There will be a patriotic concert at the school here showing moving pictures of the Coronation of King George VI, and the Royal Tour in Canada. There will be a silver collection taken which will be used for Santa Claus Fund and Red Cross work. The date set for this concert is December 2nd.

The public auction sale on the farm of the late Albert Hisey was largely attended, buyers coming from long distances. As the advertising was handled by The Tribune we suppose the office will claim credit for this. The hives of bees went to a buyer up in Mount Albert while many came down from north of Stouffville for the sale. Everything was sold, and we understand that Mrs. Hisey is likely to go to Toronto with her brother there. We hate to see old friends leave the neighborhood and wish her every success.

Next Sunday the church will celebrate another anniversary service. The home choir with Mr. B. E. Draper will provide special music at the 2.30 p.m. service. The Claremont Male Quartette has consented to be with us at the 7.30 p.m. service. Professor Parker of McMaster University will be guest speaker at both services. Mr. Parker is Professor of the Old Testament at McMaster. In connection with our anniversary there will be a concert at the church on Wednesday, Nov. 8.

Mr. Jose, our school teacher, held a Hallowe'en Social on Monday afternoon. He entertained the parents and a very pleasant time was spent.

On Thursday evening about 75 friends and neighbors gathered at the home of Mr. and Mrs. Eugene Lemon and gave them a shower, the chivari boys presented them with a lovely clock. An enjoyable time was spent.

Send The Tribune to absent friends.

Hunt and family and Misses Selena and Flossie Atkinson and Mr. Clarence Atkinson of Bethesda; Mrs. Chester Graham and wee son of Ringwood, and a number of others from the joint circuit, which helped to fill Wesley church to capacity to hear the Rev. Levi Atkinson of Stouffville who gave an inspiring message.

The large congregation that received the challenging message of Rev. E. Bishop, B.A., of Uxbridge in the evening could not help being very much impressed, and those who missed it or the morning service, missed a rich blessing and food for deep thinking for days to come. Many visitors attended both services who at some time was closely linked with Wesley "the church by the side of the road." The Nobleton Choir who so liberally gave of their fine singing was very much appreciated.
