYELITIS CASES FOUND IN STOUFFVILLE

### Board of Health Ordered Local Schools Closed Until September 27.

The first case of poliomyelitis to break out in Stouffville was reported on Thursday afternoon last when the 13-year-old son of Mr. and Mrs. Ira Aldred was found to have the disease. The home was immediately put under quarantine, by the M.O.H. but the lad is said to be making good progress, and high hopes are entertained that he will not be stricken with a serious form of paralysis.

A second case was reported the following day, Friday, when the eldest son (12 years) of Mr. and Mrs. Wesley Schell was taken down. An early diagnosis of the case again enabled the serum to be administered early in the case and it is hoped that the disease will be modified. Both lads were pupils in Miss Tindall's room at public school.

## LOCAL HEREFORDS WIN AT LINDSAY

The fine herd of Herefords, at Burnbrae Farms, Ringwood, owned by George Rodanz, made an outstanding showing at Lindsay Fair last Friday evening with eight firsts out of eight entries. There were sixty-three cattle entries in the show. The following is a list of the winnings of the local herd. First, on 3-year-old Bull; first, Junior Bull Calf; first, 2-year-old Heifer; first, Junior Heifer Calf; first, Senior group; first, Junior group; first, set of Sire, first, senior Heifer Calf.

## REEVE RENNIE IN THE MOVIES

Reeve James Rennie was called to Toronto one day last week to witness a private showing of the screen picture "Beyond the Sunset," in which the reeve himself played a part. The picture was screened near Toronto six months ago, and was for use by the Canadian Wheat Board in England.

For several months sixteen copies of the picture have been in almost constant use in the Old Country. It is only at this date that there is a copy of the picture available for private showing, and the promoters, the well known advertising firm of Cockfield, Brown & Co. arranged to screen it last week at the Royal York Hotel, when Mr. Rennie was present to see himself in action.

Dr. H. B. Freel is attending a post graduate course at the Toronto General Hospital this week.

Miss Marjorie Crooks and Miss Doris Mitchell of Huntsville were recent visitors at the home of Mr. and Mrs. Jack McMullen. Miss Crooks is a sister of Mrs. McMullen.

## 200 PHEASANTS ARE RELEASED

Markham Township bids fair to become an ideal game sanctuary before long. Last week the government (Dept. of Games and Fisheries) released in the municipality some 200 pheasants which when unmolested will add to their numbers over a year or two in an amazing manner.

Simultaneous with the releasing of these birds 500 signs arrived to be posted throughout the municipality apprising the hunter that the township is a game preserve, and carrying of fire-arms or hunting within its borders is forbidden. The township has had additional signs made on their own order of a larger design and these will also be placed in conspicuous places, so that there will be no excuse for anyone to plead ignorance of the law.

## Mrs. James Wagg Dead

On Thursday last, Sept. 16, Rachel Stafford Wagg, wife of the late James Wagg, passed away at the home of her daughter, Mrs. W. H. Snowball in Markham, in her 87th year.

Mrs. Wagg, whose husband predeceased her nine years is survived by a family of seven children, sons, Cecil, Clinton, Austin, Foster, Vincent and Leo, and one daughter, Mrs. Bert Snowball of Markham. Mrs. Wagg was of fine old pioneer stock who occupied a homestead on the Wagg sideroad just north of Stouffville for over half a century.

Hon. Duncan Marshall, Minister of Agriculture is having a warm fight in Peel County. In the last election the Minister, it will be remembered, spoke in Stouffville in support of the Liberal Candidate for East York.

## WELL KNOWN NORTH YORKER IS DEAD

One of northern North York's grand old men, and a prominent citizen of Sutton for the past thirty years, Walker Holborn, passed away at his home on Tuesday in his 70th year. Suffering a stroke some few years back, Mr. Holborn had not been in robust health for some time, and for the past few weeks had been gradually failing. The deceased was an active worker in the various organizations, societies and municipal bodies of his town, having served as reeve of Sutton in 1930, '31 and '32. He was Past District Deputy Grand Master of the local Oddfellows Lodge, and a life member of the Masonic Order. He was a staunch Liberal and an active church worker. He was a keen follower and supporter of the Sutton hockey and ball teams.

Surviving are his son, George, and a daughter, Lillian, both of Sutton.

## VAULT CONTRACT IS AWARDED

Fred Betz & Sons have been awarded a contract for building an addition to the municipal hall in Stouffville, totalling an outlay of \$1,800. The new part will be added to the south end of the Council Chambers and will include basement, vault, electrician's room, and room for lavatories. The whole undertaking will be financed without appealing for any extra taxation.

No doubt plenty of people will and should congratulate the reeve and council on this undertaking to provide a vault which has been so badly needed. For years councils have admitted the need, but somehow took the chance against fire and did nothing about it. The ever increasing amount of records, that must be preserved, makes the demand even more imperative today, and to have the whole thing financed without resort to special taxation is certainly most fortunate.

A rebate from the school board of nearly \$1,000, plus receipts from back taxes that will come in from the November tax sale, are two items that will more than offset the much needed addition to the hall.

## AUTUMN WEDDINGS

### Mackechnie—Good

The French Room at Forest Hill Gardens, in Kitchener, Ontario, was the setting for a lovely early autumn wedding, on Saturday morning, at 11:00 a.m., September 18th, 1937, when Miss Evelyn May Good, Kitchener, Ontario, daughter of Mr. and Mrs. E. Sinclair, became the bride of Harry Pringle, son of Mr. and Mrs. James W. Kennedy. Rev. E. Morton, assisted by Rev. R. W. Serriek, performed the ceremony. C. Johnson of Humber Bay, with the Rev. J. Sifton officiating. Miss Kathleen Stephens played the wedding music and during the signing of the register (Miss Leona Johnson, sister of the groom, sang "Because"). The bride, given in marriage by her father, looked charming in a gown of white satin made on princess lines with full length veil falling from a coronet of orange blossoms. She carried a bouquet of Ophelia roses, lilies of the valley and maidenhair fern. The bridesmaid, Miss Evelyn Smith, wore a gown of bluish pink taffeta with pink velvet hat and carried a bouquet of Premier roses and baby's breath. Mr. Ernie Johnson brother of the groom was best man and the ushers were Mr. Cecil Johnson and Mr. Carl Cockerill. ## NATIVE SON MADE GOOD SHOWING

Dean Kester, K.C., was nosed out of the running at the Liberal convention for South Cochrane held at Iroquois Falls. Charles Gallagher of South Porcupine was nominated as standard-bearer at an enthusiastic meeting. Mr. Kester is a native of Stouffville. A Timmins despatch says: Charles Gallagher of South Porcupine was nominated as the Liberal candidate to contest the provincial election on October 6, in South Cochrane riding at a convention of district Liberals held here yesterday afternoon.

John Rowlandson of Porcupine Junction, present member of this constituency, was ousted on the third ballot while Dean Kester, K.C. of Timmins, lost out on the fourth ballot to Mr. Gallagher by ten votes. Mr. Gallagher's selection came as a distinct surprise to many. Kester having led the voting on the first three ballots.

The vote on the first ballot was Kester 169, Gallagher 147, Rowlandson 142, McInnis 40, Johnson 10, spoiled 3. Mr. Johnson was eliminated on this ballot.

Mr. Kester increased his lead to 179 on the second ballot and Gallagher jumped to 156. Mr. Kester touched on his platform; work, not relief for the unemployed; filling of government jobs from the Liberal ranks; a land clearing bonus for farmers; a graduated license fee for motor cars and trucks according to the number of months the vehicle was in use.

Members of the family of Mr. Nathan Forsythe, gathered on Tuesday at the home on Church Street, to congratulate this well-known citizen, on his 85th birthday.

## TOWN'S OLDEST MAN PASSES ON

On Sunday Mr. Daniel Miller, aged 93 years, passed away at his home on Main street. He had been an invalid and bedfast for the last few years, and his sight had gone. For half a century the late Dan. Miller trod the streets of Stouffville as a hard-working man.

Born on the 8th of Markham almost opposite the present Wideman church, he was one of a family of thirteen children, all of whom predeceased Mr. Miller. Mr. Miller early learned to make his own way in life, and when a young man farmed in Markham, but finally located in town where he worked as a laborer.

His life partner and an only daughter predeceased him about ten years. He was the oldest man in town at the time of his death.

Private service was conducted by Rev. W.E. Smalley with interment in the Stouffville Cemetery.

Reeve Rennie who "starred" in "Beyond the Sunset," a screen picture recently shown in rural England for the promotion of Canadian agriculture.

## "Not My Machine" Says Fred Coulter

### Found Guilty of Running a Gaming House at Lake Musselman

Detective George Stewart and Constable W. J. Meyers visited Coulter's pavilion at Lake Musselman the other day and as a result of their sojourn there, Mr. Coulter was hauled up on a charge of running a gaming house. In police court at Newmarket he was found guilty and remanded one week for sentence.

A slot machine which was seized was confiscated. "There was no skill, it was purely a matter of luck, said the detective, who claimed that he exchanged a couple of slugs won from the machine for chocolate bars.

"I refused to give you anything for some time," pleaded Mr. Coulter. "I told you the machine was for amusement only. You said there were no mints in the machine, and finally I gave you a couple of chocolate bars."

"Furthermore, that's not my machine." Mr. Coulter insisted that the machine in court was not the one seized from his premises, and the police insisted that it was.

"They took my machine away," said Mr. Coulter. "It had a notice in it: 'Slugs not cashed.'" Walter Tramer, Musselman's Lake, gave evidence that he had played the machine, off and on, all summer and that he had never got anything except gum out of it. When he got slugs, he played them back in.

"Why play if you don't get anything out of it?" Mr. Mathews asked another witness. "Why play, pool?" was the answer given. "That's a game of skill," said Mr. Mathews. "The fine should be at least \$15," said Mr. Mathews. "This is a bad thing. There is lot of money wasted on these machines."

"I have no sympathy with the machines," said the magistrate. "The office points out that sometimes playing these machines gets to be a mania and leads to other charges," said Mr. Mathews.

Helping and inspiring Gospel messages and piano selections will be given Thursday and Friday nights of this week at the Ringwood Christian Church, by Rev. and Mrs. D. L. Percy, from Little Britain. The public are invited (7:45 p.m.)

## HON. GEO. S. HENRY CHOICE OF EAST YORK CONSERVATIVES

### Borne Shoulder-high in Tory Convention

Hon. George S. Henry, leader of the Opposition during the past three years, was the unanimous choice of the East York provincial riding convention held last night in the R.H. McGregor School.

Although six were nominated, the others withdrew and Mr. Henry was chosen by acclamation. Loftus Reid, guest speaker of the evening, told the large gathering that after many years acquaintance with Mr. Henry he had learned to trust and respect him. He also stated that in his opinion the province was fed up with Heppburnism, but not necessarily Liberalism.

Hon. George S. Henry was carried to the platform shoulder high upon entering the convention hall. He told the meeting that one would have a heart of stone if he were not moved by such an enthusiastic meeting.

"I have been your representative for about 25 years and this is probably one of the most enthusiastic meetings that it has been my honor to attend," said Mr. Henry.

In his nomination speech, he reviewed the administration of the Liberal party and the conduct of Mr. Heppburn.

"His tactics in driving Mr. Macaulay from the House were the dirtiest piece of cowardice that I have ever encountered," said Mr. Henry. "He has even been taken to task by his very close friend, George McCullough, who, when not instructing him what to do, writes editorials of the wonderful courage of Mr. Heppburn."

In referring to the beer parlor situation, Mr. Henry said that

under the Conservative regime liquor had always been kept under control.

Dries Commended "Under the liquor control board the sale and control was even commended by strong temperance people," said Mr. Henry.

"The separate school question, in my opinion, is one of the major issues of this election, despite the efforts of Mr. McCullough and Mr. Heppburn to keep it quiet. He has introduced the C.I.O. question merely as a red herring to avoid the more important issues in which the public are interested," continued Mr. Henry.

The other five delegates nominated, Walter Stewart, secretary of the East York Provincial Riding Association; John Leslie, member from Scarborough; Hollis E. Beckett, also of Scarborough; Harry Meighen, president of the East York Federal Riding Association, and R. M. Leslie, president of the East York Provincial Riding Association, all pledged their strongest support to Mr. Henry.

R. M. Leslie in a brief address told the meeting that the only reason that the Heppburn Government had reduced the price of license plates for motor vehicles was because they had so many in their use that they could not afford to pay for them.

Mr. Meighen stated that he had met two of Mr. Heppburn's organizers who had told him that, if Mr. Heppburn was returned, he would eventually let beer parlors and hotel beverage rooms remain open until such times as the owners saw fit to close.
