Sunday Motor Mishap

No serious injury resulted on Sunday from a collision between a car driven by Charles Gostick of this place, and a city motorist when they came together at the corner of the 10th concession, near Locust Hill. While the Gostick car was ditched, its occupants escaped with little more than a severe shaking up.

Purchased Corner Business

The car sales and service business in the corner stand here carried on so successfully for a number of years by Mr. Alf. Mole has been sold to Bob McLeod, also of Claremont. Mr. Mole has gone to Brampton where he has taken over a still larger car sales business. His successor, Mr. McLeod has been employed as a mechanic at the Charles Cooper garage for nearly thirteen years.

Stores to Close

All stores will close in Claremont on Civic Holiday according to a canvass made of the business places on Monday. The holiday has been proclaimed by Reeve Reesor of Pickering township. This is a busy time for the farmers and outside of some gas that may be sold to holiday travelers, it is hardly likely that there

will be many in town.

Former Resident Seriously Ill

Mrs. W. Beelby, Stroud, a sister of Mrs. Ayres and William Neal both of Claremont, is seriously ill at her home. She is 75, and was a resident of this village some forty years ago. Her husband is also a Claremont man, having been born on the old Beelby homestead just off the 8th concession.

John Redshaw Dead

Ill now for some time, John Redshaw of the 7th concession of Uxbridge, and well-known in Claremont, passed away at his home below the town last week. He leaves to mourn his loss, his wife, the former Minnie Gourlie, five brothers, Will, George, Robert, Fred and Edward, and three sisters, Mrs. Wes. Hardy, Mrs. Charles Hardy and Mrs. George Hardy. Funeral service was held in the Free Methodist Church in Uxbridge with burial in the Uxbridge Cemetery.

Chicken Thieves Out Again

Fearing a repeat performance which cost him some thirty plump pullets, a couple of weeks ago, Mr. Gordon Hodgins promptly called Constable Norton when a light appeared in his hen house last Thursday evening. Being aroused by his dog, and seeing the light he quickly summoned the officer, but apparently in the interval, the thieves themselves became suspicious that all was not well, and made good their escape. No fowl were missing. The police scoured the countryside for some time, but could find no trace of the marauder's car.

Weed Cutting Due

Several complaints have been registered by Claremont citizens regarding the state to which the sidewalks in the village, have been allowed to become overgrown with weeds and grass. When a ratepayer fails to keep his weeds cut, the authorities resort to measures where by such a person must cut them or pay for such service. While the ratepayers have no such recourse of action against the village, they do ask that this service to town property be rendered. This paper has no doubt that steps will be taken to get rid of this nuisance at an early date.

200 Pheasants Released in Pickering

Two hundred pheasants were released in Pickering township on Saturday which should assure a good season's hunting this fall. The birds were freed under the supervision of W. J. Martyn of Bowmanville, game and fisheries overseer for Ontario County. The birds, English ring-necked pheasants, were raised on the Codrington Bird Sanctuary, near Brighton. Hunters are asked to lend their aid in protecting the birds, as by the time the hunting season rolls around, there will be few left, as hawks and other birds and animals will prey upon them.

Last in Big Family Mrs. J. C. Raham Dies

Funeral services were held at Uxbridge Friday for Mrs. Joseph C. Raham, 86, a resident of Uxbridge for 55 years. Born in Pickering township, the former Agnes Pilkey, she was the last of a family of 12. Her first marriage was to Chester Wilson. She was an active worker in Chalmers Presbyterian church. She is survived by her husband, two children, Clarence and Elizabeth, at home, and two step-children, Nelson Raham, Toronto, and Mrs. E. C. Veitch, Toronto. Rev. J. C. Robinson conducted the service, assisted by Rev. Richard Davidson.

Life-Long Resident Buried on Tuesday in 82nd Year

On Sunday evening there passed away at the Brierbush Hospital, Stouffville a life-long resident of this locality, Mrs. Ira Powell. She was in her 82nd year. The late Mrs. Powell, was the former Eleanor Hayward, and was born just a mile and a half west of the village. She attended school at Altona 75 years ago, afterwards moving to Uxbridge for a short time. She was one of eleven children of whom only four now survive, three brothers, Tobias, Walter and Marshall, and a sister Mrs. Hannah Bailey. The late Ira Powell predeceased her some years ago. Also surviving are three daughters, Mrs. Florence Midgley, Toronto, Mrs. McMurchy, Sask., and Miss Laura. There are five grandchildren and two great grandchildren. Although she had enjoyed remarkable health up until a couple of years ago, her decline was rapid, and finally this spring she was forced to give up her home here and be removed to the hospital for better care. The funeral was held from the United Church on Tuesday at 2 p.m. with interment in the Union Cemetery. Mrs. Powell's christianity was chiefly exemplified in doing good to others, hence many kindly acts stand as a memorial to her fine life.

According to a news item from the United States a bakery over there has just offered to its customers an improved doughnut with a handle on it for dunking purposes. Now, if they'll just go to work on a hot dog bun with a zipper opening and a mustard trough, everything will be fine.

Assessment Appeal To be Heard in September

The Township of Pickering, which recently filed an appeal against its equalized assessment of 1942 taxation as fixed by Ontario County council in June will have its appeal heard by County Judge D. B. Coleman at Whitby.

It is understood that the hearing would probably not take place until after the summer vacation.

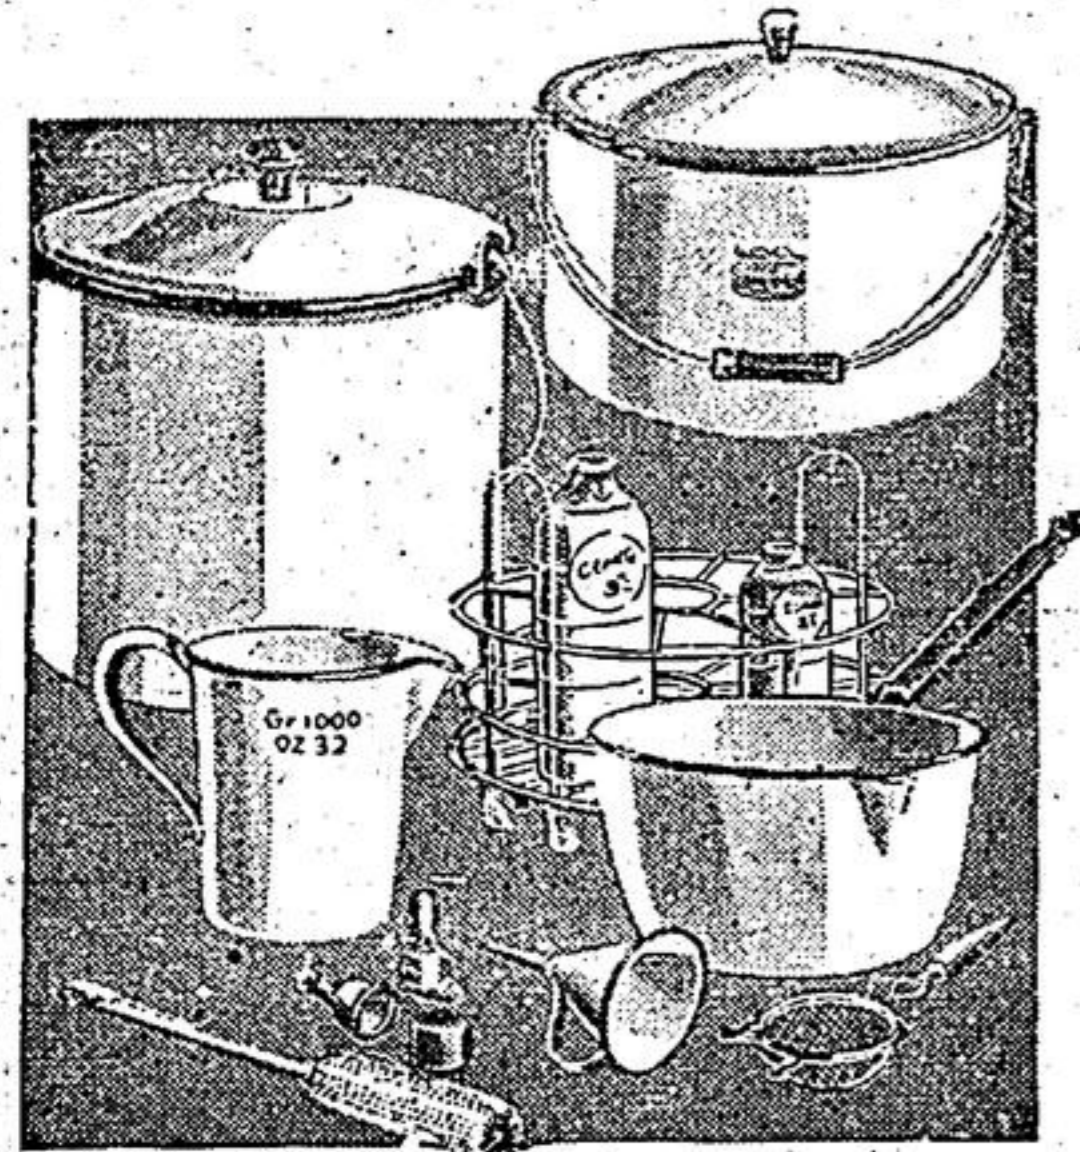

The township with a natural increase of \$24,000 and a loss of \$144,560 on lands expropriated by the Crown for the shell plant at Pickering, asked for a reduction in its equalized assessment of \$90,000, to be equally distributed over the county, Pickering bearing its share of the loss.

The township claims that 2,500 acres of land assessed at \$114,500 so expropriated passed into the ownership of the Dominion Government as from the 21st day of October, 1940, as registered in the County Registry Office, and that in consequence such properties are non-taxable for all purposes whatsoever as from such date in accordance with the British

SENDING BOYS TO GOAL
In Orillia it is against a town by-law to ride a bicycle in the town park, to say nothing of the town sidewalks. The other day a boy of 17 years was sent to goal for seven days for an infraction of this law. He was guilty of riding his wheel in the park.
North America Act.
It is contended that these properties were actually off the assessment roll from the date of expropriation and cannot be assessed by the county. Pickering Township pays 18 per cent of all county expenditures, and has the largest assessment.
So far the County of Ontario has taken no action to argue the appeal when it comes before the judge.
