British Tanks Tested on Blitzed Houses

It's just a pushover now, but it was once a home. Monster British tanks like this one, which will help end the Nazi threat to the world, are

tested on blitzed English houses, finishing the work that bombs began. Other homes must be found for the civilian population, who have put up such terrific moral resistance to the Nazi air attacks.

the schools and the pupils. We want mother and dad to become young again. Doll yourselves up in the old time suits and dresses. Help in the singing of the patriotic songs as we march along. Decorate your cars, the trucks and help Mary decorate her doll buggy, and Charlie his wagon. Mr. Ridley will consider the little tots on the march so as not to tire them. So friends this is the Sports Parade. The place to meet, United Church grounds. Fall in line at 12:45. On reaching park gateway, the Scribe will thank one and all for their attendance. The parade will be dismissed.

SPORTS DAY PARADE

While the Correspondent of Flashes has been asked to marshal Civic Holiday parade, on Monday, August 4, he hopes to have a much larger and better turnout than ever before in Goodwood. Some facts should be made known to all our friends and especially those taking part in the parade. The time is set so as not to conflict with the afternoon sports. The parade is for young and old. As to the children everyone will be given gifts (these given to the parade are from the Correspondent personally) given to him by Toronto friends. He passes them on. As to prizes for decorated cars, trucks, tractors, these will be judged and prizes given by the sports committee. The girl guides and men guides are Goodwood folk and have offered their services to the Marshall. All who march in the parade will receive gifts. These will be handed out before the parade starts. Two years ago we had 47 people take part last year some 70. This year the Marshall looks for double the number. Yes we can equip 125 or more. So while we have flags galore, parasols by the dozens, hats of all colors, shapes and sizes, canes, gifts for school use. Not one young or old will be disappointed. We have the Boys Band. We want the teachers of
