## Advocate Religious Instruction Through Markham Schools

Well attended was the 72nd annual gathering of the Markham Township Religious Educational Council in session at Victoria Square United Church last Thursday.

Rev. H. J. McKay of Victoria Square took charge of the opening devotions giving uplifting counsel to all Sunday School workers and leaving a spirit of love and co-operation that was evident throughout the day.

Reports from the heads of the various depts. were given and in the instances of the primary and adult depts discussion followed led by Mrs. Barkey of Dickson's Hill and Mr. Paul Bowdway.

In the afternoon reports continued with a discussion on Teacher's Training work ably led by Rev. D. McGregor. Emphasis was laid upon the need for earnest consecration and careful preparation by all those engaged in teaching classes.

By unanimous approval of all gathered the executive were warmly commended for their effort in the work of religious education in the schools and the desire was expressed that this work might be carried on in the remaining schools of the township. The address of the afternoon was given by Rev. R. K. Vickers of Stouffville on "Christian Youth at Worship." Mr. Vickers stressed the importance of leading young people in worship in the pre-lesser period of the Sunday School hour and stated that, "worship is not something foreign to the nature of young people. It is not an extraneous idea that we are trying to inject into the child's life. It is something already there that needs nurturing and developing" he said.

"Worship is the soul of religion therefore adequate time must be spent in the preparation for the worship period. It is necessary to have a reverential attitude. Appropriate music is essential and in this regard we must avoid jazzy music and meaningless words. The word of God must be prominent and prayer vital, sentence prayers for those who are timid would not be amiss," said Mr. Vickers.

The session was dismissed with prayer by the President. The children's hour was held in the community hall, at 2 p.m. and was a feature of the day under the direction of Mrs. P. G. Lehman and Miss Edith Ramer. The children were pointed to Christ in song, story and object lesson. Mr. and Mrs. Mack of the Markham Pentecostal Church were also present. They are awaiting the call to Africa where they hope to take up their life work.

The closing session in the evening was addressed by Rev. A. E. Owen of Unionville who followed the theme, "Christian Youth at Service." It was a fitting and inspiring message for the close of the convention which had been filled with soul searching challenges to responsibility to Sunday School workers. Rev. Mr. Owen charged teachers to, "keep in contact with your pupils throughout the week, win their respect and admiration, encourage them to bring their soul's troubles to you, counsel them wisely, and above all, be an open book with clear pages that you are not ashamed to have them read."

Officers for 1941:  
President—Don. Ratcliff, Stouffville  
1st Vice Pres.—E. J. Stiver, Unionville.  
2nd Vice Pres.—L. Stouffer, Stouffville.  
Secretary Treasurer—E. J. Stiver, Unionville.  
Asst. Sec. Treas.—G. L. Williamson, Markham

## Melville

The Melville United Church W.A. held a successful meeting on Monday evening at the home of Mr. and Mrs. K. A. Grant. The worship period was conducted by the Rev. A. J. Orr, after which interesting and beautiful motion films of Kentucky Carolina, Georgia and our beautiful Huntsville district and Algonquin Park were exhibited by Mr. Jarvis Grant of Toronto. The evening's entertainment was also enhanced by the addition of well-pleasing solos rendered by Mrs. H. Forrester, Mr. Dick Bowles, and Corporal Douglas Dadock R.C.A.F. as well as piano selections and the proceeds will go to the funds of the W.A.

We are glad to report that Mr. A. D. Bruce is making progress towards recovery in the Toronto hospital and we all hope he may soon be able to return home. Let us not forget our church service next Sunday. We cannot afford to miss going to church these days.

## GRAPHIC DESCRIPTION OF LIFE IN LONDON

(Continued from front page)

I accompanied the minister on his visits to the stricken homes and families and it made one's heart ache to see the ruthless devastation. The minister said to me, "We have lost our building but we still have the church." It is truly amazing to talk to the people who have lost every fraction of their possessions, and find with what they meet the disaster. And it is the same all over London. The morale is wonderful and the bravery of those who have been hurt and buried under the debris is marvelous.

Our Church services are very disorganized. We meet for worship at 11 a.m. and 4 p.m. in order to allow the people to get home before darkness sets in. If the "Alert" goes during the service we stop for a few moments to let any folk go to the shelters who may desire to do so, most remain, and we carry on to the end. Of course all our services are curtailed. One is learning to preach for ten minutes now. I fancy I hear some of my friends say "Wish it was only that length over here." On a recent Sunday the Communion Service was being held whilst a dog-fight was in progress overhead. You can believe me it was a very solemn occasion. We are not able to hold a weeknight meeting at all as it is too dangerous to be out after dark owing to the shrapnel from our guns besides the possibility of a bomb putting an end to one's activities.

Needless to say our thoughts are very often in Canada, sometimes we wonder why we left, and wish ourselves back again away from all this terrible business. You people are well out of it. But it is good to know how Canada is playing up to the war situation, and if your income tax and the price of commodities has risen, do not grumble; pay up with a smile for your little sacrifice, is nothing compared to the cost we are paying over here. High prices rising taxes, rationed food stuffs, long nights with death around us continually. But the British Empire stands and we shall win thru, cost what it may, if the Dominions pull their weight with us. So, good friends, do your job, plow your fields, sow your grain, raise your hogs, cattle and produce, for every little bit means existence for someone over here.

## Markham Juniors at Top as Play-Offs Draw Near

Markham and Aurora Junior hockey clubs moved into the top position in this league this week, Markham defeating Sutton 9-4, and Aurora dumping Newmarket 5-2.

Staging a vicious last period onslaught, Markham downed Sutton, Sutton, 9-4, here last night in a junior O.H.A. "C" game. Markham started off in high gear, firing home three before Sutton got under way. The locals then hit the score sheet three times to once for the visitors to tighten up the fray. After that fine effort they fell apart in the last chapter and Markham went on to win as they pleased.

Baker, Watson, Harper, Laurie and Bagay did the sniping for the classy victors. Porte, Odell, Griffith Lavolette tallied for the losers.

Markham have only two more games to wind up their end of the schedule, these being, this Friday when they play a return game with Sutton on Monday, Feb. 3, a game with Aurora.

The team finishing highest in the league standing will have the choice of ice for the play-offs.

First and third teams play best two out of three games, home and home game. If third game is necessary, it will be played on neutral ice. Games to count.

Second and fourth teams (same as first and second). In case of a tie the club standing with the highest goals scored for takes the highest position; this failing to declare a winner, the team with the highest number of goals scored against the team in which it is tied with is declared the winner.

## Dickson's Hill

Mrs. Jos. B. Hoover spent a few days in Toronto recently.

Mr. J. Shepherd had Sunday dinner at Simeon Hoover's.

Mr. and Mrs. Roy Moyer and Katherine visited at Valentine Bolender's at Bethesda last week.

The annual meeting of the Dickson's Hill Cemetery Board was held Wednesday of last week. No change was made in the personnel of directors but the secretary reports a successful year financially in spite of the expense entailed by the extra mowing which was necessary to keep the grounds in good condition. Dickson's Hill was well represented at the township Sunday School Convention at Victoria Square last week and everyone agreed that the day was one well spent. We expect Mr. Abe Stouffer to be prepared to read the delegates report in S. S. next Sunday.

Some Dickson's Hillites in conversation with a highly esteemed Christian worker of another community at the S.S. Convention were greatly entertained by his narrative of an experience encountered in our

town years ago. It seems that his car was ditched at the foot of the hill just as the worshippers were dispersing from church and they congregated at the scene of the accident making pointed remarks about people who drank and admonishing him to change his ways. After all these years the gentleman can still laugh and has never forgotten Dickson's Hill.

Mr. Harvey Moyer has been experimenting on his cows by giving them electrical treatments. It works like this. He fixed up his milking machine recently and tried it on the bossies who did not take very kindly to this method of milk extraction and raised quite a rumpus. Investigation showed that there was a short in the equipment which caused the cows considerable discomfort.

Three boys in uniform were present at church on Sunday, Earl and Howard Hoover were on their week-end leave from Newmarket, and Ross Cunningham who recently enlisted and was spending the week-end with Anthony Hoover's. Ross is enjoying camp life.

There was a good attendance at the Young Peoples' meeting Monday night. The address was given by Rev. C. Cullen of the Brethren in Christ church at Gormley, and he spoke on "Loving the Unlovable" on the mission fields of dark Africa. The Henderson sisters sang a number of beautiful selections, and Mrs. Lehman gave a very appropriate reading on "A Call to Service".

## 2nd Line Uxbridge

Mr. and Mrs. Alf Gardner of Toronto spent Sunday at William Helmky's.

Mr. and Mrs. Bruce Taylor and Glenda of Oshawa spent the week-end at Albert Taylor's.

Birthday greetings this week go to Ronald Taylor and Beverly Beach.

Willis Taylor of Oshawa is taking an enforced holiday due to an attack of flu.

Pte. Arthur Knight of Newmarket spent Sunday at his home, also at Mr. Knight's were Mr. and Mrs. E. Latcham of Uxbridge.

# SUGGESTIONS FOR SAVING

A Dollar Saved is a Dollar Earned

When your cash returns from your produce do not much more than pay production costs it is doubly necessary to take inventory of your feeding methods. It is times like these when SHUR-GAIN FEED SERVICE has a special appeal to the thoughtful feeder. There is not much you can do about produce prices.

**BUT**—100 pounds of Shur-Gain Hog Concentrate mixed with your own grains will save you 4 to 5 cwt. per hog.

100 pounds of Shur-Gain "Big 50" Concentrate mixed with 500 lbs. of grain will give you a balanced laying mash at \$1.60 per cwt..

Shur-Gain Laying Mash is sold to you less the \$5.00 to \$6.00 commission taken by the dealer.

Shur-Gain Feed Service also makes it possible for you to bring in your own mash bags for refilling, making an additional saving of \$2.50 per ton.

Shur-Gain Feed Service also supplies all necessary information for complete feeds for any class of livestock.

**SHUR-GAIN MAKES AND SAVES YOU MONEY**
