WHITCHURCH RATEPAYERS

Please note that an important ratepayers' meeting is called for Monday evening, January 26, at 8 p.m. in the Community Hall, Vardorf. We have a pleasant duty to arrange for in respect to the elevation of our révé to the position of Warden of York County and ask all ratepayers to attend.
—J. Crawford, Clerk

CEMETERY MEETING

Take notice that the annual meeting of Bloomington Cemetery Board will be held at the Bloomington Christian Church, on Friday, Jan. 30, at 2.30 p.m. s.t.
General business will be transacted. All plot holders are urgently requested to attend.
V. Wagg
Wm. Fockler
D. W. Burnett,
Sec'y-Treas.

IN MEMORIAM

In loving memory of a dear husband and father, Robert Nesbitt, who passed away, January 21, 1938. Nothing can ever take away The love a heart holds dear, Fond memories linger every day, Remembrance keeps him near. Ever remembered by,
Wife and Family.

CARD OF THANKS

We take this means of expressing our deep appreciation and sincere thanks to all those who responded so splendidly in helping to save our building from fire on Saturday night, especially mentioning the fire brigade.
Lewis Bros.

DE LAVAL MILKERS

If in need of a MILKER, BUY IT NOW! Materials for good milkers are becoming increasingly hard to get. DeLaval Milkers are great labor savers and will increase your profits more than any other labor-saving device that we know of. We install and service DeLaval Milkers at minimum cost. All parts carried in stock that are apt to need replacing.

Additional Locals

You still have an opportunity to hear the outstanding evangelist in the person of Bishop Charlie B. Byers of Chambersburg, Penn., at Helise Hill Church, Gormley. He will speak every evening this week at 7.30 and at 7 o'clock on Sunday, and possibly next week. Come and bring your friends along and hear this Holy-Spirit-filled preacher.

Dr. Harry and Mrs. Wilson were in town on Sunday, guests of Mr. and Mrs. N. W. Byer. They report that it was 58 below zero when they left their home in Englehart, and that it had been 60 below on one occasion this winter, the coldest season since Dr. Wilson has been in northern Ontario. Despite the great cold the trip was comfortably made by motor car.

Mr. A. Watt of the 7th concession of Markham has rented the well-known Grant farm at lot 16, con. 9, Markham Township, from estate of Wellington Goodwin. The property lies just west of Rigfoot. There will be an extensive public auction sale there on Thursday, January 29. The entire list of sale is published in this issue of The Tribune. The new tenant Mr. Watt, is vacating the Robert Smith farm as Mr. Smith's son Nelson is taking over the property having given up the Steckley property at Bethesda.

To day a big Sunday School convention being held in the Baptist and M.B.C. churches this Thursday has still another slight change in the program just announced. Rev. Mr. Swaim who is announced to speak at the evening meeting will not be able to fill that engagement, but will address the convention in the afternoon. Rev. J. H. Barnes, rector of St. Peter's Anglican church in Toronto will speak in the evening in lieu of Mr. Barnes. Ladies of all the town churches are uniting to serve meals to the delegates.

Charlie Hooper, deputy-reeve of Markham, was elected a member of the striking committee at County Council on Tuesday when the members were voted on for the seven to fill the offices. An appointment like this by secret ballot rather attests a councillor's standing among his fellows, and Charlie, you see, stands well.

SEED CLEANING!

Our complete line of cleaning machines gives you everything to be desired in cleaning service at moderate cost. They include the following:
GRAIN SCOURER — for the removal of beards from barley, awns from oats, also 90% of weed seeds are removed by this machine; grain separates readily after this operation.
WILD OATS SEPARATOR — Our machine is the most efficient machine made for this separation — grain must not be unduly handled previously for entire satisfaction.
CLEANER — Our Plessisville Cleaner is equipped with numerous screens and is the first choice of the Dept. of Agriculture for cleaning of all description.
CARTER WHEAT DISC — for the removal of all larger weed seeds, barley, oats, etc. from wheat.
CARTER OAT DISC — for the removal of barley, wheat large weed seeds, etc. from oats.
SEED TREATER — This machine gives uniform application of Ceresan to all kinds of grain.
Have your seed grains cleaned now before the rush begins; cleaning rates are as follows:
Scouring & Cleaning per cwt. 12c in weight
Wild Oat Separator (additional) 03c in weight
Grading (additional) 03c in weight
Treating per bushel (out weight) 06c

Q.O.C EGG MASH

Low cost feed is desirable so long as it produces continued production of large eggs and keeps the flock in good health. Once it fails to do either of these jobs it is costing too much money and a change in feeding is absolutely necessary. A feed that has been successfully used for many years and is steadily growing in popularity among large as well as small poultry men is Q.O.C. Laying Mash.
This inexpensive feed gives the balance needed to make your flock lay plenty of large eggs, while still keeping them in the best condition.
