Stouffville Pigs on the Air

(Compliments of CBC and Andy Clarke.)

"We often have heard it said that history repeats itself. Well, I've observed that 'Natural History' at any rate repeats itself," said Andy Clarke in his Neighborly News broadcast Sunday morning, in which the Tribune was quoted.

"Wasn't it just about a year ago that we were reading of large broods of pigs and exceptionally productive cows?" the Weekly newspapers' commentator went on.

"The Stouffville Tribune lately has been devoting considerable attention to pigs. Finding the pig population within the corporation limits is 90, it encourages the Board of Health to vigorous measures, citing the fact that there are regulations, one stipulation being that pigs should not be permitted to run at large.

"The Chesley Enterprise cites a poser in the matter of hog-grading. A Bruce farmer shipped two hogs to Toronto, one weighing about 150 pounds and the other about 180 lbs. He was paid more for the lighter one than for the heavier, so he figured he raised 30 pounds of pork for nothing.

"Quantity production bobs up again on Manitoulin Island. The Gore Bay Recorder wonders if John Turner's 'mamma pig' which had 46 little ones in three batches within a year is not in a class by herself. Another kind of quantity production is mentioned in the Frankford Advocate. It was a dressed hog displayed in a local shop that weighed 412 pounds. Yet the Blyth Standard evidently can go out better. George McGowan, of East Wawanosh, delivered a hog to the CPR freight yards which tipped the beam at 880 pounds: The editor of the Standard refused to believe it unless he saw it. After viewing it he wrote: 'Believe us, it was the biggest pig we ever saw, and we'll swear she'd make a

mife of sausage. George was sentimental about the old girl, too. She was between three and four years old, and had raised him several good litters. However, he was afraid that the heat might get her this summer and she would be a total loss, and a big one, too. She girthed 6 feet, 3 inches.

"Pigs is Pigs." The Muskoka Herald of Bracebridge quotes Chas. Kaye of Monck Township as saying: 'I have a sow out at my place that realizes there is a war on. Last week she farrowed no less than 19 little pigs. Seventeen of them are living and in healthy condition. Last year she had two litters of 17 each.' The Mildmay Gazette tells of a little pig born in Carrick Township that has eight feet, four ears and two mouths. The paper adds that life under these circumstances did not appeal to it, so it expired shortly after birth.

"That closes our pig chapter, but the Mildmay paper says, 'We have cows worth talking about, too. Edward Glimmer, also of Carrick, has a blue cow that has borne triplets—two white and on blue calf—all doing well.' The Picton Times claims a bovine record in longevity, combined with consistency of milk production extending over a period of 17 years, for a 20-year old cow belonging to Albert Blackburn. And the Midland Free Press will never let East Simcoe down. It pipes up with a cow that gave birth to 16 calves in 7 years. She has passed to her reward, but Elmvalle will long remember that she had her first calf at two years of age. After that they came in bunches. At three, four and five years she bore three calves at a time, and at six, seven and eight years, twins; which add up to 16 in 7 years."

TIN CANS NOT WANTED

Ottawa warns that there is no point in collecting tin cans as war salvage, for there is no detinning plant in Canada and it would not pay to establish one. The separating of the tin from the other metal is a specialized process, and in a country as large as Canada a number of plants would be necessary if transportation costs were not to be prohibitive.

Saturday, May 24 being a public holiday all stores will be open on Friday night.

TICKETS AND INFORMATION AT

GRAY COACH LINES

A new type of fire alarm has been invented, so sensitive in action that the mere smoke of a cigar will cause it to ring. We don't know this type of alarm intimately, but we think you know the cigar.

MANY CHANGES RECORDED

As evidence of the ever increasing changes in the personnel of rural districts we cite the fact that in the Township of Whitchurch there was recorded for the past twelve months no less than 126 changes in ownership of properties, farm lands, lake properties and small homes in the municipality.

BROOKLIN MIXES UP ITS TIME

Brooklin merchants and others in the village signed a petition to put the village on daylight saving, but the school trustees refused to have the school section recognize the new order. Trustees contended that there was more township money going to support the school than village taxes, and the outside people must be considered.

THE EIGHTH DECENNIAL
Census of Canada
June 2, 1941

THE Census is the stock-taking of the nation — of its men, women, and children; its agriculture, trade, and industry; its housing, and general social condition. By it, all Governments, — Dominion, Provincial and Municipal — are enabled to work more effectively and economically in the interest of every resident of the Dominion.

IN these days of increasing Government responsibilities, no Government can give the best service unless it has detailed and accurate knowledge of the people and their varying circumstances. That is why we request the co-operation of all Canadian citizens in the taking of the Census. When the Government's Enumerator calls at your door, receive him courteously and give him all the information for which he asks. Remember that he is in your service. Accuracy and despatch in your replies will promote good administration in your country, now under stress of war and facing crucial post-war reconstruction.

ALL INFORMATION SUPPLIED HELD STRICTLY CONFIDENTIAL

You can place absolute trust in the official Enumerator, who is sworn to secrecy. All the information which you provide will be held in strictest confidence both by him and the Dominion Bureau of Statistics, and can never be used against you by any tax-collecting, military, or other agency, or in any court of law.

It is compulsory by law to answer the questions, but you will be assisting your Government in these difficult times by giving the information readily and accurately in the spirit of good citizenship.

Issued by authority of The Honourable JAMES A. MacKINNON, M.P., Minister.

DOMINION BUREAU OF STATISTICS - DEPT. OF TRADE AND COMMERCE

Mrs. Carleedge resident years ago on the 3rd concession and who now resides in Hamilton is visiting Mrs. Henry White.

Mr. and Mrs. R. Thurlwell, Mr. and Mrs. Wm. Mitchell, visited Mr. and Mrs. Gordon Bell of the 6th Concession on Sunday.

Mr. Rowland Thurlwell must be good at water divining, as digging his much needed well they struck water the first time. Thanks to Mr. Earl Storey who did the digging.

Mr. and Mrs. Jim Hackney of Toronto visited their parents, Mr. and Mrs. William Hackney on Sunday.

Private Ralph Cooper has returned to Niagara-on-the-lake after spending a few days at his home.

Twenty-five members present at the Monday meeting in the S. S. Goodwood United.

Miss Olive May of Toronto is spending a short time at home with her parents Mr. and Mrs. Wm. May. Rae's Garage is being painted. Andy Morganson is the artist. Still another artist Johnny Maye is painting the Todd home.

Mr. and Mrs. Mrs. Walter Symes called at the Charles Symes home. Walter farms north of Claremont, but he is more than a farmer, being the big tomato soup king of Claremont, where he conducts a canning factory.

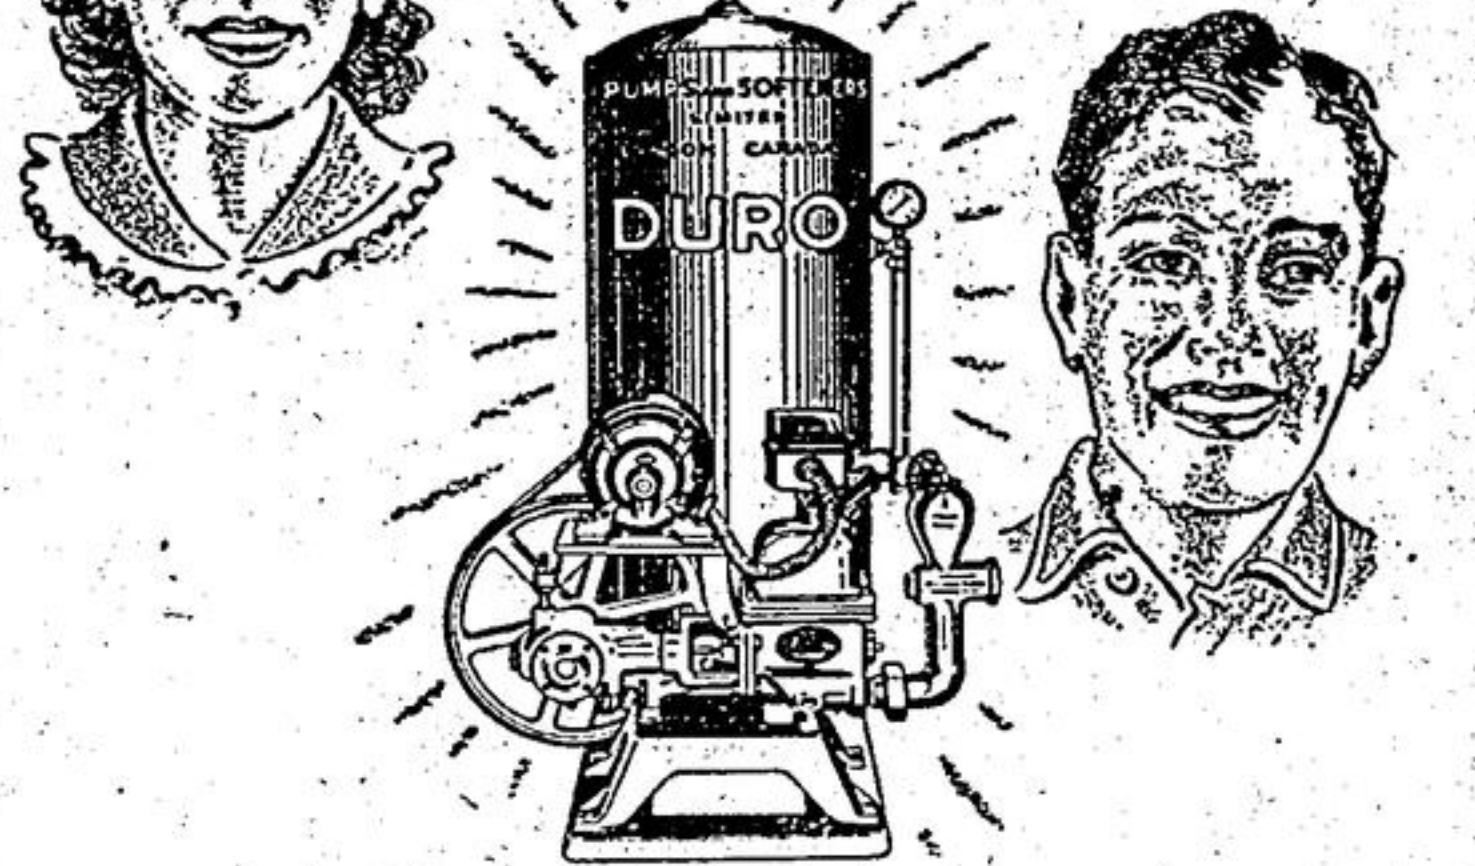

Birthday greetings: George Wallace, Mrs. Charles Lee, Siloam; Thos. W. Davey, Mrs. Welsh, Mrs. Annie Carr, Toronto; Mrs. John McCallum, Mrs. Harold Norton, Lorne Dickinson, Claremont; Doris Wilson; E. Lewis, Altona; Doris Smalley, Mrs. W. Smalley, Sandford; Elizabeth Thomson; Beth Kellington, Violet Taylor, Stouffville; Mrs. Howard Pugh, Sunderland; Russel Alsop, Jack Todd, Jos. Cooper, Edna McDonald, Mrs. Jonah Faulkner, Morley Symes, Mrs. H. Todd, all of Goodwood and district, and Annie Watson a former Goodwood girl.

We see that the stores in Stouffville will be open on Friday night as the 24th of May is a public holiday. No doubt it will mean a big crowd in town. The merchants ought to provide a little music on such occasion.

The regular meeting of the B.Y.P. was held at Goodwood with the Devotional group in charge. The convener, Mrs. Lloyd Wagg, provided an interesting program on Christians in time of war. There were over thirty present. The next meeting on May 22nd, will be in charge of the service group. Robert Dawson is convener and is preparing a patriotic program. As he knows the old home land so well this should be interesting and profitable. A collection will be taken for the Evening Telegram War Victim Fund.

Mr. Versey Wigmore, friend of the Correspondent, who graduated from college a few weeks ago was ordained at St. James Cathedral, on Sunday morning by the Primate of Canada. Rev. V. Wigmore has been assisting at the church of the Messiah for the past four months and will now be curate of the church there.
