Additional Locals

Visit the Clarke's Demonstration at Ratcliff's Store this Thursday, Friday and Saturday.

Mr. Clifford G. Barkey, returned from the General Hospital where he underwent an appendix operation.

Miss Helen Rowbotham spent last week visiting with Mr. and Mrs. W. E. Kent (the former Isabelle Aitcheson) at their new home in North Toronto.

Mr. and Mrs. Frank Young of Toronto were in town visiting Rev. Robert and Mrs. Young. The preacher tells us that his brother Frank is out for the first time after a long and serious illness, but appears to be improving rapidly since his operation last summer.

District Governor Charles Lennox of New Toronto, addressed the local Lions Club and a number of visitors on Monday evening following a turkey supper served at the Mansion House. Thirty sat down to the banquet.

Deputations from the York Township Schools and Park Avenue School staffs were in town on different days this last week, inspecting the new shop room at our Continuation School, the fame of which is becoming provincial-wide. Photographs have been broadcast by the Department showing the Stouffville shop as a model set-up, all of which brings great credit to Principal Murphy who was largely responsible for the local set-up, and to his assistants on the staff who have all worked hard to bring about such fine results.

A surprise party given by members of his family and a few friends marked the 83rd birthday of Mr. Theo Madill who is quite active despite his number of years. A native of Pickering Mr. Madill was a successful farmer south-east of Stouffville for many years, some years ago he retired to Stouffville purchasing the James Hand home which he remodelled and brought up-to-date. The party on Friday took the form of an oyster supper and was a genuine surprise, although Mrs. Madill his faithful partner was probably aware of the honors about to be bestowed.

76TH ANNIVERSARY SERVICES AT DICKSON'S HILL M.B.C. Church

Three special services marked the 76th Anniversary at Dickson Hill Church last Sunday. In the morning, the pastor stressed the need of discernment to know what was contrary to the will of God, and urged his hearers to a life of triumph over the forces of unrighteousness. A duet entitled "Jesus Leads," was effectively rendered by Mr. and Mrs. Lehman.
In the afternoon Rev. H. S. Hallman, pastor of Grace Chapel, Toronto, expounded the true mission of the church.
In the evening, the pastor continued the evangelistic services which had been in progress for the past two weeks. He based his remarks on the narrative concerning the Rich Man and Lazarus, and urged his hearers to set their affections

QUALITY PRICE

A Logical Question -- Answered

In connection with our Shur-Gain Feed Service work we are occasionally asked "Does the product you manufacture compare favorably with Shur-Gain products made in the Company's plant." We can best answer this question by quoting the company's reports on samples taken by the Company's inspector at our mill:

REPORT I. — 21 p.c. Pig Starter. July 25th, 1939

Gentlemen:

On the sample of Shur-Pain Pig Starter which our Mr. Hilts picked up on his visit to your mill, we ran a protein determination only. It showed your feed to contain 22.1 p.c. protein.

This is a very satisfactory result, and we would also mention that we are well pleased with the appearance of the product.

Yours very truly,
Canada Packers Ltd.,
Per M. McGill

Reports on other Shur-Gain Products will be published periodically.
