RECEIVES HIS WINGS

Douglas James of Markham who received his wings last week and is now a fully qualified member of the R.C.A.F. "Jessie" as he is popularly known received his schooling in Markham and is well-known to the local lads.

Anglican Church, Sunday afternoon at 2 p.m.

Local & General News

Trout season has closed, but the wild duck open season is here.

Mr. and Mrs. Archie Stover, Roy and Ruth and son Barrie of Milverton were Sunday visitors with Mr. and Mrs. Harmon Hoover.

Fires from gasoline and other petroleum products in Canada numbered 1,020 in 1940 and caused property damage of over \$500,000 and resulted in the loss of 27 lives.

Dr. McKay of Unionville was removed to a hospital in Toronto last Friday where he will undergo treatment for an infection in his one foot.

A number from this town and outlying district will be interested to learn that Oliver Stalter, former teacher and principal at Markham High School has entered the service of the R.C.A.F. as an instructor and is stationed at Regina.

Older sport fans will be interested to hear that "Lefty" Lennox, the former hardball pitching star from Stouffville, is now on active service with the first battalion of the Grey-Simcoe Foresters and is stationed in Nova Scotia where he is taking a mechanics course. His first name is Mervyn.

Rev. Ellsworth Toll, one of the Toll Brothers who literally hitchhiked around the world and who have shown their pictures several times in Stouffville as well as in surrounding communities, was married last Saturday, Sept. 20th, to Miss Ruby Draper. They will reside in Port Carling where Rev. Mr. Toll is minister of the United Church.

People have been known to steal almost everything under the sun, but last week a new one came to light when two farmers in the Walkerton district discovered that the hair had been shorn from the tails of their farm horses by parties unknown. The purpose of the hair clipping was done ostensibly for the purpose of selling the crop for which there is a good market price, we understand.

Stouffville War Branch wish to announce that they will pack boxes this Friday and request all who have knitted articles to send them in. The Branch acknowledges \$10 from Mrs. McCullough, clothing for all ages, quilts, afghan, from 9th Line group, Ballantrae, Mrs. Watts, Miss Chapman, Miss Eva Hoover, Mrs. Farthing, Miss Brodie, Mrs. Morton, Miss Moyer, Norman McLean and Mrs. George Lawson. Thanks is extended to all these helpers. Mrs. Davey, secretary.

Work of the Children's Aid Society is an essential war work and the members of the staff are doing their best on the home front, Miss Bingham, a member on the staff for East York, stated in an address before the Stouffville Senior Women's Institute Wednesday afternoon last week. Then the husband enlists, a stabilizing influence is removed from the home and the dependants allowance board and the Children's Aid are working in close touch in many such homes, she said. Work of the society had increased by 105 per cent in July and August of 1941, over the same period last year. Mrs. George Gunn opened her home for the meeting and Mrs. Garfield Kollington presided. Ten dollars was voted in aid of the Children's Aid Society.

Miss Edra Burkitt accompanied by Mr. Jack Pennock are holidaying in Belleville this week, at the home of Miss Burkitt's sister, Mrs. Don Fraser.

Rev. and Mrs. Fuller of Jarvis, Ontario, were in town renewing old acquaintances among friends here last week. Mr. Fuller, it will be recalled, was pastor of the Presbyterian Church here some years ago.

Guests of Mrs. Leaney Sunday, were, her nephew, Lieut. Jack Phillips of the R.C.A.F., Trenton, his mother Mrs. Harold Phillips, also of Saskatoon, and Mr. and Mrs. E. Braaten of the Radio Research Co., Leaside.

Frank Yake, son of Mrs. W. Yake has joined the R.C.A.F. and is serving in the mid-west. It is about 15 years since "Ponsey" Yake struck for the Pacific Coast, and has never returned to this day. His brother Harry is employed at the Stouffville Creamery.

Mr. and Mrs. H. O. Klinck have gone to Toronto for the winter months where they will be in charge of a university residence for boys. The couple will surely be missed in town, even though their absence is of a temporary nature.

Mrs. S. T. Bodendistel was one of the lucky winners in the bean guessing contest, in Toronto whereby she was given one pound each of tea and coffee of a nationally advertised brand. This was the same competition in which Mrs. Harry Stouffer won a silver tea service one year ago.

Grows "V" Cucumber
In the window of this paper this week is displayed a "V" cucumber grown by Garfield Ham, of Lemonville. The peculiar shape is derived from two cukes grown together at one end and shooting upward in a manner that makes a perfect "V." Take a look at it next time you are passing The Tribune.

The east end of the village is suffering from some shamefully neglected properties, vacant lots where the weeds are running wild. One property we have in mind is right on Main street, and belongs to a man who is reported to have turned down an offer to sell the vacant property on more than one occasion, yet he neither sells or uses it himself. Such individuals should not be allowed to mar the beauty of the village in this way, and steps ought to be taken promptly to see that they at least keep their places within the law. This property we have in mind is growing noxious weeds, and we hope after this publication that the weed inspector will see to it that someone lustily swings a scythe on this place. It takes all kinds of people to make up a community, but we do not need that class who will allow their premises to grow into disrepair, vacant lots into weeds, which does much to lessen the advancement of the town. This sort of person is a hindrance. He pays less and less taxes, and tends to reduce the value of his neighbor's property too. The press should not have to be the policemen, but lacking action from any other source, we are impelled to protest, in the interest of hay fever sufferers and the property owners in general who have that civic pride that makes them anxious to keep their premises beautiful.

STIVER BROS.

Mr. and Mrs. Wilbur Hill of Toronto were in town visiting at Mr. Hill's home on Sunday.

Mr. and Mrs. Allan R. Good, Kitchener were weekend guests at the Brierbush, the home of Mr. Good's brother.

Mrs. Bart. Lynburner and daughter Margaret from Fergus, are here visiting with Mr. Lynburner's mother, Mrs. Jas. Ratcliff.

Messrs. Bob and Wilson Boyer of the Bracebridge Herald staff dropped in for a friendly call at The Tribune Office on Monday. Bracebridge marked civic holiday last Monday.

Army Armstrong, well-known hockey referee, who has guided many a local game through hectic periods, has just been returned as singles champion of the Oshawa Tennis Club

According to local growers this has been an exceptionally good year for cabbage and cauliflower, and as further evidence of this fact, Mr. Ross Winterstein presented The Tribune with a head last weekend which nearly filled a wheelbarrow. This luscious sample had a head nearly three feet in circumference and weighed 9 1/2 pounds.

Joe Austin, son of Mr. and Mrs. George Austin of Stouffville is not a naval cadet, as was erroneously stated in this paper last week, but has joined the active service of the Royal Canadian Navy and is stationed at Toronto at present. Joe is receiving instruction in submarine detection.

Rev. Robt. Young was the minister at Ballantrae United Church on Sunday morning in the absence of Rev. A. J. Orr, the pastor.

Win Two Handsome Birds
Someone will shortly be presented with a prize pair of cockerels now on exhibition at the store of Stiver Bros. Tickets are being sold at 10c each or 3 for 25c, total proceeds for the Soldiers' Benefit Comfort Fund and the Stouffville War Branch. Drop in and procure a ticket or three at once. The cause is worthy, the birds are a prize.

Mr. and Mrs. Claude Brillinger are moving to Toronto. Sorry to lose the young couple from the village. Mrs. Brillinger (Luella Gayman) has long been an active member of the United Church Choir, where she has freely given of her vocal talent. Friends are hoping that their stay in Toronto will only be of short duration, and that they may return to Stouffville.

Mr. Russel Story was removed from a Toronto Hospital to the home of his son Howard in town on Sunday. It is now six weeks since Mr. Story was seriously injured in an accident at his gravel pit north of town. He was putting on a big belt when the machinery was in motion and in some manner was caught and whirled around a clutch. He suffered a broken leg and arm, the latter being so badly crushed it was feared it would have to be amputated. However, the arm was saved, but it will be a considerable time before Mr. Story is able to do a day's work again.
