G. W. Hunter showing his lantern slides of Great Britain. Mr. and Mrs. Lemon Paisley Misses Luella and Mary spent Sunday with Mrs. Paisley's sister at Bloomington. It was the occasion of Mrs. R. Badgero's birthday.

RETURNED TO POWER
The Liberal administration of Premier A. A. Dymally was returned to office with a reduced majority in the Nov. 20 provincial election in New Brunswick. Three of Mr. Dymally's cabinet ministers were defeated in the close race, whose results were not finally decided until five hours after the polls closed.

8th Line Markham

Mr. and Mrs. Colin Davidson of Sandford visited on Monday with Mrs. Blair of the 9th and with Mr. and Mrs. H. Spang. Mr. and Mrs. Isaac Wambold are spending a time with their daughter Mrs. Sam. Brownberger of Toronto. Mr. and Mrs. A. Honsberger and Mr. and Mrs. Noah Weaver of Breslau are visiting for a few days with friends in this district. Fred Reesor of Port Perry was a visitor with his aunt Mrs. Jos. Kirk on Sunday. A group of young people from Kitchener motored here on Sunday and assisted at the evening service in Wideman Church. The fine fall weather that has prevailed has been very favorable for the harvesting of Brussel Sprouts. There are over 50 acres in this locality and the crop has been fair. There was quite an exciting time in North Markham on Monday afternoon when Reeve O. B. Hisey's new Ford car which was standing in front of his house was stolen while Mr. Hisey was in the house. The thieves were travelling in a stolen Packard and after they had taken the Reeve's car they abandoned the other one at Ballantrae, so we hear. The funeral of the late Mrs. Jesse Grove of North Markham was held on Sunday afternoon at Wideman Church of which the deceased was a member. The service was conducted by Mr. Smucker of Markham, assisted by Mr. Roth of Baden and Mr. A. Grove. The late Mrs. Grove was well known and highly

Cedar Grove

Miss Bertha Reesor spent the weekend with Miss Mary Reesor of Toronto. Mr. Wilbur Barkey spent the weekend in Lenwood while Joe May and Annie were at Elmira. Mr. Bob Miller of Cornell University, U.S.A. spent the weekend with his mother and brothers. Fire broke out on Sunday afternoon at what used to be known as "Milne's Bush" at Hillside. After slight commotion the blaze was soon under control. This week's brain teaser—one doodle bug doubles every 20 minutes. One bug fills a jar in 10 hours. If I put 8 in a jar at noon, at what time would the jar be half full? Mr. Donald Clark past employee of Mr. Gordon Murison boarded an ocean liner last week for England. He has been in Canada for the past 10 years. Mr. John Raymer and Mr. and Mrs. Levi Reesor bid him bon voyage in Toronto as he stepped aboard the train bound for Montreal. The construction of the bridge at the corner and the straightening of the creek at the entrance to Woodland Park has certainly made a great improvement to the four corners. We hardly knew there was so much traffic over this bridge until it was closed. Anyone entering Cedar Grove from the south will surely think things are progressing. The Y.P. banquet was a huge success and was held on Friday evening. Over 100 persons sat down to supper. The Rev. Geo. Dix was guest speaker and I reserve the right to thank Mr. Dix for his excellent address. A sing-song was conducted by Miss Olive Harrington while Miss Evelyn Lapp favored the crowd with a piano solo. The male quartette also sang a number. Everything was enjoyed by all present. Dec. 21st was the date set for the S.S. concert. The Y.P. will hold their annual Carol Service on the evening of Dec. 11th. The cottage Prayer Meeting was held this week at the home of Mrs. F. Postill. Mrs. Enry Shank has not been so well lately, and is on a strict diet. We hope to see her around again very soon. Congratulations to those who

This will be a time and labour saver as he will be able to cool his milk without hauling it very far. The Timbers family on the townline is busily engaged in plastering and papering. And the natural result of being in a grand mess, so they say, is—company! Mr. Ace Davis of Saskatchewan, accompanied by his son Clayton is visiting with his sister Mrs. Anthony Hoover at present. It is eight years since he was back before. Mr. Stein and Mr. Armstrong motored with them. Now is the time to clear out your bookshelves and attics! Any Sunday School papers, good books, or Bibles that you would like to donate will be deeply appreciated for use in the work among the sailors on the Great Lakes. Leave your contributions for this cause at the church by the last of this week and they will be forwarded to headquarters. Winter must be just around the corner. Already a number of young people have been trying out their skates on the pond. And believe it or not, Christmas is just twenty-five days away. The High School students are up to their ears in books at present, studying for the exams which are in full swing. They will be greatly relieved when this week is over! We think—that the school

The readings by Mrs. Winterstein were enjoyed by all. Eight selections on the piano accordion were rendered by Herbert Cheron of Birchcliff School. The scripture reading was given by Douglas Cleverdon. We extend our sympathy to Mrs. Watt in the loss of her mother Mrs. Reuben Pugsley of 34 Roehampton Ave., Toronto.

Melville

Melville District Red Cross which raised over \$1000 in the last war heard Toronto speakers Tuesday night, the ladies of whom gave instruction on articles required. The district is small but important. Mr. A.D. Bruce acted as chairman and Rev. A. E. Owen of Unionville also addressed the enthusiastic gathering.
