High Priced Holstein a Winner

Betsy Roebuck Dixie, formerly owned by Mr. Lloyd Turner of Stouffville and sold for \$600 in July to the Griswold Hopkins farm in Minnesota, U.S., has just won the grand championship at the big International Dairy Show across the line. Betsy Roebuck Dixie had around 60,000 pounds to her credit at the end of her 5th year, in 3 lactations.

Harry Brown of Royal Canadian Navy is home on his first leave since being stationed at the west coast. Harry is a son of Mrs. N. W. Byer.

Al. Hupter an accountant at the Bank of Commerce here, about two years ago, is now with the Royal Navy, and word was received from him this week, from Singapore.

Owing to the necessity to curtail expenses, after December 1st the Public Library will be open only Tuesdays, Thursdays, and Saturdays, at the regular hours.

Interesting Social Function

A number of friends called at the home of Mrs. A. V. Nolan, last Friday afternoon, to do honour to Mrs. Charles H. Nolan, and a bride of this summer. The guests were welcomed by Little Meryl Alexander of Markham and Mrs. A. Griffiths and the brides' mother of Markham also received. In the tea room the table was arranged with a centre piece of pink roses and cornflower, with white tapers and presided over by Mrs. A. S. Collins and Mrs. F. L. Button. They were assisted by Mrs. H. Brillinger, Mrs. D. Woodburn, Mrs. C. Brillinger and the Misses E. Marshall, L. Bunker A. Lindsay and E. Brillinger. During the afternoon about sixty guests called and offered congratulations to the recent bride.

The officers and members of the Stouffville Branch of the Red Cross Society wish to express their appreciation for the wonderful response which met their appeal for the shower of goods for Christmas Boxes for the boys overseas. They wish to especially thank, not only those who contributed to the contents of these boxes but also the Bridge Club, Jubilee Chapter, O.E.S. and other citizens, who made donations of cash which enabled the committee to provide extra treats for the boys. A total of thirty-seven dollars and ninety cents was collected and last week twenty three boxes were started on their way with seven more to follow this week. Thanks are also due to Grove's store Ringwood, Lehman's Store, Ratcliff's Store, and the Tribune Office for their collection of articles for these boxes and any others who helped to make this undertaking a greater success than the committee had hoped for. We hope that the boys who are doing their part so nobly will receive these boxes with as much pleasure as the citizens of their home town had by their donations.

Local & Personal News

Mrs. E. Farmer, Claremont, is spending a few days in town visiting her sister Mrs. George Leo.

Mr. C. Robertson and daughter Helen of Utica spent a day recently with his cousins Mr. and Mrs. K. G. Tarr.

A meeting of the Stouffville Branch of the York County Veterans Association will be held in the hall here on Monday night, November 3, at 8.30 p.m. George Myland, President.

190 scholars are now on the roll at the public school, with an average attendance of over 160. Some of the pupils coming from farm homes are excused for a limited time to help with the fall work at home.

Mrs. Valteau, wife of one of our ragamem, Bruce Valteau, was removed from her home in town to the Brierbush hospital last weekend, suffering from a nervous breakdown. In addition to her local physician, Mrs. Valteau has been attended by a specialist in attempting to diagnose her case.

Two of our well known citizens Messrs. John Hodgins, and L. E. O'Neill are making good recovery from their recent illnesses. Mr. Hodgins who suffered a stroke is gradually coming back to normal but will have to go slow, while Mr. O'Neill is speedily recovering from an appendicitis operation.

Mrs. F. R. Riches has been appointed a member of the Stouffville Library Board to succeed Rev. L. E. Atkinson now located in Uxbridge. Mrs. Riches who served in this capacity before coming to Stouffville, is the appointee of the School Board who appointed Mr. Atkinson some years ago.

The dismantling of the large lumber shed which adjoined the Stouffville Planing Mill, was completed last week by Messrs. Les. and Frank Rowbotham. The building which was nearly fifty feet long was purchased by Mr. Les. Rowbotham. Mr. Schell, we understand, will erect a more substantial addition to his mill at a later date.

Miss Clare Sherrick is in town staying with Mrs. S. B. Hoover, south Church street. For quite a number of years it has been Mrs. Hoover's custom to spend the winter with her daughters at East Orange, New Jersey, but this winter she has decided to remain in her own home here, and thus see another Canadian winter.

Vegetable Prices Easier
Market flooded with cabbage was responsible for downward trend in price last week local growers report. However, it is predicted that those who hold for later sale may get a good price. Present prices for cabbage around \$20.00 per ton is not regarded too badly however, and a big improvement over a year ago.

Mr. George Stewart has been in town holidaying with his sister, Mrs. Jess Cook.

A half penny of the Bank of Montreal dated 1844, was picked up last week by Mr. E. D. Barkey, in his orchard on the 8th concession of Markham.

One of the most popular sections of the paper is the small adv. column where several thousand pairs of eyes scan those ads. If you have something to offer for sale or require something, use the small adv. route for quick results.

The entire contents of Monkhouse's tailoring shop stolen eight weeks ago, appears to have proven a successful robbery for the thieves, for the police have nothing to report. Some years ago a clean-out was successfully made on the store of Reeve Weldon, but nothing was ever recovered. Such results are discouraging, to say the least.

You'll Enjoy This

Probably one of the best concerts yet given by the Stouffville Junior Band will be held in the United Church on Thursday evening of this week. Appearing along with the band on this occasion will be the boys choir of St. John's Anglican church, West Toronto, and Percy W. Macdonald, organist and choirmaster. Mr. Macdonald has composed a large number of organ and piano selections, and his latest compositions, Polonaise in B flat major, which he has dedicated to Bandmaster Ridley will be played on the organ. Miss Ida Walywn, elocutionist, and Tom Waterspoon will also appear on the program. Among the band's selections, will be a New York Medley of Old familiar songs in which the audience will be asked to join in.

Past Governor Visits Here

The Stouffville Lions Club heard an impressive address given by Past District Governor Harry Lambert at the Village Inn on Monday evening, in which he called for greater effort than ever before to the tasks of the community that should be done. Helping under-privileged children is not the only work that the Lions can perform, a point he emphasized when he recalled that last year after trying every other possible avenue of help in the village to aid in organizing and canvassing for the War Service drive, he appealed to the Lions. Fearful that only a very few hundred dollars could be obtained, President Merv. Watts called on The Lions who entered wholeheartedly into the drive, furnished three canvassers who with three or four others went out and the good people of this community contributed no less than \$1,800, ranking with Newmarket for first place in the per capita givings for the whole county of York. Lion F. L. Button, K.C., moved a vote of thanks to the speaker of the evening. The meeting was presided over by President Watts, and guests were present from Newmarket, Barrie and other places.

STIVER BROS.

PIONEER MARKHAM FARMER AND WIFE 50 YEARS MARRIED

J.D. Quantz, brother of W.A. Quantz of Stouffville — Has Visited Here Several Times in Past Years — Forefathers Settled in Markham in 1794.

Friends, relatives and neighbors met at the residence of Mr. and Mrs. J. D. Quantz on Sunday October 12th to extend greetings and good wishes on the occasion of their 50th wedding anniversary and to enjoy a social cup of tea and dainty lunch served by Mrs. O. P. Quantz and Mrs. J. Paxton.

On behalf of Antler Hill, Alta., Mr. Harry Newton presented Mr. and Mrs. Quantz with a gold colored satin comforter and chesterfield cushion to match. Mr. Quantz acknowledged the gifts on behalf of Mrs. Quantz and himself in a well appointed happy little speech.

Mr. Quantz is a brother of W. A. Quantz of Stouffville and has visited here several times in the past 20 years. He was a veterinary graduate and classmate of the late J. T. Storey, V.S.

Mr. and Mrs. Quantz were both born and grew up on farms in York County, Ontario, a few miles north of Toronto. Mr. Quantz is descended from one family of a large German colony who came from New York state and settled in Markham Township in 1794. Mrs. Quantz, whose maiden name was Sophia Doan, is from a Quaker family who came from Pennsylvania to Ontario a few years later. Mr. Quantz graduated from the Ontario Veterinary College in 1889, and was practising in Maysville, Kentucky when he met his bride and they were married at Cincinnati, Ohio, in 1891. The lure of the West caught them, and in 1895 they came to Alberta and settled six miles N.E. of Innisfail, and have been living on the same section ever since. Farming during the day, and practising as a veterinary at night was rather strenuous, so Mr. Quantz gave up the latter practice, but always willing to give the helping hand when needed. Mr. Quantz is now 78 and Mrs. Quantz 76.

A rather unusual but very pleasant coincidence is the fact that three of Mrs. Quantz's sisters, have lived to celebrate their golden wedding anniversaries. Mr. and Mrs. Quantz have turned the farm over to their only living son, Mr. O. P. Quantz.

MISS ALLEDA RUSSELL
Representative, Stouffville, Ont.

The 55th anniversary of the inauguration of through passenger train service between Montreal and Toronto fell on Monday this week.

Veteran business man, now retired, Mr. James Ratcliff still has a keen eye in his head, and can shoot along with the youngest boys as was proven last weekend when he with another more youthful huntsman as guest, brought down four pheasants and one fox. Reg. Stouffer with Brathwaite ammunition that must ring true, got his quota of pheasants too, while other huntsmen from town met with fairly good success. Bob Snowball and Massie Mowder juggled in a nice haul in just a few hours, all the time they could spare from business.

Timothy Bruels Family Gather

Members of the family of the late Timothy Bruels, pioneer and native of Ringwood, gathered at the home of a sister Mrs. Wellington Cober, in Guelph who had recently been quite ill. Those who partook of the meal provided and enjoyed what was a re-union for the family totalled forty eight people. Members of the family present were Mr. and Mrs. John Bruels, Toronto; Mr. and Mrs. (Florence) Campbell, Toronto; Mrs. Mollie Pipher of New Liskeard; Mr. and Mrs. (Susan) Klippert of Detroit; Mr. and Mrs. Willie White of Burford, Ontario, and Mr. and Mrs. (Annabell) Elasser of Toronto. There was regret expressed over the absence of William Bruels, brother, from Mercer, Pa. However, it was a grand meeting of the family, the first in 16 years, or since their mother passed away. The Tribune is indebted to Mrs. Klippert for the information herein contained which will be read by old friends with interest.

Another son Doan, was killed in action in Belgium, during the first World War.

Fifty Years Married

Mr. and Mrs. Fred Feasby celebrate their golden wedding at their home, Uxbridge Township, on Saturday, Nov. 1. They plan to spend the day quietly and will entertain the family and a few invited guests at dinner. They have spent their entire married life on the old Feasby homestead where the family first settled about 1850 at lot 36, con. 3. It was here that Mr. Feasby was born. He was the youngest of nine children. Mrs. Feasby was the former Frances Smith, born in Markham close to the C.N.R. Depot in that vil-

lage. The family later moved to Bloomington. There were but three children in the Smith family, one brother Henry who lived at Monogolia is still well remembered to our readers although he died several years ago.

Mr. and Mrs. Feasby have three sons and two daughters, namely, Harold on the Rivordale Collegiate staff, Charles of Goodwood, Murray at home, Miss Mary Feasby in Toronto and (Blanche) Mrs. Albert Hockley, Uxbridge Township. The Tribune has been a constant visitor in the Feasby home for forty years.
