Mrs. William Smith and son Roy visited at Simeon Hoover's on Monday.

Mr. McMullen, the efficient wood-buzzer is making his annual round in this community.

Mr. Percy Russell of Hamilton was a Sunday guest at the home of Mr. and Mrs. Harvey Moyer.

Those of our community who listened to Dr. MacLeod in Stouffville United Church, last week were greatly impressed with his timely messages. One week seemed far too short but we trust that his words have sunk deeply into the hearts and will never be forgotten.

Mrs. Clifford Barkey fashioned a very interesting model of our native African Missionary, and he is now stationed at the back of the church. This little fellow has a very hearty appet-

ite, his chief die consisting of coppers, but he welcomes a few dimes or quarters as a special treat. When the children get him filled up, he will be opened and his contents sent to the mission field. Watch this column for news of that event.

The trustees have furnished the school with a book-case and a number of new books. To most people, a new book is always welcome, so we are certain that this investment will afford the children a great deal of pleasure and a measure of profit as well.

We trust that everyone will avail themselves of the opportunity of hearing Miss Gregory of the Free Methodist Church in a series of services in the Mount Joy Church during the coming two weeks. Miss Gregory is a very able speaker and you will enjoy her forceful messages.

The Jr. Institute meeting which was postponed this week because of road conditions will be held next Wednesday, weather permitting, at the home of Reta Atkinson. Miss Norah Macklem will give a talk on historical events of the Sixth Line, which will be very interesting.

On Friday afternoon the ladies of the community made a surprise call at the home of Mr. and Mrs. J. Cameron who are shortly leaving our community. Mrs. Cameron was presented with a brush, mirror and comb set of black, and the following address read:

Dear Mrs. Cameron, It was with surprise and much regret that we learned you are leaving us. You have won for yourself many warm friends in the community, by your bright personality and willing helpfulness. There will be a vacant place in our W.M.S. and Sunday School Class, where you were a faithful attendant. You and Mr. Cameron will both be missed in the church and community. As you leave us, we wish you and Mr. Cameron good health prosperity and happiness in your new home, and may God crown your life with many rich blessings.

As a slight token of our love and esteem for you we ask you to accept this little gift and as you use it may you have many memories of the years you spent in Bethesda.

Signed on behalf of the ladies of the community, Miss S. Atkinson, Mrs. A. Shaffer, Mrs. W. Burkholder, Mrs. A. Scott, Mrs. C. Burkholder, Mrs. W. Hunt.
