Goodwood
FLASHES**

Walter Davey
8 Stanton Ave
Toronto.

We trust that the Sunny Sewer Club had a pleasant time at the Ex. George Taylor spent the holiday in the township.

Miss Evelyn Brown was home for the weekend.

Fred Robinson and sister visited Toronto on Wednesday.

The Wilkinson home in Goodwood is having some shade trees planted on the premises.

Congratulations to our Stouffville Junior Band on getting in 4th place at the exhibition.

Miss Lewis of Toronto is spending a few days with her niece, Mrs. Lloyd Wagg.

Rae's garage is closed three evenings a week now and the corner looks forsaken after seven o'clock.

Mr. and Mrs. Fred Woodland are spending a few weeks with their daughter near Myrtle, Ontario.

Mrs. George Brown and Mrs. Ed. Norton helped to swell the exhibition crowd one day last week, and pushed the attendance up by two.

Measles are in the township one victim being Evelyn Bacon. The second concession is taking the brunt of the attack.

Mr. and Mrs. E. J. Davey, Stouffville returned home from holidaying at Island Grove, Lake Simcoe on Sunday.

Very pleased to see our friend Miss Foote back on duty in St. Clements church choir after the summer holidays.

Mr. and Mrs. Henry Gordon and children of Ottawa who have been visiting the Davey homes have returned to Ottawa.

Miss Jane Davey has returned from Island Grove where she has spent her summer holidays. She is a student at St. Clements School, North Toronto.

Congratulations to the teacher and pupils of Goodwood School who thus far through the collections have donated about \$74.00 to the British War Victims.

We hope Bonney Jean Alexander is better from her fall at school. To the newcomers, Mr. and Mrs. Alexander and family we hope you will enjoy living in our village.

Ginger Todd has been working on the Radanz farms for several weeks and during Exhibition was on the grounds with some fine prize cattle from this farm.

Delighted to see that the first prize ribbon was placed on the fine animal and herd bull belonging to George Rodanz at Ringwood Farms. The popular sire won a sweepstakes.

Mr. and Mrs. Ridley are home from their holidays and Mr. Ridley

is back on the job at St. Enoch's church where he is organist and choir master and bandmaster at Stouffville.

The new teacher over at the Second Line school is Miss Mary Stamps who commenced on the opening day. Miss Stamps came with a very famous name, having in mind that of Sir Johiah Stamps, British economist and financier.

The Ladies Aid of Goodwood Baptist church met at Mrs. Geor. Jones' home on Wednesday evening. Mrs. Henderson led the meeting and Mrs. Bert Maye had charge of a very interesting program.

We regretted to learn through The Tribune of the accident that over took Arthur Dowsell, but are pleased to know he has been able to return home again. The Brierbush ambulance came after him last week.

Roy Smith and his bride were settled in Mr. Roach's house and were given a rousing chivari by the boys on Tuesday evening. We welcome Mr. and Mrs. Smith to Goodwood and wish for them every happiness.

Fall work is shaping up on the Uxbridge farms. Potatoes will soon be dug, that is the very late ones while corn cutting and fall plowing is occupying the time of others. Its been a bountiful harvest this season, and good prices too. Thankful we are, you say.

Mrs. Rae motored the members of the Sunny Sewers' Club and their leader, Mrs. Arthur Hall, to the Exhibition on Wednesday and there they were royally entertained by the Agricultural Dept. It was Farmers' Day and the club girls and Junior Farmers of the province had a grand parade through the grounds.

We have been impressed on going through the country with the number of poorly installed mail boxes, those with a slant on. A few minutes with a shove would often correct the defect, and make His Majesties Mail equipment look like the dignified thing it should be. This goes for the boxes that have no names on either.

Exhibition is over, cool, and long evenings are upon us, but with the Tribune bright and cheery, all up-to-date news of the district in abundant quantity, it helps life to be a bit brighter. Subscribe now if you are not getting a regular copy. \$2.00 per year in advance. Send us your money if you wish and we will see that your name is entered.

**APPEAL FOR CITIZENS TO
RECONSECRATE LIVES**

Wednesday of this week marked the beginning of the third year of the war now waging and Canada's participation in it.

In acknowledgement of that fact the government, by proclamation, set forth this week as a time to honor our men in uniform and re-dedicate ourselves to the service of our country and our cause. Accordingly, the proclamation was read from nearly all pulpits throughout Canada last Sunday.

In addition to the proclamation there is a Reconsecration Prayer to which the attention and thought of everybody is directed. The Provincial governments, mayors, reeves, churches and schools are all being asked to lend their assistance in making the week one of real national significance. Too much cannot be done to make all of us really conscious of the perils of this war and to develop a sense of duty to our country.

The Reconsecration Week Prayer, read:

O Lord of Hosts, in this time of our reconsecration to Thy service and in defence of the light brought into this world by Thy beloved Son, we turn to Thee in prayer. We pray for our fighting men on land, on the sea and in the air that they may be imbued with courage to persevere and strength to vanquish the dark forces which now seek to rule this earth. We pray for endurance for all those who, in any way, are engaged in this great conflict, and, for our peoples, understanding of the truth. We pray for mercy for the stricken, consolation for the bereaved and eternal rest for those who, having blazed the path, have been gathered to Thine arms. These things we ask, O Lord, so that in the fullness of time the dread conflict may cease, the right may triumph, and our children be brought up to serve Thee and to do those things which are of good renown, to know and to spread the Christian Light.—Amen.

Reconsecration Week Grace
For the courage of our fighting men and the devotion of those who stand behind them; for our continued freedom and for these blessings of our unscarred earth, we give thanks in this week of reconsecration to the Lord of Hosts, who is the only Defender of the Right.—Amen.

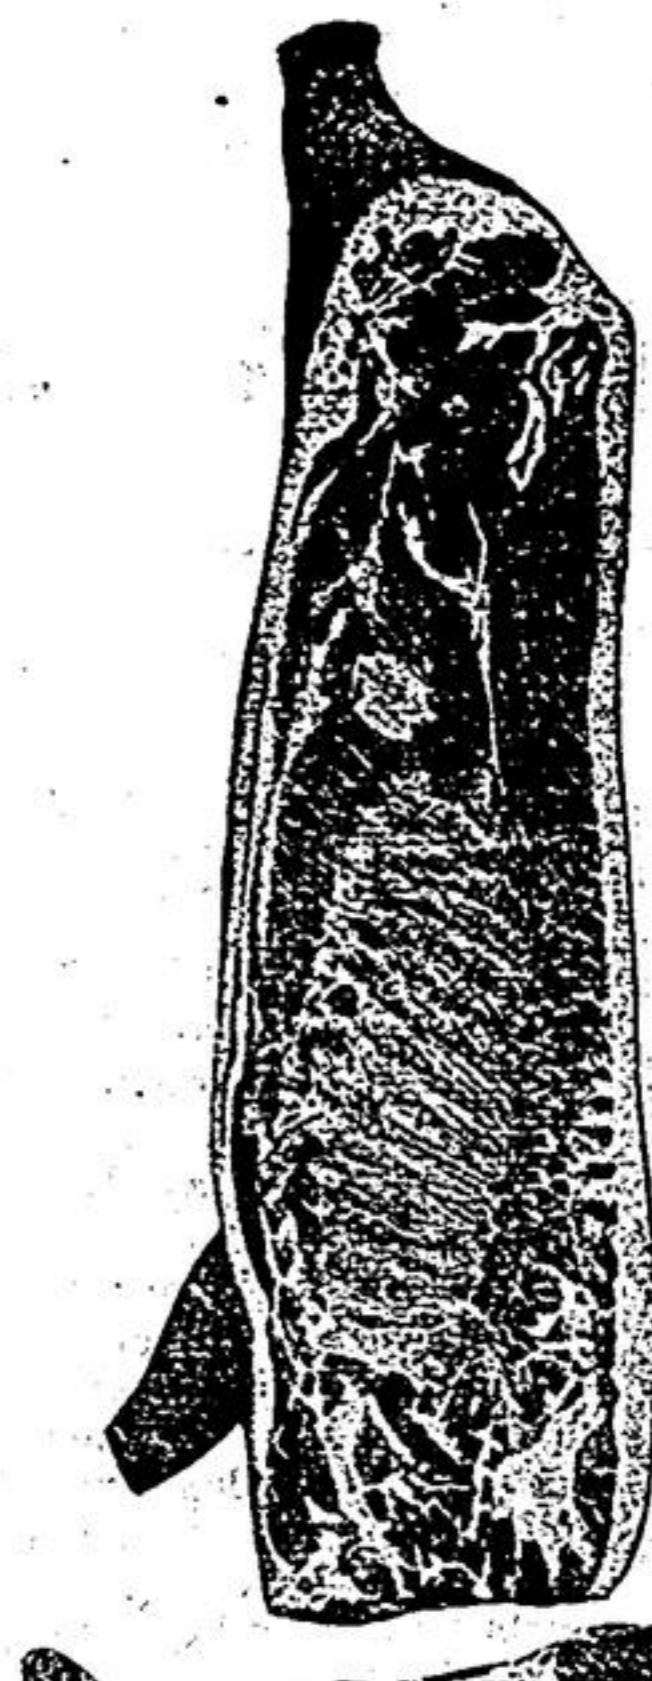

WANT MORE BACON

Fixing of a price for the new 600 million pound bacon contract with the United Kingdom awaits the Government's decision as to how Canada is going to refinance its entire British War commitment. Britain wants 1,000 million pounds of bacon from North America in the coming year. Canadians may have to go on short rations to supply it and will have to bonus the price some way to help out the British housewife. The present bacon contract expires when Canada has shipped 425 million lbs. The contract would normally have expired October 31, but Canada received an urgent call

to complete the contract in 10 1/2 instead of 12 months. This would mean completion by Sept. 15. Canada will not do quite as well as that but at the present rate of shipments should complete the amount asked for by the end of September. To deliver 425 million pounds of pork to Britain, it would mean the slaughter of 212,500 hogs providing every one of them weighed 200 lbs., which would be overweight.
