More Eggs, Less Feed, Greater Profit

To get the biggest profits you must have maximum production. Feeding hens Ful-O-Pep Egg Mash is the certain method of getting most eggs.

Ful-O-Pep Egg Mash is a scientific balance of many ingredients with an oatmeal base. It provides the right amount of protein and carbohydrates necessary for heavy working hens. Bone meal and calcium carbonate supply the necessary minerals. All elements which the hen reproduces in eggs are fully restored, keeping her fit for heavy production. The Cod Liver Meal in Ful-O-Pep Egg Mash replaces the missing sunlight during shorter days, and its vitamins make other ingredients do better work.

Because finely ground, Ful-O-Pep Egg Mash is easily digested. No waste. All feed. Hens eat every bit of it. Cheapest feed you can use BECAUSE IT GIVES MOST EGGS FOR THE LEAST MONEY. Ful-O-Pep Egg Mash and Ful-O-Pep Scratch Grains form the ideal combination. Ask your dealer for them.

Quaker FUL-O-PEP EGG MASH
