The next euvre in the series to be held in the O.E.S. rooms will be on October 29th.

Mrs. B. J. Ritley (nee Miss Hester Meggs) of Winnipeg, spent a few days with Mr. and Mrs. H. O. Klinek last week.

This is the final week of the Wednesday half-holiday for the season, hence all local stores will remain open for the full day on Wednesday until next spring.

Lindsay ministerial Association has taken a stand against Sunday funerals. After all nobody wants to be buried on Sunday, says an exchange paper coming to this office. And may we add, who wants to be buried any other day?

Mr. Stanley Rose, an old Ballantyne boy, and principal of the Uxbridge public school the past few years, has moved to Hamilton where he is taking a special course for this term. Mr. Rose was vice president of the North Ontario Teachers Convention at the time of his retirement from teaching in the northern town.

Jubilee Chapter of the Eastern Star received an official visit from Mrs. Maud Entwistle, D.D.G.M. at their regular October meeting, when Miss Effie Harding, worthy matron, and Clayt. Baker, worthy patron presided. The work of the evening was pronounced excellently done, by the inspecting officer. Luncheon was served to about 75 members, and visitors from Toronto and from Ottawa.

TELEPHONE TALKS IN THE WATSON FAMILY

"This is just like being home!"

Bill Watson occasionally gets fed up on that out-of-town job. Work is oppressive. His pals are dull. Meals are tasteless. The outlook, generally, is bilious. Good, old-fashioned homesickness, that's what it really is — and Bill has a sovereign remedy, once he has diagnosed the case: a long distance call home. And it costs so little, too, that he has decided to forestall attacks by a regular schedule of weekly calls.

Bill's ideas are right in line with the rest of the family. The Watsons have come to appreciate fully the comforts, conveniences and low cost of Long Distance. Do you realize how little it costs to telephone?

Low Night Rates begin every evening at seven, and apply ALL DAY SUNDAY!

Special Halloween Bricks (City Dairy) for that Halloween Party Mrs. E. A. Button last week.

Miss Virginia Broadway, daughter of Mr. and Mrs. Carl Broadway has obtained a position in one of Toronto's modern Beauty Parlours. All her friends wish her well in her new undertaking.

Mrs. Hayball has been invited back to the Brown Betty Tea Rooms for his coming Saturday afternoon and evening, Oct. 30, and ladies of the town and district are cordially invited to drop in for a cup of tea and have a reading. Lunch and tea cup reading 25c.

A nice pair of wool socks were won by one of our townsmen at the Orangemen's euvre last Friday night, but the winner strenuously objects to having his name connected with wool socks and cold feet, so out of deference to him the name is not published.

Local veterans of the Great War were well represented at the drum head service held in Whitby on Sunday when some two thousand veterans marched and participated in the service, and as many civilians looked on. From Stouffville and district the following were in attendance: Dr. S. S. Ball, George Patton, Ormsby Lehman, Bert Licorish, George Saunders, George Austin, Fred Smith, Del Jennings, George Marlin and family, Mrs. Nicholson, Mrs. McDonald, and Mrs. Licorish.

At a recent meeting of Markham town council a motion was put forward calling for the resignation of Constable Walker as certain members of council feel that his administering of law and order in the village has not been satisfactory. The resolution drew a tie vote and Reeve Wideman suggested that the council take no further action until the Constable had been questioned regarding his conduct. This was done at the last regular meeting, when all charges were denied and the motion held over, pending further developments.

In renewing their subscription from Vineland, Mrs. Samuel Goudie says, "We look forward to the arrival of The Tribune with pleasure and feel as though we had received a good big letter from home every week." We appreciate these encouraging words from an old subscriber. Mrs. Goudie is the wife of a former pastor, and presiding elder in the M.B.C. church here, and although they have been removed from town to serve on other fields, Stouffville claims them as her own, and looks forward to the day when they may spend some leisure years among us.

Stouffville was quite well represented at the North York Plowing match near Aurora last week. One of the outstanding features of the contest to us was the work done by Clark Trent, a grandson of Walter Woods, of Aurora, who is only ten years old. The lad plowed in the boys class. Equally outstanding was the entry of Master Allan Wells, son of Mr. and Mrs. Elmer Wells of Lemonville. Being only eleven years old he was the youngest plowman in the tractor classes. When those lads grow into young manhood they should know something about handling a plow, and their interest in agriculture will be keener because of their youthful training.

The Bell Telephone Co. plan to remove all their poles from the Main street in Newmarket. Here in Stouffville a similar effort is being made by this company, and they have offered to sell their Main street line either to the village who have the first right to buy or to the Bethesda & Stouffville Co., should the town turn thumbs down on the proposal. The matter should be pressed to an early conclusion so that no time will be lost next spring in enabling the B. & S. Co. to transfer their lines to the one set of poles running on the south side of the street from Church street to the extreme east end. At the present time, as every body will know, there is a line of poles on both sides, and a sale either to the corporation or to the local company of the Bell lines will permit of all three parties concerned using the one set of poles.

Making the entire trip by air, from her home in British Columbia, Miss Helen Williamson, cousin of our Mr. Frank Williamson, Church Street and Garnet Williamson, Markham, arrived in Toronto a couple of days ago and is now visiting among relatives in the local district around Victoria Square. Miss Williamson is a daughter of George Williamson who is employed with the Bell Telephone Co. and resides in a small lakeside town north of Vancouver. On her trip down Helen made short stops at Regina, Chicago and Syracuse. Our Western visitor assures us that flying is the finest way to travel to-day. The Williamson family live in the most beautiful mountain surroundings that one could imagine. A lovely string of lakes and snow capped mountains greet the eye right from the back door of the home. Miss Williamson spent the weekend with Mr. and Mrs. Lou Stoutenberg, Victoria Square.

Miss Jean Anderson of New York spent a few days with her sister Mrs. E. A. Button last week.

Division Court will be held in Markham town hall, on Monday next, November 1. Several cases are on the docket.

Stouffville Veterans—A meeting will be held on Monday, November 1st, at 8.30 in the Fire Hall. It is urgently asked that all veterans attend this meeting.

Another of those delightful euvres will be held this Friday evening in the O.E.S. rooms. It is not too late to get in on the series. Individual prizes and lunch.

The next regular meeting of the United Church Y.P.S. which will be on Monday, November 1, will take the form of a Halloween Social. The social committee promise a highly entertaining program for the evening. All members and their friends are urged to attend.

The past week has seen the wind-up of the Tennis Club activities for another summer. Considerable interest was shown in the sport this year and the membership of the club was greatly increased. With winter coming on the young people are left rather stranded with regards to sporting activities. If anyone has any suggestions on where a badminton court could be set up, we would like to hear them.

Mr. and Mrs. F.C. Rowbotham and Mr. and Mrs. W. L. Rowbotham, attended the funeral of their cousin, Mrs. Ray Clark, of Harrow, on Friday, October 22nd. Mrs. Clark was the second daughter of Mr. Arthur Curtis of Merlin, and a native of Mongolia, and niece to the late Robert Curtis. Besides the father and mother left to mourn the loss is her husband and two small children, also a brother Hugh of northern Manitoba and a sister, Mrs. Garnet Pope of Detroit.

Clarence Morden, son of Mr. and Mrs. Preston Morden, Montreal was seriously injured in Sept. 11th when he was thrown to the pavement from the horse he was riding, resulting in a compound fracture of the hip and knee. He is confined to a plaster cast from his chest to his toes and will remain in this for 3 months. The last X Rays were satisfactory and the doctors are hopeful of restoring him to good health again and having him on his feet by the new year.

It looks as if the boys may step into the limelight in earnest this year with regards to hockey. We have been asked to announce that Coach Ernie Crouch of Toronto has been engaged to get a team in shape here, and the boys are asked to turn out to the Arena this Wednesday evening at 7 p.m. The Coach would like to have regular ground workouts at the Arena each succeeding Wednesday night.

Splendid sized congregations attended the anniversary services held in the Christian-Congregational church last Sunday, and much good must have been embodied by those present. The pastor, Rev. Arthur Greer, preached in the morning using the text, "I have Enough." These were the words of Jacob to Esau and of Esau to Jacob, and were the basis for a strong sermon. In the evening the Kinsmen Quartette provided the service, Mr. Oliver Raymer preaching the sermon on the old familiar text, "I am not ashamed of the gospel of Jesus Christ." Both the morning and evening the special music was appreciated, given by the Toronto Bible College Quartette and by the Kinsmen Quartette.

These are difficult days in which to keep the Main street pavement clean. Wittens of mud falling off truck wheels, plus rotted leaves and other accumulation of one sort or other, the street doesn't look like a hundred thousand dollar roadway. It has been suggested to The Tribune that the council should put on more help at this time of year, and save the extra cost to the pavement is much attention to the pavement is not required. We pass on the suggestion, as something of this sort might be considered to good advantage. There is no doubt but that extra work is required both in the spring and fall seasons if this show street is to be kept at a standard of cleanliness.

Wet weather last week interfered somewhat with the construction of the addition to the municipal building. Despite this however, the foundation was completed and the cement floor finished, all in readiness for the brick work this week. When completed it will supply a long-felt want in the public service, namely the use of a vault for the municipal records safe from fire hazard, and toilet rooms for men and women, which will be equipped by the public subscription soon after the necessary rooms are provided. We have heard a number of people express the approval of the municipal authorities for stepping into this matter at the time they did when funds were available without increased taxation, to add something to the village that is so sorely needed.

Lambert H. Malloy has been elected president of the Athletic group, Toronto Normal School.

We are pleased to report the favorable progress being made by Rev. Dr. Mitchell in the London Hospital. He has so far improved since his operation that a special nurse is no longer required to be on duty.

S. C. S. LITERARY
The first meeting of the S.C.S. Literary Society was held last Friday, October 22, with Ralph Forfar in the chair.

The meeting opened with the singing of "O Canada" followed by a violin selection by Leland Fairles. The "S.C.S. Tattler," one of the best papers in the history of the school was read by the editor, Joe Foote. The main item on the program was a skit "A Night at the Inn" presented by the second form boys directed by Mr. Bailey. Thelma Atkinson rendered a beautiful piano solo. Principal Murphy offered some excellent advice to make the future meetings more successful. The meeting closed with the singing of the "National Anthem."

HIGH TRIBUTE
Vancouver, B. C.,
8310 Selkirk Street,
October 19, 1937

To the Editor
Stouffville Tribune,
Stouffville, Ontario.

Dear Sirs:
Your edition of October 14th arrived today and as the visit of my son and his wife to my relatives in Altona was reported it seems needless to say that I was intensely interested. The later part of the final paragraph reporting his visit is perfectly true, and in this connection I would like to trespass on your time to elaborate a little.

It was in the year 1884 that I left my home village of Altona and since that time through the kindness of members of my family I have received the paper every week and I wish to assure you I consider it the finest Christmas present I receive, as unlike most Christmas presents it is not forgotten before January is past. Even the modern invention of radio with its almost hourly news broadcasts have failed to dim the pleasure I experience in reading your weekly paper. Though absent from Altona for so many years I still feel I am in touch with all local happenings.

In closing I would just like to take the opportunity to compliment you upon your very interesting articles and news items and feel safe in saying that the Stouffville Tribune, like good wine, improves with age.

Yours very sincerely,
Mrs. Mahala Palmer.

INSTITUTE HEARS OF HOLIDAY TOUR

At the regular meeting of the Stouffville Senior Institute held at the home of Mrs. Wm. Watson, an unusually interesting paper, the feature of the program, was read by Miss Sadie Stewart, giving an account of a sight-seeing bus tour taken last summer by Miss Mae Mowder, conducted by the Ontario Dept. of Agriculture and Lincoln County Tour Association. Transportation, meals, etc. were taken care of in all, so that the passengers had nothing to do but enjoy themselves. Leaving St. Catherine's at 8 o'clock on a delightful Sunday morning, Aug. 8, the travellers occupying several large busses, started along No. 8 highway for some 300 miles through Oxford County on to Detroit and into Michigan, then north to the Sault, visiting Fords at Dearborn and other wonderful places and scenes of historic interest value enroute. In the north Superior district they were treated to trout dinners, blue berry pie and such native dishes as are got on the ground there, and served so fresh. At the Soo the party were taken through the Abitibi Paper plant, and the government fish hatcheries.

One night they put up at the Algonquin Hotel, travelling eastward along the north shore of the north channel they reached Espanola, where the party later headed for Ottawa, where the mint and archives were visited and the Dominion Experimental Farms. The route home was made through Brockville where they saw the smallest-International Bridge in the world, and the island which grew peaches in the morning, dates in the afternoon, and pears at night so one of the guides said.

de Mito
No pedestal, less overhead weight, steaming time 3 1/2 to 6 minutes. Complete freedom at all times. Beautiful self-setting curls that require little or no attention for months. Prices: \$2.50, \$2.95, \$3.50, \$5.00, \$7.50 and \$10.00. This shop is equipped with the latest "Customer Control Drier."

The Young People's Society of Baker Hill and Second Markham, held their Halloween Social last Friday evening at the home of their pastor, Rev. and Mrs. W. E. Smalley, of Stouffville. The young people arrived in masked costumes, many of which made identification well nigh impossible. The evening was spent

playing games and contests after which a lunch was served before departing for their homes.
Have your cup read at the Brown Betty Tea Rooms next Saturday afternoon or evening.
Send The Tribune to absent friends.

HENS LAY BETTER ON FUL-O-PEP EGG MASH

It supplies your laying hens with the exact nutritious elements they need to produce more and better eggs with sound shells—the kind that bring better prices. FUL-O-PEP Egg Mash keeps up body weight and health in heavy layers while they are producing the eggs that are an important part of the farm income.

Stiver Bros.

THE Findlay

SUPER OVAL

The beautiful lines and pleasing colors of the new range are a delight to the eye. At the same time it performs all the functions of an efficient cooker, baker and heater.

The oven is finished inside in porcelain enamel, and may be washed like a china dish — always shining and fresh.

Cooking top is of annealed gun metal finish, easily kept clean and gleaming—with lift-up front section for broiling or feeding fuel.

The firepot is the deep oval-shaped type which has proved such an efficient heater. Grates may be set in either deep or shallow position for coal or wood, according to amount of heat needed in the kitchen. The extra large wood firebox is 24" long and when grate is in lower position will hold large chunks which make it easy to retain a good fire overnight.

Construction is largely of cast iron, with heavy steel, enamelled and rust-proof built to last a lifetime.

The minute minder, a handy timing device, which warns you when it is time to take a dish out of the oven is a new and welcome feature.

Mirror shelves and condiment holders can be furnished to match range.

Super Ovals also now have chrome door handles — always cool — always shining. Made in three sizes — with oven 16, 18 and 20 inches wide.

The colors: All Ivory — Ivory shaded walnut, or Ivory shaded green.

FINDLAY PRODUCTS ARE BACKED BY MORE THAN 70 YEARS OF TRADITIONAL QUALITY

BATHWAITE HARDWARE

Extra markets for milk products

The Dominion's use of milk in fluid form is increasing steadily, but it falls far short of the approximately 16 billion pounds of milk produced yearly by Canada's 4,000,000 milk cows.

Research and salesmanship have found and made other markets for 9 Billion pounds of milk that consumers don't drink every year.

Since 1857, Borden, through research and selling, has played a leading part in developing extra markets for both milk and manufactured milk products.

It is these extra markets that have helped dairying become one of Canada's biggest sources of farm cash.
