Minister ONTARIO DEPARTMENT

MAY 24TH DRIVE SAFELY! Last year the holiday traffic on our streets and highways ran up a terrible toll of seven killed and 215 injured in 145 accidents! We must not have a repetition this year. One thoughtless move on your part may bring tragedy into your own or somebody else's home. Before you take the wheel, therefore, resolve to use the utmost care on the highway, and to observe every traffic rule.
