Niagara Pastor to be Here

Last Sunday, July 28th was the fourth Sunday for the union services of the two churches here. Rev. I. Kennedy the United Church minister is leaving for his holidays this week, and for the next four Sundays, union services will be held in the Baptist Church in the morning and the United at night. Next Sunday, August 4, Rev. N. E. Newton of Niagara Falls will be the speaker at both services.

Quiet Wedding at Parsonage

A quiet wedding was solemnized at the United Church parsonage, Claremont on Saturday evening when Isobel Middleton daughter of Mr. and Mrs. William Middleton of Markham Township, became the bride of Norman Degeer who is employed on the north townline. Rev. I. Kennedy officiated at the ceremony. Sister Agnes Middleton of Stouffville acted as bridesmaid while brother Stanley Degeer was best man.

Farmer Injured in Tangle with Team

Arthur Prouse of the 6th concession suffered possible dislocation of one knee on Saturday afternoon when he became entangled with his team while returning from the hay field. Apparently the flies were bothering, the horses considerably and in tossing her head the one animal caught the line in such a manner as to pull her backwards, backing Mr. Prouse who was on the mower seat into a gully. To add to the mix-up the neck-yoke broke and the trussed up horses managed to get turned around and wedge the unfortunate farmer against the seat giving his leg a bad squeeze. His cries for help brought neighbours, Dave Pugh and Milton Benson to the scene and they were able to free both horse and man.

Mrs. Sidney Bennett Dead

Mrs. Sidney Bennett of Claremont passed away at her home on Monday morning at the age of 73 years. Mrs. Bennett whose husband predeceased her some twenty years was a daughter of Mr. and Mrs. John McKay of Oakville. Deceased was always of a most cheerful nature and has made her home here since the death of her husband. She is survived by four sisters, Mrs. C. B. Patterson, Vancouver, Mrs. F. Tripp, Toronto, Mrs. Oscar Bray, Buffalo, Mrs. W. Bennett, Markham and one brother, William McKay of Oakville.

The funeral was held on Wednesday afternoon to Claremont Union Cemetery.

Sister of Pickering Woman is Buried at Queensville

Funeral services for the late Mrs. Lewis Irwin took place on Friday afternoon, with interment at Queensville cemetery. Rev. Arthur Greer conducted the services.

Before her marriage on March 5, 1928, Mrs. Irwin was Alma L. Thompson. She was born at Zephyr, Oct. 27, 1902. Her parents were the late Huldah Arnold and Kemp Thompson of Queensville.

The family moved to Queensville when she was a small child and she went to school there. She became a registered nurse, graduating from Victoria Memorial Hospital, Toronto.

She practised her profession in Toronto, Newmarket and Detroit. It was in Detroit that she met her husband. Following their marriage, they lived in Detroit until 1933, and then moved to Stratford, and subsequently Toronto.

Five years ago Mr. and Mrs. Irwin moved to Newmarket, where for the last two and a half years Mr. Irwin has been the rural mailman for R. R. 1, Newmarket.

Besides her husband one brother and three sisters are left: Sidney Thompson, Queensville, Mrs. Harvey McCordick (Abbie), Newmarket, Miss Laura Thompson Toronto, and Mrs. Kenneth Pratt (Marie), Pickering Township, 4th Con.

OLD HOMES CAN BE INSULATED AS WELL AS NEW

Several residents in town now completed with pneumatic insulation. Let us give you the cost price for your home, be it large or small, brick or frame, town house or summer cottage.

Rockwool, one of the most recent additions to the list of Canadian made insulating materials, is a soft, light, fibrous material consisting of interlaced, flexible, glassy fibres so very fine that, individually they are almost invisible to the naked eye and will float in the air. In the process of manufacture a suitable rock, consisting of nearly equal proportions of acidic and basic constituents is melted to a completely fluid state and then converted into fibres either by a blast of steam or air, or by a mechanical device.

With this insulating material properly used it is easy to keep your house comfortable even in the coldest winter weather. This astonishing fire-proof material keeps the warmth of your house from escaping through the walls and roof, and helps make uniform temperatures upstairs and down.

Save Coal Next Winter

We can supply personal testimonies from people in Uxbridge as to the wonderful Coal Saving they experienced. Forty homes were completed in Uxbridge by us.
