Gormley

Mrs. Ernest Jones is in
Beamsville this week visiting
her cousin.

Mr. and Mrs. Roy Brillinger
motored to Stevensville last
Sunday bringing their daughter
Miss Vera home with them.
She had spent the summer
there.

Mr. Dan. Cleminhagie who
has been employed at L.
Steckley's left for Western
Canada a few days ago. He
travelled by the thumb route
and reached the north shores
of Lake Superior in record time,
we hear.

Mr. O. L. Heise completed
harvesting a big grain crop on
the home farm at the Square
last Tuesday, which is probably
the first place to be finished.
The grain crop certainly looked
very fine.

We had two interesting
groups at Heise Hill church last
week to bring us profit and
inspiration. Thursday night a
group from the Bible School
headed by Carleton Witlinger
and a ladies quartette conduct-
ed a meeting and on Sunday
the Young People from Wain-
fleet were here. Chris. Sider
headed this group.

South America were visitors
with Mr. and Mrs. Walter Byer
last Friday.

Quite a number from this
vicinity assisted at the raising
of the new barn on the farm of
Mr. Joseph Gould east of Mark-
ham village.

Mrs. Little who has been con-
fined to her home recently
through illness we are pleased
to report is improving.

RURAL SCHOOLS OPENING ON SEPTEMBER 9th

Still Others Open on Usual
Date of September 3.

Mixed opinion prevails over
the school sections concerning
the best time to commence the
fall term, but the prevailing
dates are Sept. 3 and 9. Some
schools are not impressed with
the need for boys and girls on
the farm and will open their
school on the regular date of
Sept. 3. In the case of Mongolia
it is explained that the boys at-
tending are very small, and of
no use in the harvest fields
while at Altona the building is
being decorated, and the work
could scarcely be completed in
time for Sept. 3.

The following schools will
open on Sept. 9, Ringwood,
Altona, Dickson Hill, S. S. 8,
(6th Concession Whitechurch),
Bethesda and Stouffville.

Opening Sept. 3, Mongolia,
Ballantrae, S.S. No. 7 Whit-
church, Gormley, Lemonville,
Atha.

Opening Sept. 16—Glasgow.

lations to Mr. and Mrs. Joe
Tran the newlyweds.

A shower to honour Mr. and
Mrs. Charles Woodcock will be
held at the school on Thursday
evening this week. Mrs. Wood-
cock has been the school teach-
er here for several years and
we greatly regret her parting
from this district. The newly-
weds have a farm near Stroud,
which they intend to occupy in
the near future.

The Ladies' Aid held their
meeting this week at the home
of Mrs. T. Williams. Mrs. M.
Ryan, was special speaker dur-
ing the afternoon. Tea was
served later. The doll carriage
parade was held at the Park
last weekend and many prizes
awarded.

Congratulated on 90th Birthday

With all but one of his family
of nine sons and daughters to-
gether with grandchildren and
friends numbering forty people,
Mr. Seneca Baker was honored
on his 90th birthday in fitting
style last week. Only a couple
of weeks ago Mr. Baker called
at the office of this paper and
we were impressed with his
sprightliness and cheerful
greeting. He follows current
world events in an intelligent
way, and is a student of history.

Further, he still does a bit of
work about the farm, and would
be willing to do more if the
family would allow it.

Dr. Jacob Baker, 76, Toronto,
and Rev. Wm. Baker, 86, Peter-
boro, brothers, called at the
Baker home in Whitechurch to
congratulate Seneca on reaching
the age in life where he may be
styled a monogenerian.
