**Vandorf**

During the past week nearly twelve inches of snow has fallen, and the mercury fell, as well, some said it stood at 29 degrees—on Sunday morning while others shivered and appreciated the stove and the comfort of home. Constable John Williamson declares, it was 36 below by his thermometer which he does not question the accuracy of.

**Additional Locals**

See "Oklahoma Kik" at the Stanley Theatre the first of next week, January 15, 16, 17. Everyone will enjoy the invigorating antics of Jimmy Cagney in the leading role. Supported by an star cast Cagney is at his best.

Mrs. Kidd of Aurora has returned home after being with her mother Mrs. Henry Vanzant who recently sprained her wrist and ankle when she had a fall on the steps at the rear of her home on Main street.

Rev. H. Lee officiated at the christening of his grandchild Dennes Beynon Lee, aged 4 months, at the parental home in Islington last week. Fifty years from now Mr. D. B. Lee will be telling his friends with a good deal of inner and justified pride that he was christened by his grandfather.

Arthur Baker and our east end merchant A. Greenwood were on a fishing trip at Sutton for a day or two, but the luck was not too good. Perhaps the extreme cold had something to do with the fisherman's luck for the thermometer dropped to 35 below zero, and that was a bit to cold for comfort.

From Castor, Alberta, Mr. David Weaver was in town this week, making a visit at the Mennonite parsonage with Rev. and Mrs. H. Shantz. He is one of their close friends on their first charge in Western Canada some years ago. From here Mr. Weaver proceeded to Kitchener to visit relatives.

Lloyd Turner, local dairy farmer reports the sale this week of four Holstein cows, fully accredited and federally blood-tested. These cows; two 3-year-olds, one 4 and one five-year-old are from Mr. Turner's fine Holstein herd, and will go to Port Arthur. Also within the week the Turner farm disposed of three Holstein bulls.

Thos. Williamson was the oldest man to record his vote on January 1st in our town. He looked on Reeve Weldon as the watch dog of the public purse, and congratulated him on his return. Delbert Holden, he regards, as a good acquisition to the council. Like Dr. Walter Sangster, Mr. Williamson has battled elections here for half a century.

**LEAP FROM BALCONY ADDED MOVIE THRILL**

Spectators 20 feet back from the stage in a downtown Toronto theatre Saturday afternoon saw a man jump 14 feet from the balcony of the stage.

"I thought it was some new movie effect to get a man into the picture being shown," a spectator told police.

It was a 50-year-old man from Brooklyn, Ont., who did the jumping.

"God told me to jump and when God tells you to jump you just have to jump," he told the police. He is now in St. Michael's hospital suffering back injuries and possible internal injuries.

**WHERE AVERAGE CITIZEN IS HARD-HIT**

Robert Hockley of Uxbridge Township is a patient in the Western Hospital, the Township Council has been advised by the Ontario county clerk. Immediately anyone is admitted to hospital today, prompt action is taken to learn of his or her financial standing. If he has nothing, there is nothing to lose; if he has much, there is ample to pay with, and no need to worry; if he has a small saving for old age, it is often too bad for hospital accommodation comes high.

**NON-CHURCH GOERS DISPLAY MORE ENTHUSIASM**

According to the Daily Star radio news Monday evening Ballantrae is faced with a peculiar situation. Folks who do not often go to church are very keen on the village having a new edifice, since the United church building was lost by fire, while those who are regular attendants and supporters appear indifferent and lukewarm to the idea.

Relief Down Over \$500 From Same Month Last Year

Relief expenditure in Markham Township for the past month stood at \$594.51, a drop of over \$500 from that paid for the same period last year. Relief Officer Charles Hoover explains the decrease as probably due to the mild month of December we have experienced, and to a tightening of Department regulations regarding the distribution of relief vouchers.

It was brought to the attention of the council at their opening session on Monday that the large number of Toronto skiers who frequent the town-line west of Gormley were monopolizing the road there on weekends by parking their cars anywhere and everywhere making it nearly impossible at times for other motorists to pass, especially during these winter months when the snow made the road very narrow. It was suggested that the township should meet with representatives from Whitechurch with a view to having No Parking signs erected along this stretch of road.

The Board of Health re-appointed for the coming year will consist of Reeve Rennie, Deputy-Reeve Hooper, Dr. C. R. McKay and W. F. Kincaid. The M.O.H., Dr. McKay will receive a salary of \$500, with other members at \$4 a meeting plus necessary travelling expenses. Ben Gayman was returned as Sanitary Inspector at salary of \$25.

The Weed Inspectors, Robert Stiver and J. M. Warriner were reappointed at salaries of \$165, and \$100 respectively. No change was made in the School Attendance Officer, Jas. Gibson filling the post.

Road expenditure estimate for the year was placed at \$28,000, a decrease of \$2,000 over last year's figure. Heavy bridge construction and road machinery purchases last year made for the \$2,000 difference. This figure is divided as follows: Road Construction, \$3,000; Bridges, \$1,500; Machinery, \$1,000; Superintending, \$1,500; Maintenance and Repair, \$21,000. General accounts passed totalled \$314.58, and General Road Accounts, \$211. Road Supt. Accounts passed were: R. J. Cunningham, \$7.20; D. Brown, \$4.80; W. J. Stonehouse, \$4.80; E. A. Buchanan, \$7.90.

**REACHED 85th YEAR ON WEDNESDAY**

Alert and active far beyond what is expected of one at 85 Mrs. Thomas Klinck, O'Brien Avenue, was taken by complete surprise at her home on Wednesday when about 35 members of the family gathered to do honor to this highly respected and beloved mother on this her 85th birthday. Mrs. Klinck looks after her own home, and walks down town to do any shopping she requires. In fact she is quite above being assisted because of her great age, feeling that she is well able to do as she has always done, and her friends are secretly delighted with her ability. When she realized that her children, grandchildren, and other relatives were thinking of her in such terms on Wednesday, it brought tears and smiles altogether. Ye editor met Mrs. Klinck on Tuesday as she was tripping along Main street over treacherous pieces of ice, with the ability of the average grown-up. At that time Mrs. Klinck was unaware of what was being planned for her.

**CARRIED WATER FOR YEAR NOW HAS A GOOD WELL**

Norman Burkholder was successful in obtaining water on his farm, 8th concession, Markham, just north of Mt. Joy at a depth of 130 feet. The water rose to within five feet of the top of the pipe, and promises an ample supply. For years Mr. Burkholder has labored long and hard on many occasions drawing water a considerable distance for his stock.

**TRAIN ENGINEER MEETS ANOTHER ACCIDENT**

Crushed by six tons of logs when his trailer truck collided with the C.N.R. train, Stratford to Sarnia, at Lucan, near London, 38 year-old George Welsh was killed, the driver of the train being, it is reliably stated, the same engineer who figured in the accident at Stouffville when Edgar Storry lost his right hand, and part of his arm. In this case, however, reports indicate that no fault is attached to the train crew.

A witness stated the truck was travelling slowly at the time and the driver applied his brakes as he approached the C.N.R. level crossing. The weight of the load, is believed to have carried the truck down the slight incline to collide about six feet from the nose of the engine.

In the collision the logs shot up flattening the driver's cabin,

**WELL KNOWN DOCTOR DEAD**

The death of Dr. George Brodie at Woodstock last Saturday removes an aged man who was known well around Claremont. He was in his 84th year, and was a son of one James Brodie who farmed in Markham and once lived at Cashe. Of a family of several sons, two brothers of Dr. George lived at Claremont, both professional men, Dr. Charles Brodie, V.S., and Dr. Ralph Brodie, medical practitioner who succeeded Geo. in his practise there 40 years ago.
