The marriage was solemnized by the Rev. Joseph Denny. The bride was attended by her sister Blanche of Oshawa, and the groomsmen being Mr. Lloyd Empringham of Claremont.

The potato king Mr. Roy Brillinger has completed the harvesting of his big crop totalling 2,600 bags. Not so large this year as the acreage was reduced to 20, and then the blight retarded production somewhat in patches of the crop. However with the price running around 95c for the 75 pound bag delivered in the city, all things are working together for good as usual.

We regret very much to report that Miss Vera Wilson daughter of Mr. William Wilson has found it necessary to enter the San, at Weston for treatment. Trust a complete recovery will ensue.

### WILL INVESTIGATE HALLOWE'EN DAMAGE

While this paper always gives the young folks credit for carrying on Hallowe'en night in a sensible manner with their pranks, it has been brought to our notice that unwarranted and inexcusable damage was done in places. Mrs. Henry Vanzant's fine fence which cost the owner considerable money, was set upon, in rather shameful way. Constable Quibell was called to investigate the situation, and should leave nothing undone to force the perpetrators to replace the wrong in this instance at least.

The speakers will include Bish. Winger, Elder Samuel Lady of Michigan, Elder L. Burkholder of Markham, Elder Wm. Charlton of Stevensville, Bish. Uley of Ohio and Elder George Sheffer of Stayner. The public is invited to take advantage of these meetings which are sure to be helpful. Provision is being made to serve lunch to the visiting delegates.
