Lake Folk Hold Annual Ball

The Annual At Home of the Musselman's Lake Ratepayers Association, was held at 229 College Street, Toronto. There were over 500 guests present to enjoy the well chosen program of cards, dancing and refreshments. The committee in charge of the arrangements excelled in providing a most enjoyable evening and the decorations of the hall blended beautifully with the occasion, in fact the general atmosphere of this social function was thrilling.

We were favoured by the attendance of many local residents of Musselman's Lake, included in these were the Davies family, the Windsor family and Mr. and Mrs. Hoskin. Besides the pleasures derived from this event it serves, in many ways, other useful social purposes. Here we meet old friends and make the acquaintance of new ones, here we have the opportunity in a family way of chatting and relating our summer fellowship which is so necessary to maintain the good will of each and all in our community relationship.

A large number present were of the younger set, they were to be found on the dance floor, dancing to the inspiring music of Cliff Lloyd and his orchestra. Many boxes of chocolates were distributed to the lucky prize winners of the spot dances.

The prize winners of the card tables were, Mrs. E. Fleming, Mrs. Sluce, Mrs. W. M. Smith, Mrs. H. Middleton, Mrs. A. J. Carter, and Mrs. Marritt. Mr. Moon, Mr. Howe and Mr. Horsman were the winners of the gents prizes. The draw for the grocery hampers resulted as follows: Mr. Elliott was the first name drawn from the box and Mr. Bruce the second.

A presentation of a brief case was made to Mr. Bevans our late Secretary for his past services. Mrs. Bevans received the gift.

The officers of the Association wish to express their thanks for the co-operation of the members in making the Annual at Home a success. Their efforts in this affair was fully repaid by that success and give them much encouragement to continue the planning for the future betterment of all social and business policies and the building of an organization which will merit the confidence placed in them.

Goodwood

GRADEA MILKER

World's EASIEST TO CLEAN!

TWO amazing new inventions permit greatest milker advance in 30 years! Over 40 bacteria breeding parts eliminated... no locks, clamps, bolts, nuts or screws interfere with use or make cleaning difficult. Brand new transparent milk chamber in ONE-piece and unbreakable. New all-rubber "lip action" valve... only ONE-piece... a marvel of simplicity—can't corrode, clog or foul and is cleaned in a flash. GradeA approved by most rigid inspectors EVERYWHERE. Entire milker cleaned CLEAN in 3 minutes. Fully waterproof. Self-rinsing. Vacuum adjustable for each cow. Won't tip. Uses shipping cans, cream cans or pails. Electric or gasoline. Better to get a GradeA than to wish you had. Penny post card brings you FREE "GradeA Guide"—facts every dairyman should have.
