GRAY COACH LINES

Dickson's Hill

Wednesday, Feb. 7, is the first day of Lent. How many know what this signifies?

Miss Katherine Moyer spent a few days with Mr. and Mrs. Edwin Raymer of Weston.

Mr. and Mrs. Thomas Keffer of Maple visited with Mr. and Mrs. Harvey Moyer on Wednesday.

We are glad to welcome Mr. and Mrs. Seldon Abell (nee Glenna Davis) to our community.

Mr. and Mrs. Win Timbers and family enjoyed a skating party and oyster supper at Balsdon's of Todmorden last week.

Soup—often and plenty of it is in demand at some houses in our neighbourhood. Of course, we know its cold weather, but there's another reason.

The Young People's Society of Dickson's Hill and Mt. Joy will have charge of the service at Bethel Chapel on Thursday evening.

The church service in the

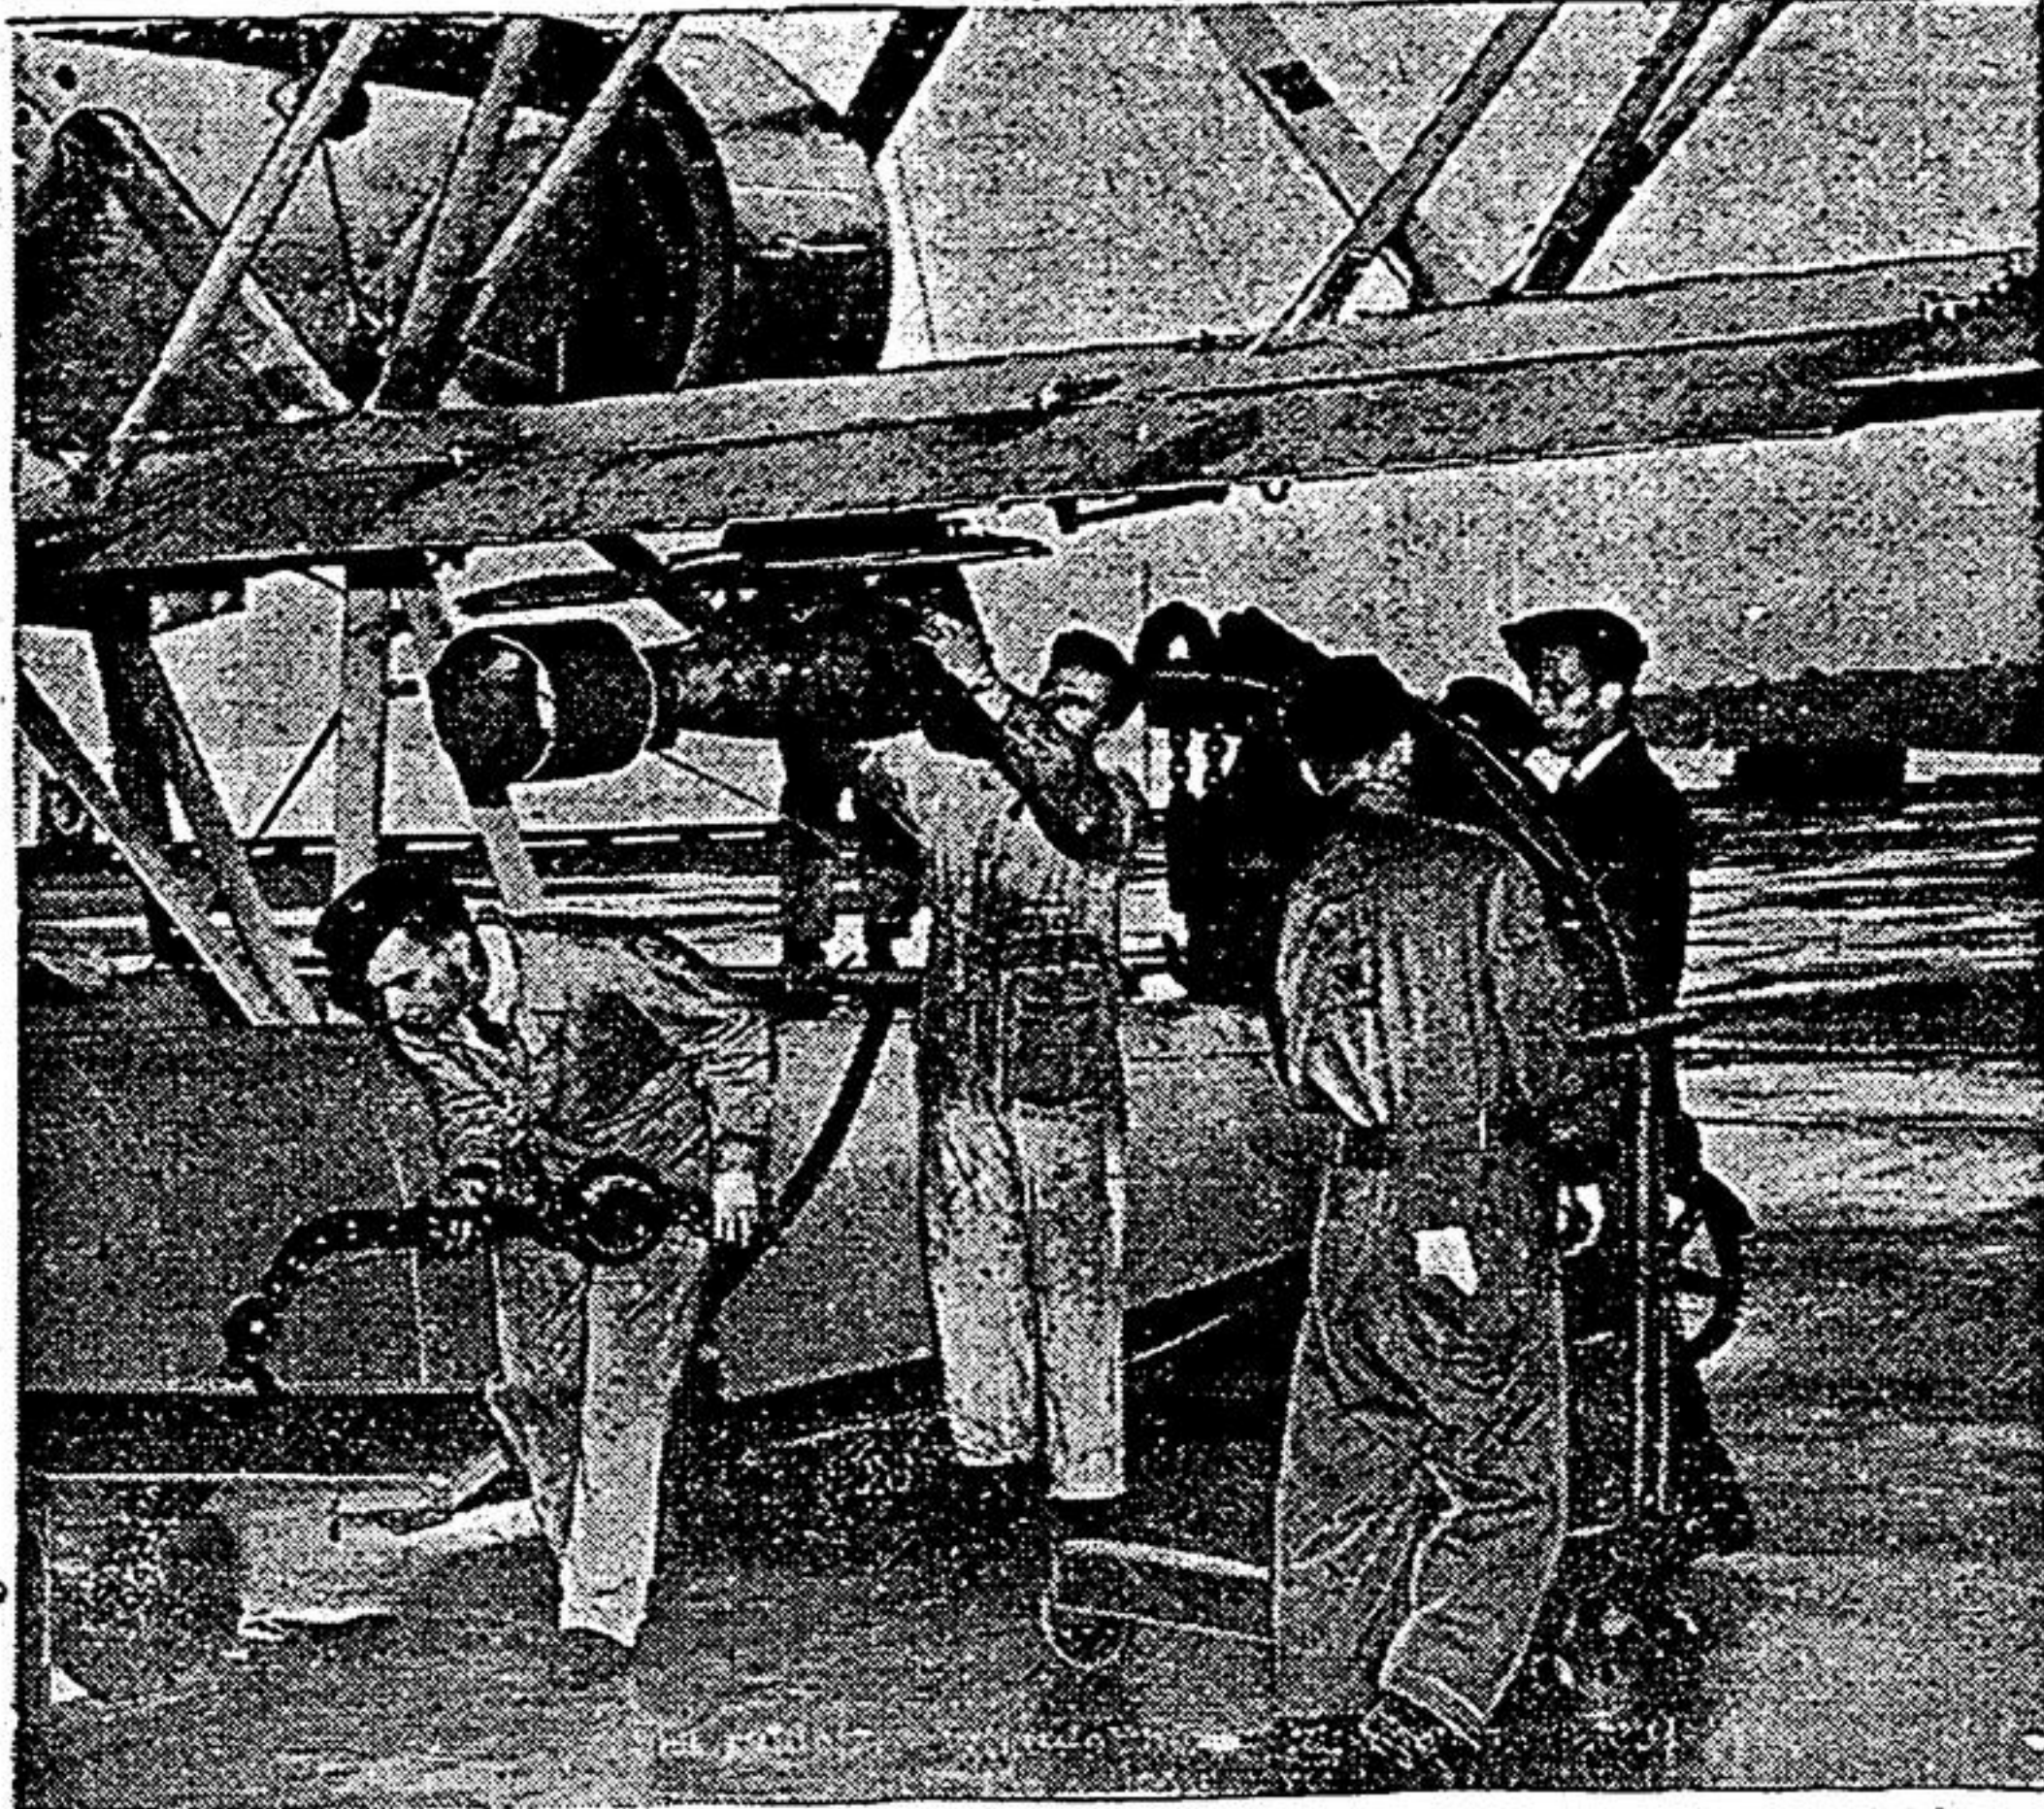

evening was conducted by the local preacher, Mr. Willson of Gormley, who spoke in his usual whole-hearted manner.

A meeting of the W.M.S. will be held at the home of Mrs. Herbert Wideman next Wednesday. Bring your thimble and your lunch and have a good time.

Sunday being our Quarterly Temperance Lesson, Mrs. Lehman gave an appropriate talk to the boys and girls about the harm done to the body by the use of the modern cigarette. A healthy body and a pure mind are priceless treasures every young person should guard jealously.

A merry group of young people piled on Mr. A. C. Barkley's sleigh on Thursday evening and enjoyed a ride through the snow-storm. By a roundabout way we reached our destination at Mr. Barkley's home where the remainder of the evening was spent playing games and singing. Coffee, candy, and cookies were consumed with great gusto, after which we hit the homeward trail and got to bed on Friday morning.

Ground crewmen trundle heavy, deadly projectiles into position and fit them into the racks beneath the wings of this big dive bomber, so named because it releases its bombs as it dives, then quickly pulls up and away before the explosion occurs below.

to, after which we hit the homeward trail and got to bed on Friday morning.

How happy we would be—If Harve Moyer's lane were not so long.

If Joseph Hoover didn't have to get up so early.

If Anthony Hoover's didn't have so much snow.

If Roy Moyer's car would start without pushing.

If everyone got to church on time.

If our miller would begin a free-chopping plan.

If the correspondent would quit writing such nonsense.

Green River

A few of our young hopefuls witnessed the ski running at Dagmar on Sunday.

Miss Lois Draper of Toronto spent Sunday in the neighborhood.

The Cottage Prayer Meeting was held last week at Mr. J. B. Wilson's Home.

The Y. P. held their meeting this week at the home of Mr. and Mrs. Roy Seebeck.

Sorry to report the sick are not improving very well and Mrs. Henry Shank had a nasty attack of laryngitis last week.

Mr. and Mrs. H. B. Michell and Mr. and Mrs. William Michell of Whitevale spent Saturday afternoon in Oshawa with friends.

The weather on Sunday evening was fine and not too cold but what a pity more people can't find enough ambition to come to church and enjoy the fine talks by Rev. H. Wilson.

Congratulations and many happy returns to George Duncan who celebrated his eighth birthday on Sunday. However on Saturday afternoon fourteen young friends of both sex called on him to see he had a real good time.

Mr. Chicken Pox has made a few more calls in the neighbourhood. We hope his visit will not be too lengthy.

Remember to be out to Sunday School on Sunday at 2 p.m. The assistant officers will have charge of the school.

Sunday visitors with Mr. and Mrs. Gordon Tidsbury were, Mr. and Mrs. Clayt. Gayman, and Mr. and Mrs. Harrison of Donlands.

Mrs. Wideman and Miss Elizabeth Wideman of Dickson's Hill have been visiting with Mr. and Mrs. C. Bolender and family.

Messrs. Clarence and Charles Atkinson and Misses Selena and Flossie Atkinson attended the funeral of their cousin the late Mrs. Williamson in Newmarket last Thursday.

Leonard Brillinger took in the trip to Toronto with the Junior Farmers last Thursday through the Canada Packers; Leonard enjoyed it all very much, especially the mince pie and ice-cream, which we hear nearly got him down.

The Hillcrest Public School held their annual skating party last Thursday on Atkinson's pond. During the afternoon the Lemonville school hockey team arrived and a rousing game of hockey resulted in the Hillcrest team losing to their visitors with a score of 3-2. The afternoon was capped off with a lunch of hot dogs, cookies and steaming hot cocoa.

Markham Tp. Council

Markham Township council passed an unusually quiet session on Monday afternoon at the Township Hall, Unionville.

Relief accounts for the month totalled \$962.11, which was a decrease of \$150 over the same period last year.

A communication was received from Harry Price of Bayview Ave., requesting council to share in the cost of 2,300 feet of snow fence which he had taken upon himself to purchase and place on this section of township road. Mr. Price maintained that the fence was of estimable value to the township, and an ease on the snowplow which he claimed had only passed his property once during the winter, and then at his specific request. Council did not disclaim the value of the fence, but decided that no steps would be taken in the matter until next fall when the purchase of additional snow-fence would be up for discussion.

A deputation comprised of Messrs. Ward, Morris, Britain and Sanders from the Milliken district waited on the council with regard to the taking over of the road, eighty rods in length, running from the 6th concession to the railroad. Road Supt. Maxwell estimated the cost of travelling the stretch would be around \$240. This cost it was agreed, would be borne by the ratepayers involved, and spread over a five year period, after which time the road would become a charge on the municipality.

Road Supt. Maxwell reported that the township roads were being opened to traffic by the plows at a satisfactory rate, and sighted that the one outfit had covered forty miles in two days recently. Many of the sideroads presented an almost unsurmountable obstacle, but work was proceeding steadily.

Road Foreman's accounts were as follows: E. A. Buchanan, \$8.40; T. Canning, \$8.75; W. B. Heise, \$9.95; W. Allchurch, \$29.95. General Road Accounts totalled \$608.69.
