**6th Line, Whitchurch**

The congregation of Markham Second Baptist Church did a nice thing at Christmas when many of the members assembled at the parsonage where they took Mr. and Mrs. R. Rowan completely by surprise by presenting them with a lovely set of silver cutlery in a handsome cabinet. Mr. Charles Ratcliff did the honors on behalf of the group assembled and Mr. Rowan made a warm and feeling reply. The accompanying address was read and speaks for itself: To Mr. and Mrs. Rowan,

We, the sheep of your watch-care, have met here to-night to convey to you our loving gratitude and appreciation for your many kindnesses and faithful ministry since coming to 2nd Line, Markham last October.

During these last few months we have learned to love you all in the Lord and it is our sincere prayer to God that our mutual love and friendship will continue to grow and abound.

We hope we may in future months serve our Master well, knowing that in unity of thought, purpose and deed there is power to achieve great things for God.

We sincerely thank God for His goodness in guiding us in our choice of a pastor, and we do thank the kind Vivian folks for sharing you with us.

At this happy Christmas time when we are praising God for His unspeakable gift, we would be very pleased to have you accept this small gift as a token of our high esteem to you.

May God bless you all and give you a very Merry Christmas and a happy New Year.

Yours in His service,  
2nd Markham Church.

**Boys Overseas Were Heartened by Local Red Cross Xmas Parcels**

Somewhere in England, Stouffville Red Cross

Dear Friends,

Just a note to thank you for the lovely box you have sent to me. I do appreciate it and know that the other boys that get them will also. I was down to my last razor blade, and gosh it was dull, but now I can shave with a smile. I hope you all can have smiles over there this Christmas and wish you, one and all, a Merry Christmas and a Happy New Year.

Spr. Gordon Lehman.

In Camp, Dec. 1, 1942. Stouffville Red Cross,

Dear Mr. Button, Please accept this letter of thanks for the Christmas box which was sent me by your branch.

Although it came shortly before Christmas it was nevertheless appreciated. Parcels from home mean ever so much to the boys over here. Although it may seem such a small thing to you and the people at home, I only wish you could see the joy it brings to the boys when they hear, "Line up for Christmas parcels from home." I am sure it would make you feel proud to be carrying on such a good work. Thanking you again, I remain, your friend, Jim Smith

England, December 2, 1941. Dear Friends,

I received the parcel you sent and I would like to take this opportunity of thanking you for your kindness. It is really swell, to be remembered by the folks back home through such a great organization as the Red Cross. Again I say thanks a million and Merry Christmas to all. Sincerely, Gnr. Harold Bingham.

Dec. 4, 1941. Dear Sir,

May I take this opportunity to thank your Branch for the splendid parcel which I received intact, the other day. Please accept my sincere thanks. Each article was just what I needed. To the person or persons who arranged the parcel may I say, you know just what we need over here. Memories of Bethesda and Stouffville will always be fresh in my heart. Your present proves "symbolic" of our people back home. Please pass on my sincere thanks to everyone. Sincerely, Gnr. Roy Haines.

**Appeal to Sunday Schools for Publicity**

Editor and Readers,

Dear Friends,

It is with much interest that I read in The Tribune news items and reports of events in the Sunday School area, particularly in Whitchurch Township, in an effort thus to become better acquainted since it does not seem possible yet to get around to visit all the Sunday Schools.

I would appreciate very much if a summary given at the annual meeting of each school, also a list officers for the new year were published in The Tribune. These would likely interest many readers and be a help to the Sunday School effort generally.

It is with thankfulness we observe that religious instruction in public

**ORDERED ACTION**

Vice-Admiral Emile Muscler, commander of the Free French navy put out from the port on December 22 with four corvettes for "manoeuvres at sea." The ships manoeuvred Monday and Tuesday. Wednesday they sailed between St. Pierre and Miquelon, the chief islands of the tiny lots off the Newfoundland coast that have been French for more than 100 years, and only then did the crews learn their mission was to take the islands.

Dec. 4, 1941. Dear Mr. Button,

I received your very nice parcel from the Stouffville Red Cross for which I thank you and the people of Stouffville and district. The parcel arrived in good shape, nothing broken or injured. I was delighted with the contents, the things the parcel contained are just what we need most over here. I am well and happy in the Service, and have gained 15 pounds since joining up a year and a half ago. Things are very quiet here right now, but I hope we get some action soon and get this job over with. The weather is swell for this time of year, mild and a fair amount of sunshine. Well, cheerio and all the best. Yours sincerely, Pte. Dave Edwards.

England, Dec. 6, 1941. Red Cross, Stouffville

I received your very welcome parcel on the 3rd, and wish to express my sincere thanks for the same. A few things from home mean quite a lot to a person, especially after they have been away for some time. Also it helps to remind a person of much pleasure they had in the past, and the hope that these times may be enjoyed again in the future. Wishing you all a Merry Christmas, I remain, as always,

yours sincerely, Robert Sibley.

Dear Sir,

I received your very welcome parcel and it sure was a wonderful Christmas present and I want to thank the Red Cross and everyone who helped send it. I am fine and hope everyone back in Stouffville is the same.

It has been very wet where I am stationed, and gets very cold at night. We are on guard duty at present. Will close now, thanking you all again, Bruce Lintner

Dear Sir,

I received your parcel last night, but didn't get a chance to open it until today. I was still on duty and as we are on Coastal Defence we don't take any chances on anybody, but it sure is nice to get this parcel from home especially when you are stuck in an out of the way place like we are now, with hardly time to do any shopping. You feel more like resting than anything else with what time you do have off. I often get the Tribune from Bruce Morton and its good to keep in contact with what is going on and hear the names of the people back home. Well time is short. Wishing you all a Merry Christmas and a Happy New Year. Cpl. H. S. Cook

**Is Your Liver Poisoning You?**

**Are you sick and tired every morning — always constipated — can't eat without pain and distress? Your liver is poisoning your system — permanent ill health may be the result!**

● Your liver is the largest organ in your body and most important to your health. It supplies energy to muscles, tissues and glands. If unhealthy, your body lacks this energy and becomes enfeebled — youthful vim disappears. Again your liver pours out bile to digest food, get rid of waste and allow proper nourishment to reach your blood. When your liver gets out of order proper digestion and nourishment stop — you're poisoned with the waste that decomposes in your intestines. Nervous troubles and rheumatic pains arise from this poison. You become constipated, stomach and kidneys can't work properly. The whole system is affected and you feel "rotten," head-achy, back-achy, dizzy, tired out — a ready prey for sickness and disease.

Thousands of people are never sick, and have won prompt relief from these miseries with "Improved Fruit-a-tives Liver Tablets." The liver is toned up, the other organs function normally and lasting good health results. Today "Improved Fruit-a-tives" are Canada's largest selling liver tablets. They must be good! Try them yourself NOW. Let "Fruit-a-tives" put you back on the road to lasting health — feel like a new person. 25c, 50c.

**"I'll Swear It, Always Fine Now"**  
Since I was twelve I suffered from liver constipation and never felt well. I started taking "Fruit-a-tives" and I can truly say they gave me wonderful relief. Every one should try "Fruit-a-tives" and enjoy life as I do now. I have never been sick for years. Mrs. Florence Williamson, Montreal, Que.

**"Run Down For Years, Has Perked Health"**  
I was badly run down and terribly nervous. My digestion was poor and I was always constipated. "Fruit-a-tives" soon made me better and I feel like nothing like it for making you well and giving you new pep and energy. After years of bad health "Fruit-a-tives" made me feel fine. Mr. Roy Dagneau, Chatham, Ont.
