PROCLAMATION

TOWNSHIP OF PICKERING

Whereas the canvas for subscribers to the Dominion Victory Loan will be commenced in another week. And whereas the need of our Dominion for money for the equipment and training of many more of our Canadian youth and to provide ships, airplanes, munitions and other things is very great. And whereas the British people at the present time is engaged in a desperate struggle with the people who hope to reduce us and the whole world to a condition of slavery. Therefore as Head of this loyal municipality of the township of Pickering I respectfully ask the people generally, during the period of this canvass to decorate their homes and places of business with flags and bunting; and that those who can spare a small or great amount may invest in bonds of our Dominion to the best of their respective ability to do so.

God Save The King and Mankind.
By order of the Council of the said Municipality.
William Reesor,
Reeve.
