Mission Conference At Mount Joy

The Annual Board Meeting of the United Missionary Society was held at the Mount Joy M.B.C. Church last week. This body direct the activities of Foreign Missions for the various conferences of the Mennonite Brethren in Christ Church. Among those in attendance were representatives from Western Canada, Ontario, Michigan, Indiana, Ohio and Nebraska, in the U.S.A.

There were two public meetings held on Tuesday and Wednesday evenings which were addressed by missionaries on furlough. The following were elected to office: President, Rev. R. P. Dittmer, Springfield, Ohio; Vice-President, Rev. S. Goudie, Stouffville, Ontario; Secretaries, Rev. E. D. Young, Lincoln, Nebraska, and Rev. J. S. Wood, Pontiac, Michigan; Treasurer, Rev. L. R. Pipher, Hespeler, Ontario. The reports from the missionaries on the different fields indicated great progress and impressed those present with the worthwhileness of this work.

Miss Martha L. Hood, on furlough from Africa, spoke at the services at Mount Joy and Dickson's Hill on Sunday, when the annual Foreign Missions offering was received. The response indicated the live missionary interest exhibited by these churches.

We learned with regret of the death of Mr. Edwin Brillinger who since last fall has been our neighbour. Our sincere sympathy is extended to Mrs. Brillinger and family.

Dickson's Hill crops need showers too. Some of the farmers report that the cabbage plants are infested with magots, and they blame this condition on the dry weather. It is interesting to know how many magots can attack one plant. Mr. Anthony Hoover pulled one up and counted 120 on the roots, and so he has recently administered a dose of poison to each of his plants.

Rev. C. Hallman of Alberta and Rev. I. Brubacher of Gormley visited at Mr. Ward Hallman's last Friday. Mr. Hallman who is presiding elder of the Northwest Conference of the M.B.C. Church came to Markham for the Mission Board Conference, and before returning to the West is visiting friends in Kitchener.

Of special interest were the missionary services in connection with the Conference of the United Missionary Society Board at Mount Joy Church last week and reported elsewhere in this issue.

The young people from Bethel Chapel, Western Toronto were in charge of the meeting here Monday night. The topic "Assurance" was very ably presented, and several messages in song were given among which was a solo by their pastor Rev. Ward Shantz.

Tuesday night was the scene of merriment at Mrs. McKinnon's at Mount Joy when the young people met to shower Reta Stover and Burt Daniels whose marriage will take place next week. The early part of the evening was spent playing games and relay races outdoors and later all assembled inside to enjoy a short programme. Mrs. Kenneth McKinnon and Mrs. Hawkins each had a reading. The Mount Joy people presented them with a kitchen set in blue and white granite, and others brought miscellaneous articles.

IN MEMORIAM

Holden — In loving memory of a dear father and grandfather, Truman Holden, who passed away on June 14, 1940.

We do not forget him

We love him too dearly

For his memory to fade

From our lives like a dream.

Our lips need not speak

When our hearts mourn sincerely

For grief often dwells where it seldom is seen

Loving and kind in all his ways

Upright and just to the end of his days

Sincere and kind in heart and mind

What a beautiful memory he left behind.

Gordon, Clara and granddaughter Erla.

IN MEMORIAM

Holden — In loving memory of Truman Holden, who passed away, June 14th, 1940.

God called him home, it was His will

But in our hearts we love him still;

His memory is as dear today

As in the hour he passed away.

We often sit and think of him

When we are all alone,

For memory is the only thing

That grief can call its own.

HELPING AGRICULTURE MEET THE Challenge

The providing of the foodstuffs for an Empire at war is a prodigious undertaking. Fortunately for our fortunes at war we can accomplish this with comparative ease and little or no disturbance of our regular farming regime. Abundance is our problem.

To produce such great quantities of farm products with a minimum of labor—releasing men for more direct war activities—is the triumph of modern power-farming which, with its time-saving multiple operations and cost-reducing equipment, helps the farmer to carry on operations more efficiently to meet the present difficult conditions. Thus modern farm machinery helps agriculture meet the peculiar challenge with which it is confronted in making its contribution to Canada's and the Empire's war effort.
