**NATIVE OF
BLOOMINGTON
FOUND DEAD
IN HER HOME**

Keeping house for herself, although in her 80th year, Mrs. A. H. Winans died at her home in Newmarket on Monday evening, July 25, states the Newmarket Express-Herald. She was found lying on the floor 24 hours later by a neighbour, Frank Rogers, who investigated when he noticed that her poultry had not been out all day.
Mrs. Winans was a capable and independent lady, and took great pride in her garden and premises on Gorham street. She wasn't quite as strong this summer as in other years and wasn't able to give her garden all the attention she formerly lavished on it. Mrs. Winans worked in her garden on Monday, and was in seemingly good health.
She was affiliated with the United Church, and was well-known in Newmarket.
Hannah Davis was born in Bloomington, and married Allan H. Winans 38 years ago. Her husband originally of Tecumseh township, was a harness-maker in Newmarket, and died in 1927.
Mrs. Winans leaves no children and an only sister predeceased her. Her nearest relatives are her sister's children; Fred Reynolds, Toronto; Roy Reynolds, Stroud; Carl and Miss Mary Reynolds, Cedar Valley, and Mrs. James Coltham, Newmarket.
The funeral service took place Thursday afternoon at the Roadhouse and Rose funeral chapel. Pallbearers were James Coltham, F.O.R. Simpson, Frank Rogers, Leslie Smith, Carl Reynolds, Cedar Valley, and Roy Reynolds, Stroud.

NEW GRAIN MOVING

With threshing well on the way in this section, we note that grain prices are lively as farmers prepare to market the new crop. Wheat is quoted five cents higher than last year at 80c per bushel. Barley will be scarce this year and the price last week was 50c to 60c. Oats are 25c per bushel and rye 50c.
The grain prices have come along way since 1939 when in August wheat was 54 1/2c, barley 27c, oats 22c, and rye 33c.

WITHOUT WINGS
Free as a bird—without wings—is the prisoner on top of the water tower in the Atlanta, Ga., federal penitentiary. He liked his perch so much he refused to come down, and instead waved his arms and shouted: "Yanoow—I'm a Georgia boy." Later he took off his wooden leg and used it to beat a tattoo on the metal tank. He was identified by the prison warden as Robert Cales, 30.

Lesson for August 17
PETER ENCOURAGES SUFFERING CHRISTIANS

Golden Text — "If a man suffer as a Christian, let him not be ashamed; but let him glorify God on this behalf. —1 Pet. 4:16.

THE LESSON AS A WHOLE

The Epistles of Peter were written primarily—in accord with his special ministry to the circumcision (Gal. 2:8)—to Christian Jews of the dispersion, who dwelt in various provinces in western Asia, where most of the apostle's labors had been. They have to do with the believer's relation to the Kingdom of God rather than to the Church as the body of Christ, though, of course, those to whom he wrote were as are all Christians, members of the Church and subjects of the Kingdom. Both are wilderness Epistles; they contemplate the children of God, not in their heavenly aspect, as in Ephesians (1:3; 2:6), but rather as strangers and pilgrims journeying on through the wilderness of this world from the cross to the glory. Peter tells us that he wrote the first letter to testify that "this is the true grace of God wherein ye stand" (1 Pet. 5:12). It is not so much the grace that saves (as in Rom. 5:1,2), which gives us a perfect standing before the throne of God; it is God: it is rather the grace ministered to us day by day, which enables us to stand against all the wiles of the enemy and despite all the trials of the way. Suffering has a large place in the Epistle. It is looked upon as the normal thing for the believer while pressing on to the inheritance laid up for him in Heaven. In this we are reminded of Savonarola's words, "A Christian's life consists in doing good and suffering evil." He is to rejoice for the privilege of suffering for Him who has redeemed us with His own blood.

Verse by Verse

1 Pet. 4:12—"The fiery trial which is to try you." Primarily, the reference was to the great suffering that the Jews—whether Christian or not—were about to undergo in connection with the fulfillment of our Lord's prophecy concerning Jerusalem's destruction, shortly to take place (Luke 21:20-24). But it also has reference to the horrors of the Roman persecutions, which were to continue for two terrible centuries. The words are applicable to every time of trial and persecution.

Verse 13—"Partakers of Christ's sufferings." The believer suffers in fellowship with his Lord. Our Lord has told us to expect this (John 15:18-21).

Verse 14—"Reproached for the name of Christ." No one can be true to Christ and loved by the world; system, for everything that Jesus taught condemns the present order and leads ungodly men to hate Him and His people. But he who suffers for Christ's sake now is assured of glory hereafter; which will fully answer to the shame now endured.

Verse 15—"A busybody in other men's matters." Notice the company in which the busybody is placed. He is linked with murderers, thieves, and evildoers of every description, and that for a very good reason. For the busybody steals men's reputa-

**Mrs. L. Helmkey
Dies, ill Six Months**

A resident of Newmarket for 22 years, and a native of Markham Township Charlotte Lunau Helmkey died on August 6, in her 71st year, after an illness of six months.
Born in Markham township, she was the daughter of Mr. and Mrs. Wm. Lunau, Charlotte Lunau married Lyman Helmkey, and following their marriage, Mr. and Mrs. Helmkey farmed at Musselman's Lake, until going to Newmarket. Mrs. Helmkey resided with her son, W. J. Helmkey, an only child, who survives. Mr. Helmkey predeceased her several years ago.

**MAY CONSIDER USING
PLASTIC AUTO MARKERS**

Ontario Highways Minister Hon. T. B. McQueen says that the use of plastic motor license plates as proposed in Buffalo to conserve steel supplies has not been considered by the Ontario Government. But if a demand arose, the minister said, the proposal would be looked into. So far the Government has not heard of any steel shortage, and steel license plates for 1942 are now being manufactured at the Ontario reformatory at Guelph.
Mr. McQueen said the plastic would have to have qualifications almost equal to steel before its use would be considered for Ontario license plates. The amount of steel used in manufacture of the plates is not considered large enough to affect supplies.
Verse 8—"Your adversary the devil, ... walketh about." Satan is a real being, a malignant personality, the bitter enemy of God and man. But when we refuse to give place to the Devil, standing firmly at the cross, he flees from us, and his power is broken.
Verse 9—"Whom resist?" We are to stand against all the Devil's suggestions, "steadfast in the faith," battling for the truth committed to us. Nor are we alone in this. Our brethren everywhere have the same enemy to face.
Verse 10—"After that ye have suffered a while." We grow by suffering. Only thus can God's plan of conformity to Christ be carried out. But all is ordered of Himself. He will not permit one trial too many. When His purpose is fulfilled we shall be perfected and established in His grace.
Verse 11—"To him be glory and dominion for ever and ever." The victory will be His at last. All evil will be shut up in his eternal prison house. Suffering then will be a memory only, and God will be glorified in all His saints and His dominion established over all the universe.

AN URGENT APPEAL TO ONTARIO FARMERS
Keep your cows milking!

Ontario cheese factory patrons did a good job in May and June. They increased cheese production by 2,574,772 pounds. Don't let the drought be a tool for Hitler. Britain must have 112,000,000 pounds of cheese this year. This requires effort on your part. Drought conditions call for heavier grain feeding immediately.

- (1) Feed any available grain or silage.
- (2) Buy Bran and Shorts at the pegged prices from your nearest Feed Store at a saving of \$3.00 per ton. Prices are now at May levels.
- (3) Feed new grain at once.
- (4) Don't stint. Milk flow must be maintained.

YOU WILL NEED GREEN FEED THIS FALL
Work up a stubble field. After the first rain, sow one bushel Rye or Fall Wheat and two bushels of Oats per acre. This mixture will also provide early Spring pasture. You will be surprised and pleased at the quick and steady growth.

PURCHASED HOCKEY STICK
A Warton merchant, recovering from shock, made the sale of a hockey stick last week to a summer visitor from England, now residing in the United States. She purchased the hockey stick for her six foot three son, who has never seen a hockey game, and then inquired if the stick should be painted.
