

TOWN TOPICS

Mondays may go on record this month as the coldest days, for last Monday like the one before it, saw the thermometer dip away below zero.

Jim Green who is serving in the Home Guard has closed his home here, his sister having left a week ago to live in Toronto. The family occupied a house on Stouffer street for several years.

Stover's Bakery has just placed before its customers a new loaf, known as the Cracked Wheat Loaf, and it is going over in a big way. The nourishing ingredients make it a special body builder. Have you tried it?

No fooling now! Meet me at the arena on Wednesday evening, Jan. 29, for that skating party under the auspices of the Eastern Star. Dust off your old skates and paste the date in your hat. Good music and a barrel of fun awaits you, and a lucky draw may bring you a big surprise.

LIONS CLUB CARNIVAL

WEDNESDAY, FEB. 5th

HORSE RACE ON SKATES

BALD-HEADED LION vs. SHORT-SKIRTED LIONESS

We had a wide range of weather last week, beginning with 20 below zero on Monday to rain on Friday.

Mr. and Mrs. R. Cunningham of Toronto, Mr. Roy Howe of Port McNicol and his fiancée, Miss June Lockett, of Toronto, were week-end guests of Mr. and Mrs. Gordon Earholomew.

"Teddy" Meyers stepped into The Tribune Office on Monday to bid us the time of day, it being his 78th birthday. He possesses all his faculties and acts like a man of 50. Mr. Meyers was born at Zephyr on the farm now occupied by Reeve Geo. McKay. Mr. and Mrs. Meyers who live in the Westend have five of a family, one of their sons having served in the last war.

The special program being put on by the Junior Band at the Arena this Wednesday evening, is expected to attract a large crowd of skaters, and this means more than the regular patrons of the big ice palace. We hear that some who haven't enjoyed the exercise for a decade or two will take in this function.

Rev. H. Shantz received a heavy blow from Old Man Flu last week, and is likely to be in the house part of this week as well as all last week. On Sunday morning Mrs. F. Foster (Ola Fusee) took the service for the pastor in the Menonite Church, and in the evening Rev. S. Goudie had charge. Despite the cold but clear weather, a good turnout worshipped at both services.

Saturday's big fire rounds out a year of outstanding or major troubles for Mr. and Mrs. Roy Seebeck on the townline south of Stouffville. In April of last year Mr. Seebeck's father died suddenly from a stroke, in May his brother Frank died leaving a wife and small family, and now as a climax, Roy loses his fine farm stock together with all the buildings modernly equipped. True, isn't it, that life's troubles are not evenly divided.

RECEIVES L.A.C. RATING

Murray Sinclair, son of Mr. and Mrs. E. R. Sinclair of Ringwood who has received his rank of L.A.C., having completed his training in the wireless division of the R.C.A.F. at Montreal.

Mr. Lloyd Hoover left for Toronto a few days ago to join the postal staff for a few months. Hugh Thomas is also in the Department for the winter season at Toronto.

Everybody is appealed to to get out their skates for the big skating party in the Arena on Wednesday, Jan. 29. Good music and a lucky draw ticket may bring you a fine prize. There will be lots of fun if you come along. O. E. S. Auspices.

Mr. James Brodie was secretly amused last week, and enjoyed the experience. He visited his lands on the second concession of Markham, just opposite the skiing grounds, only to find a big car parked right across the gateway. Before he could drive in he had to push the parked car out of the road. Soon after the owner came along, and commenced lecturing him for moving the car. Of course Jim wasn't long in explaining his rights in the neighborhood, whereupon the city offender immediately retired without further argument.

The January meeting of the Garret Evening Auxiliary was held at the home of Mrs. Watts. The president Mrs. J. M. Storey, in the chair. The officers for the ensuing year were installed by Mr. Atkinson. The devotional exercises were conducted by Mrs. T. Birkett, Miss Gertrude Todd was in charge of the study book assisted by several members. A solo was rendered by Mrs. Allen McConnochie accompanied by her husband. At the close of the meeting a social half hour was enjoyed by all.

Car thieves stole the hearse belonging to J. E. Steckley at Barrie last week, drove it to Newmarket where it was abandoned almost out of gasoline. The thief or thieves then stole Thompson's hearse at Aurora and drove out of town. Persons who saw the hearse rumbling along did not suspect that it was in charge of a thief. The Aurora dead wagon was all ready to go with gasoline and keys in place. The owner never counted on anyone wanting a ride in his outfit, inasmuch as heretofore only dead people were found in it aside from Thompson's own help. It was recovered in Toronto.

Markham Adventurer Stuart Clarry to Marry New York Girl

Still more romance has come to Stuart Clarry, Markham boy, who saw the world and tasted adventures galore when he shipped to Europe in wartime. It is announced that he is engaged to Miss Dorothea Dobson, younger daughter of Mrs. Maude Earl Dobson of New York city.

Son of Mrs. Stuart Clarry and the late Mr. Clarry of Markham, Stuart was just 20 when he left Markham last summer to see Europe in wartime. Things started happening as soon as he shipped as a seaman on a ship out of New York. Before he got home again his ship had been the target of two torpedos, he was rescued after two days in an open boat on the Bay of Biscay and

Watch the snaps and save at the Grocetera next the public library. Nice fresh stock. See display announcement in this paper.

Dr. E. S. Barker was called to Buffalo last week owing to the sudden death of his sister, Mrs. A. E. Fielding, who died on Wednesday night. Mrs. Fielding had visited Stouffville on many occasions and was quite well known to many people here, who are shocked to learn of her unexpected death.

Easter, the next holiday season, is considerably later this year than in 1940. Ash Wednesday, the beginning of Lent, falls on February 26th, with Good Friday, the conclusion of the fasting period, on April 11th, and then Easter Sunday following on the 13th. Last year the Easter season was ushered in with wintry blasts and was a disappointment to local feminine fashion exponents but with the later date this year the weather should be more favorable for the annual fashion parade.

TOWNSHIP PASTOR RESIGNS

Rev. Stanley Medhurst, pastor at Markham Second Baptist Church for the past three years, resigned recently and will preach his farewell sermon next Sunday morning. One of the youngest ordained ministers in Ontario, Mr. Medhurst was very popular, and one of the chief sponsors of the church told the paper on Monday that Mr. Medhurst was highly regarded by the officials. He is retiring from the charge on his own initiative.

Since he took over the pastorate of this church located on the townline west of Ringwood, there has been a parsonage built near the church, which enabled the minister to reside in the neighborhood where he could be amidst his parishioners.

INTER-SCHOOL HOCKEY SCHEDULE OPENS HERE

Vague Stars in Local Victory

The first game of the inter-collegiate hockey schedule played in the local arena between Markham high School and Stouffville Continuation School on Monday, January 20, resulted in a victory of 3-2 for the local lads. The honours of the game fell to Murray Vague who scored the first goal and the winning goal for the victors. The remaining goal was scored by Ted Cadieux. Although the Markham team defended their end admirably, they fell slightly behind the mark set by the local team. The official for the game was Percy Paddington who usually referees the Bush League games.

The next game will be in Markham Arena between Stouffville and Markham, on Wednesday, January 22nd.

THE WEAKER SEX?

1941 Models of Daughters of Eve Defy Chilly Blasts With Bare Legs and Abbreviated Attire While the Sons of Adam Shiver in Red Flannels and Raccoon Coats.

As the world grows older and wiser the oft-repeated allusion to woman-kind as "the weaker sex" is being proven a misnomer.

Not only is this fact exemplified in the field of employment where women are rapidly encroaching on man's domain but in war activities

he had a score of narrow escapes overseas.

The London blackout, anti-aircraft fire and swooping German planes in the English Channel, spy thriller in Holland and Belgium on the eve of the German invasion, hair-raising experiences in the Bordeaux area during the fall of France and tense weeks in Spain were chapters in his progress.

When he returned, Stuart found it hard, to understand why Canadians weren't taking the war more seriously. In Europe he had seen the police shoot spies dead in plain sight of everybody and while he was at the wheel of a freighter, the hatch beside him was blown higher than the mast when a torpedo hit.

HELP BUILD ALL STOCK PROFITS!

Sugared Schumacher Feeds

It takes a good feed to grow good market beef or swine.

To carry yours forward to market size and finish at early age feed Sugared Schumacher Feed.

Sugared Schumacher Feed builds large, strong, well boned well grown, well fleshed, healthy vigorous animals.

Stiver Bros.

the fair sex are now driving ambulances, transports, and other motor-driven vehicles and doing a full day's work in munition plants which in time past has been strictly the work of the stronger sex.

On top of this, the ultra-modern mias, as is amply proven on the hills about Stouffville within a short radius, or on the ice at Cedar Grove frequented now by fancy skaters from Markham, demonstrates that "she can take it," by stepping out in zero weather and foot-deep snow, in ankle sox, displaying shapely bare legs, while her up-to-date skating or skiing attire, as can be truly testified to, is the briefest of the brief, so brief that it would have caused her grandmother to call for the smelling salts. All this while the male sex becomes round-shouldered with the weight of clothes, which he dons for the winter months, and continues to shiver in spite of red flannels and raccoon coat—as it were.

To term her the weaker sex is a lot of hooey and if the pendulum swings much further in favor of woman's domination, of man's domain, it won't be long till hubby dons the bouffant cap and apron and keeps the home-fires burning while wifey steps out into the world to bring home the bacon.

LIFE-LONG RESIDENT OF MARKHAM TWP. DEAD

William Archibald Lunan, highly respected lifelong resident of Markham Township died on Sunday evening, January 19, after a lingering illness in his 65th year.

Mr. Lunan was a son of William and Caroline Croft Lunan and was born on the 5th Concession of Markham where he spent his boyhood days. Later, after his marriage to Alice G. Middleton of Unionville, he farmed on the 4th concession until 1935, when he sold his farm and took up residence in Unionville, where he and his family have since resided.

Surviving are his widow, one son Ellwood and three daughters, Rena, Beatrice and Eva, besides one brother Louis of Unionville, and two sisters, Mrs. W. H. Helmky, Stouffville and Mrs. L. Helmky Newmarket.

Deceased was a consistent churchgoer, and member of the United Church and lived an exemplary life in the community.

Interment took place in Bethel Cemetery on the 5th concession on Wednesday.
