**"GOD BLESS OUR BRAVE
DADDY OVERSEAS"**

FOR EVERY CANADIAN who sails the deep, for every airman who flashes through the skies, and for every other man in the fighting forces, the prayers of the nation "rise like a fountain, night and day."

In times of crisis our people stand steadfast. In daily devotions they renew the flame of faith and arm with unseen powers their warriors in the field.

Oftentimes they discern the Unseen Hand. Witness the miracle of Dunkirk. Witness, too, in

the darkest hours the emergence of great inspiring figures to steady the ranks of Democracy and fire its courage and confidence.

Church bells are ringing throughout Canada calling men and women to worship and sacrifice in defence of our freedom, the sanctity of our homes and the future of our children.
