FLASHES**

8 Stanton Ave
Toronto.

Mrs. Donald Fines of Newmarket spent Sunday at Goodwood on the occasion of the United anniversary. Incidentally it was an opportunity to visit the home of her father Mr. Ernest Morgason.

We regret to learn that Alvin Redshaw is not in the best of health.

Miss Sadie Stewart of Stouffville visited at the home of Mr. and Mrs. E. W. Evans.

Flash has a rare good Buffalo robe that we would like to sell to some prospective buyer.

We are pleased to learn that Miss Mahdie Clark has been able to return to her home after spending quite some time in the Toronto Western Hospital.

There was a good crowd at the supper and play at the United Church on Wednesday evening when the United Young People presented their play "Jimmy Be Careful."

We are sorry to learn of the death of Mr. Bert Stewart on Sunday. Our sympathy is extended to the family.

Mr. and Mrs. Arthur Lee of Rochester spent their Thanksgiving Day weekend in Toronto visiting their parents Mr. and Mrs. G. Lee.

We are sorry to hear that George Stewart had a bad heart attack on Wednesday night and is confined to bed for at least two weeks.

There was a very large attendance at the funeral of Mr. Bert Stewart on Wednesday. The Orangemen attended in a body.

Miss Annie Watson of Toronto called on old friends on Wednesday.

Mr. and Mrs. Oliver Blizard and family were visitors at the home of the Scribe on Sunday. Mrs. Blizard is a sister of Mrs. Davey.

Just 28 days before Christmas. One of the most convenient and lasting Christmas gifts is a year's subscription of The Tribune.

The regular meeting of the B.Y.P.U. was held on Thursday, November 20th. Mrs. Harry Woodland's group was in charge. Rev. Mr. Taylor gave a very interesting talk. Twenty five members and friends of Goodwood Baptist Church went to Uxbridge on Monday night to attend the reception given to the new pastor Rev. Mr. Taylor.

The United Church had a successful anniversary service on Sunday. Rev. Mr. Warren of Uxbridge gave a helpful message to the large congregation. The singing of the male quartette was enjoyed by all.

There was a good attendance at the supper held in the United Church on Wednesday. The play "Jimmy, Be Careful" was well rendered by local talent. Musical numbers by Misses Beryl and Bernice Armstrong of Toronto delighted the audience.

Vandorf friends will be pleased to know that Mr. C. Pogue a friend of Flash Correspondent has located on his farm north of Vandorf. His sister Miss M. Pogue will be spending the weekend with her brother. We hope they both will like their new abode. Yes stree, our friends are new subscribers to the Tribune. This is their first issue.

Quite a number of the Baptist people from Goodwood attended a reception for their new minister Rev. James Taylor at the Baptist Church in Uxbridge on Monday evening. Among interesting features of the program were short addresses given by the ministers of the other Uxbridge churches.

A cake made by Mrs. G. Todds for the birthday occasion in honor of Mrs. Middleton in Toronto, was one sent in her behalf to the boys overseas. This, of course, was aside from the big birthday cake cut in her honor. Mrs. Middleton was more than delighted with the cake from Goodwood.

There will be plenty of traffic on the roads leading to Stouffville on the day of December 13, the occasion of the War Workers bazaar. We are looking forward to it too, because the Correspondent is responsible for some of the work to be done that will help make the affair a success. Well we are already rolling up our sleeves and what a time we will all have at that bazaar.

Secretly we were pleased that our young neighbor friends in Toronto, Misses Burrell and Bernice Armstrong, twins, made a big hit singing at the hot supper at Goodwood last week. Yes, do you know we can see these lovely girls only back a few years ago when they were taken out in their carriage and were the admiration of the neighborhood around Stanton Ave. They with their mother are members of Riverdale United church under Rev. George Coulter. It was our misfortune that we could not accompany them to

CHRISTMAS PUDDING PREVIEW

ITS cook-house magic the services agree as James Morgan, top chef of the Canadian National Railways dining cars mixes the more than two score ingredients required to make 24,000 individual helpings of pudding to be served on trains during the Christmas season. Two tons of pudding are needed to fill that order and as men of the Navy, Army and Air Force then travelling will have their share, representatives of the services were invited to see the job get under way. They crowded Chef Morgan but did not cramp his style and this season's four thousand pounds of puddin' material were assembled and cooked in a work space 12 feet long by 30 inches wide — the kitchen of a dining car parked in the yards at Montreal — leaving scant clearance for stout cooks.

Goodwood.

Birthday greetings to Daniel Baker, Mrs. Chas. Feasby, Mrs. Freeman Slack, Miss Bernice Todd, Helen Tindall, Neil McGillivray, Mrs. Ed. Wilson, Gertrude Morgason, Murray Stewart, Shirley Taylor, Vera Case, Harold Elson, all of Goodwood and Uxbridge Township; Mary Law, Lemmonville; Fred Lee, Claremont; Grace Paisley, Musselman's Lake; Mrs. A. Hastings, Brougham; Mrs. S. Ottewill, Toronto; Wesley James, Stouffville; Garnet Yake, Mount Albert; and to Mr. and Mrs. Frank Collins on the occasion of their wedding anniversary.

On Friday, Nov. 21, at the home of her daughter at 766 Pape Avenue Mrs. Jos. Middleton celebrated her 71th birthday, and friends do you know that as the Correspondent and his wife visited the home that evening we were amazed with the crowd of people. Yes, sir, the place was filled to overflowing, daughters, sons-

in-law, grand children, and still we squeezed in. Mrs. Middleton's smiling face indicated how she enjoyed the affair. On one mail the postman delivered over 59 cards and letters, and when we looked them over they numbered over 80, all from back home for the most part. We all enjoyed that buffet luncheon, and the song, "Happy Birthday to you." Mr. Thompson offered prayer which breathed a kindly sentiment for the future health and happiness of Mrs. Middleton. In conclusion the Correspondent had them all clasp hands and sing, "Should Old Acquaintance be Forgotten."

A tree on the farm of Robert Mowbray, a short distance west of Whitechurch, has the seasons mixed up. Mrs. Mowbray last week picked a branch laden with pussywillows. Some were poorly formed, but others made one think that spring was just around the corner.

**Markham Decides
to Support Two
Hockey Teams**

Many Against Decision Through Fear of Inefficient Finances— Teams Suffer Bad Blow in Loss of Two Players to Marlboros.

At a meeting of the hockey bigwigs of Markham last week, the final decision was made to develop both a Junior and Intermediate hockey teams in that town this season. Gordon Brown was elected president of the joint committee in charge, while the two managers will be Johnny Bayes for the Juniors and Harold Boyington for the Intermediates.

There are still many "agin" the idea of the double O.H.A. entry as they fear the town can not properly support two outfits. However, the decision will stand for the present at least.

The management received a rather bad blow to their playing strength the other day when Nick Bangay, the Junior member of the Bangay clan, who was such a top-ranking player for the Aces last winter, and Ronnie Rowe, a rookie forward of great promise, signed on the dotted line to play with Toronto Marlboros in A company.

While new recruits have been received both from Lindsay and Bolton, reports are that they will not measure up to the standard of the pair of players lost.

The S.P.A. series is scheduled to get underway on December 1 with the following teams entered so far in the B. and C. classes: Oakville, Etobicoke, Markham, Barrie, Upper Canada College, St. Catharines, U.T.S., St. Mikes, Caledonia and Stratford.

WHITCHURCH FARMERS PROTESTS NEIGHBORS' GARBAGE PILE

Aurora council has a rather strange case on its hands according to the Newmarket Era wherein Reg. Beattie of Whitchurch township, who some months ago purchased the Buckle far on the sideroad one mile and a quarter above Aurora, has taken exception to the use of a small portion of Harry Hill's neighboring farm as a garbage dump for garbage collected in the town of Aurora.

In September Mr. Beattie appeared before Whitchurch township council and urged that the township take steps to prevent garbage being dumped on the Hill property. The matter was referred by the Whitchurch council to the medical officer of health, Dr. G. W. Williams of Aurora.

On Nov. 4, Mr. Beattie issued a writ naming as defendants Harry Hill, Raymond Rowling and the corporation of the town of Aurora. The writ asks "for an injunction restraining the defendants from continuing to carry on a nuisance on Lot 86, Con. 1, in the township of Whitchurch, and for damages."

The Hill property has had a dump on it since Mr. Rowling has held the local contract for the collection of garbage in the town and Mr. Beattie apparently was aware of the use being made of the property when he bought his farm in June.
