# Lion's Entertainment Worthy of Support

Dominion. Day, Monday, July 1st, is again 'expected to see Stouffville jammed to capacity for the big celebration sponsored by the local Lions Club. As in past years, there will be a continuous program of sports from 12 noon on to be topped off with a big concert in the arena at night supplied by the outstanding talent that has been such a feature of former Lions Club concerts.

A special committee will entertain the children with races and prizes in the west park while the men's and ladies' softball games are being run off on townspeople. the main grounds. At 6 o'clock a football game between Claremont, South Ont., League lead- Largest Attendance ers, and Toronto Ulsters will be the feature sport's attraction.

### From Vancouver to Toronto Only an Overnight Trip

Dr. L. W. Klinck, president of the University of British Columbia, gave The Tribune a profitable half hour of his time last Saturday while in town for a few days to see his aged mother, Mrs. Thomas Klinck, who is in the octogenarian class. Leaving his office away out on the Pacific coast one evening last week at six o'clock, he motored to the airdrome and went aboard one of those huge trans-Canada liners which flew him over the mighty Rockies and across the prairies at sufficient speed as to enable him to have dinner in Toronto the next day at noon. A marvelous way for a busy man to travel, but we do not imagine one could have much opportunity to admire the scenery. Dr. Klinck declared that the mighty Rockies looked like a succession of peaks, vastly different from the indescrib-
