At the November meeting of the Stouffville School Board presided over by Dr. Freely, gratifying reports were read from both High and Public school inspectors indicating that the school throughout is operated in a very efficient way. Nearly three hours elapsed before the meeting adjourned, most of the time being occupied in checking accounts accumulated over the month. Since the new classes have been instituted, there are numerous small and large items of purchase which entail endless work, and a system is being devised to handle this work in a more expeditious manner. The number on the roll in both schools is at the peak, being 142 in the Continuation, and 165 in the public.

### NO DECISION TO APPEAL

Owing to the absence of his lawyer who is out of the city for a few days, the question of filing an appeal in the Story vs. C.N.R. case has not come under serious consideration. When enquiry was made by The Tribune Solicitor H. A. C. Breuls said, "I cannot say whether there will be any appeal or not. We are awaiting the full text of the remarks made by the Chief Justice when he granted the motion for a non-suit."

## A PERSONAL MESSAGE TO "Hard Headed" BUSINESS PEOPLE

WHO EARN THEIR LIVELIHOOD FROM AGRICULTURAL PURSUITS.

One year ago we linked up with Shur-Gain Feed Service because our years of experience—buying and selling—with Canada Packers Ltd., proved to us that feeds behind the Shur-Gain label always proved to be, and were accepted by the public as "TOPS" in quality and performance. Also we realized that the Shur-Gain methods of marketing would ultimately eclipse all preconceived methods, because it is basically sound; obviating as it does, heavy transportation costs salesman's salaries, expenses, etc. and middlemen's commissions.

Today we know that our faith in Shur-Gain products and marketing was not unwarranted, and accordingly are enlarging our line of these products as rapidly as possible. We now manufacture or stock the following:

Shur-Gain 19% Chick Starter	Shur-Gain "Big 50" Conc.
Shur-Gain 16% Chick Grower	Shur-Gain Growing Conc.
Shur-Gain 18% Laying Mash	Shur-Gain Hog Minerals
Shur-Gain 17% Pig Starter	Shur-Gain Cattle Minerals
Shur-Gain 21% Pig Starter	Shur-Gain 13% Fattener
Shur-Gain 16% Hog Grower	Shur-Gain Fast Fattener
Shur-Gain 13 1/2% Hog Finisher	Shur-Gain Wurm Powders
Shur-Gain 41% Hog Concentrate	Shur-Gain "Big 60" Meat.
Shur-Gain 25% Calf Meal	Shur-Gain 60% Tankage.
Shur-Gain 18, 24 & 35% Dairy Feeds, Etc.	

Thro' a special arrangement with Superior Feeds, Stouffville, we have now made available to a greater number of consumers the benefits of Shur-Gain Service; and to persons not familiar with Shur-Gain Products let us suggest that you check any of these products against that which you are now using. They'll make you more money. Thank You.
