

TOWN TOPICS

The Tribune would appreciate receiving for publication letters from soldiers abroad.

Mr. and Mrs. Morley Barker and family, also Eulah Brilling took in the Hundred Mile Cruise on the Muskoka Lakes last week, and as the heat wave was on, it was even more delightful than usual to be on the lakes.

Mr. Walter Tyler, brother of William Tyler, one-time pastor here in the Christian Church was married last Saturday at Bloor Street United Church, Toronto. Walter was an occasional visitor to town during his brother's pastorate here.

Gordon Lehman was called home from military camp at Petawawa last week owing to the illness of his wife, who was seized with a sudden attack. Mrs. Lehman has improved and her soldier husband has gone back to his military duties.

Mr. Bert Gould of Toronto has built a private garage on Stouffer St., on the lot purchased by him from Richard Burton. Mr. Gould intends to complete a house on the site next year when he will take up residence in town.

Mr. H. A. McInnes is acting manager at the local branch of the Bank of Nova Scotia during the absence of Mr. Marshall who is holidaying with his family at their summer cottage near Beaverton, and incidentally making a few fish stories come true.

Saturday night's crowd in town was as large as anything seen here on these busy nights. As luck would have it, the colored lights failed to come on just when we wanted to show our best. However, the big crowd seems to be enjoying themselves while the store windows added a good deal to brightening up the street. Our Saturday shoppers are coming from greater and greater distances, as they realize that they can make their purchases here as economically as anywhere.

Driving down the ninth concession about 8 o'clock on Sunday evening with his horse and buggy, John Graham, Stouffville, was struck by a Gray Coach Lines bus and hurled to the ditch. The horse, separated from the buggy, ran away. Mr. Graham came off with only a few bruises, likewise the horse was uninjured, but the buggy was smashed up. John explained that he had stopped on his own side of the road to give some direction to a passing stranger who made enquiry. Just as he started his horse again, the impact occurred. It was stated that the bus driver who came up behind the horse and buggy, could not see the vehicle. The buggy carried no light.

Mrs. S. W. Hastings and Mrs. George Barkey spent Thursday as guests of Mrs. H. W. Sanders Lakeview House, Jackson's Pt.

Charlie Nendick has been recruited with the Queen's York Rangers, and is back in uniform. This former son of Stouffville was a capable N.C.O. back in 1914-18.

Miss Jessie Walls, R.N., daughter of Mr. and Mrs. Edw. Walls and accompanied by Rev. T. H. Somers, M.E., have been holidaying at Miss Wall's home here on 10th Street.

Mrs. W. J. Mather and Betty who have been visiting with Miss Margery Mertens for a week, left on Saturday to spend a holiday with relatives around Peterborough.

Mrs. Leland Johnston living on the old homestead where she was born on the 10th concession just north of town (the Brown farm) is making very fair recovery since undergoing an operation at the Western Hospital in Toronto. Her condition was precarious.

Dr. Isabel Booth, daughter of Mr. and Mrs. A. E. Booth of this town accompanied a patient from Algonquin Park to Toronto on Thursday by airplane passing over Stouffville enroute. Dr. Booth was rushing a girl patient to Toronto for an appendix operation.

Seventy-three cases in the Newmarket court Tuesday of last week ought to be a warning sign to motorists as most of the cases were for infractions of the Motor Vehicles Act. Yet with all those picked up, there will be others for the next court to take the places of those who have gone before. During the absence of Mr. N. L. Matthews, Mr. Harold Sanders acted as prosecuting crown attorney.

The Dickson Hill section of the 8th concession takes its weekly toll of motor accidents, and there are plenty of people who believe the construction of this road is not as it should be. However, this week's accident could not be blamed onto the road surface, when opposite Anthony Hoover's, an Acme Dairy truck going south side-swiped a passenger car travelling north and driven by a chap named Anderson of Withrow Avenue, Toronto. Anderson was accompanied by his two sisters and Bert Reid of the same address. Only the hub cap was torn from the truck, but Anderson's car was smashed considerably, while one of the girls suffered severe injuries and was taken to a doctor in Stouffville where ten stitches were required to close a wound in her face. Police said the truck was travelling over the yellow strip about a foot, but no charge was laid on the spot. Constable B. Gayman and Constable Al. Greenwood investigated.

A former prominent citizen spent a few hours in the old town last week when Mr. Walter Renfrew, accompanied by his daughter, motored from Toronto to look up old friends. He was called from his home in British Columbia owing to the serious illness of his brother in Toronto. At one time Mr. Renfrew owned the Storey farm at Dickson Hill, and lived in town where Dr. Ball resides.

"The whole family look forward to Thursday of each week," writes Mr. J. Burkholder of Vineland who explains that Thursday is the day The Tribune usually arrives at their home. An old resident of the townline, south-east of Stouffville, we are delighted to know that friendship of other days are not forgotten and are maintained through the help of the home town paper.

The Stouffville Band tendered an open air concert on the grounds of the Brierbush Hospital last Thursday evening. It must have been enjoyed by the sick folk on that very hot night when everybody was feeling effects of the heat. These concerts have been held alternately in the east and west ends and residents are indebted to the leader and boys of the band for good music.

Two or three east end boys are having their conduct investigated by Constable Greenwood. One evening last week they broke off two or three young trees planted a few years ago by the Horticultural Society and in front of the M.B.C. church broke a large limb from a more mature tree. If the lads were ordered to appear before the council and apologize for their silly act, it would be a lesson for them. A refusal to make an apology should be followed by a court prosecution.

The hour of service in St. James Presbyterian Church has been changed from 3 p.m. to 11.30 Sunday morning. It is felt that the early time of worship will meet with the approval of a greater number of members.

The change of time will go into effect this coming Sunday, when the Minister the Rev. T. DeCourcy Rayner, will preach his topic being: "The Song of the Thunder Storm." Are you frightened by thunder storms? Perhaps you have not learned the Song of the Thunder Storm. Did you know there is such a song? Come and discover its beauty says Mr. Rayner.

Varied minor damage was reported following the heavy wind and electrical storms of last week. On Thursday night the street lights in town were put out of operation for several hours when a transformer was struck in the Markham area. The same evening a sudden violent gust of wind swept in through the open house windows of our theatre proprietor, Mr. Syd. Schmidt, and dislodged a slab of plaster from the ceiling of one of the bedrooms. The large cake of mortar weighed nearly thirteen pounds and Mr. Schmidt's son Stanley had a narrow escape from injury when this part of the ceiling crashed near the head of his bed.
