The students of Emmanuel Bible School would be sorely disappointed to have had a visit from Miss R. Hoover and the Dickson's Hill correspondent and not see an account in this paper. We chose stormy Tuesday for our visit, but the warm welcome we received at once made us feel right at home. There are two classes in progress most of the time and for the first period we chose Mr. Lehman's class on New Testament in which "The Parables" were being taken. Next came Chapel Hour which was taken by Principal Shantz. We attended Mr. Shantz' composition class which made the correspondent realize many shortcomings and finally Mr. Shantz' class on doctrine, the subject of the day, "Regeneration". Then it was dinner time and the jolly crowd assembled around the long dinner table where we enjoyed a good meal of meat, potatoes, beets, tomatoes, chocolate pudding and biscuits. Fortunately for us it was the boys day for dishes. After lunch we attended the class on Sunday School work taken by Mr. Shantz. Other subjects taught are, Mission, Music, Reading, Doctrine, Church History, Christian Evidences, Grammar and Preliminary Bible. The work of the Holy Spirit and Child Study are taken in the Tuesday evening classes. We're sure you'd enjoy a visit to this Bible School. Try it.
