Business Man Ill

Mr. W. E. Carswell, proprietor of the Shaw Store which was recently robbed of a \$1,000 worth of goods, has been ill in bed for more than a week, at his apartment in the Brown Betty. Mr. Carswell has withstood a good deal of trouble in recent weeks, since only a few weeks before the store robbery his wife died with shocking suddenness at the home of her sister in Guelph, all of which seems to substantiate the old saying that "trouble never comes single handed." Everybody will hope for Mr. Carswell's early return to good health.

Boys! Get the Air Cadet Magazine

All those chaps in town who are contemplating joining the Stouffville Air Cadet Unit should have a look at the Canadian Air Cadet magazine, a monthly publication covering all the doings of the League, latest air force talk, model building, and many helpful hints regarding the coming course. The price of the magazine is 50c per year, and any body can see samples of the book by calling at the Tribune Office. The secretary of the local unit, Charles Nolan will take your subscription.

Mr. and Mrs. Norman Cooper and Miss Lou Dickinson of Toronto called on Mr. and Mrs. K. G. Tarr, Sunday afternoon.

Local & Personal News

A skating party under auspices of the C.G.I.T. group was announced to be held Wednesday night of this week. Let's go.

Walter Dickson after several weeks in bed and confined to his home, was able to get outdoors last week and is steadily mending his health.

Whitchurch Township enjoys some residents of many years standing, among them being Mr. and Mrs. John McClure who were married 50 years on January 20, and who have resided on the same farm on the 4th concession for that entire half century. This is a splendid record, worthy of special mention.

Mr. Wilfred McKay, one of the auditors for the Bethesda & Stouffville Telephone Co., was in town on Monday for the annual meeting of the company. An old Lemonville school pupil Mr. McKay met Mr. Seneca Baker in the office of this paper, and enjoyed a brief chat over bygone days. One of McKay's nieces and Mr. Baker were school chums over 70 years ago.

A nice crowd attended the Veterans' Skating Party at the arena last week, proceeds of which went to the Comfort Fund, which keeps the local boys overseas supplied with cigarettes. Winners of the lucky draws offered were: 1st, Howard Haynes, quarter ton of coal, donated by Stiver Bros.; 2nd, Lola Forsyth, quarter ton of coal donated by Stan Hastings; 3rd, prize, Mrs. Roy Tarr, picnic ham donated by Schell's Meat Market. Two boxes of chocolates donated by Shine Davis were prizes awarded for a couple of lucky spot skates. Thanks is extended by the veterans to all those who helped with the night.

Now Totally Blind

Mrs. John Beach, one of our west end residents living on Albert street terrace has lost the sight of her only good eye, and is now totally blind. Enthusiastic knitter, Mrs. Beach has completed over a hundred pairs of socks, and is otherwise very active too. Mr. and Mrs. Beach moved to town from Gormley two years ago, and because of her advanced age it is feared that she will never enjoy the priceless use of her sight again. Regrets and sympathy are almost useless in such a desperate circumstance, still we offer it, and every heart in the village sympathizes with Mrs. Beach.

Altona Fox Hunt

There were certainly more hunters than foxes and rabbits combined over in the Altona district east of town last Saturday for the big fox hunt staged there. Forty men assembled for the chase, in cars, and on foot, covering a big district mapped out east and north of Altona. Four foxes were sighted and four were shot, also four rabbits was the total bag. Of course a few sly animals may have got scent of the affair in advance and made themselves scarce on the day of the big hunt. Anyway the foxes could not be found in anything like the numbers in which they are seen around chicken pens on other occasions.

An interesting meeting of the W. I. was held at the home of Mrs. E. J. Davey, Mrs. Kellington president, presiding. The study for the afternoon "Canadian Industries and Agriculture" was conducted by Miss Marjorie Mertens. Local industries were used as far as possible and Miss Mertens told of the growing industry of goat raising and the various ways in which the milk is used and of the skins which are made into the finest of kid gloves. Miss Stewart gave a short paper on mink farming, Mrs. P. Barrie on "The Buying and Exporting of Seeds," Mrs. Lloyd Turner on the Methods used in R.O.P. of cattle and Mrs. Thomas on the Gold Fish Industry and the Raising of Green Onions for the Wholesale Trade. Arrangements were completed for the plunkett dinner to be held on February 12th. Lunch and a social half hour followed the program.

War Branch Acknowledgements
Stouffville War Branch wish to acknowledge the receipt of \$4 from Mrs. E. A. Button, Mrs. Dixon \$1. Bloomington Red Cross 2 quilts, Mrs. J. Hoover, Rupert Ave., clothing, east end ladies quilts and work, Mrs. J. Lee soldier's great coat and tunic, Mrs. T. Martin, Lemonville, quilt blocks and man's overcoat, Mrs. J. Barkey, 2 small quilts, Mrs. J. T. Lane clothing, Mrs. J. Lewis quilt top, Mrs. Couperthwaite, quilt top. All these are greatly appreciated. Letters have been received from two sailors at sea acknowledging ditty bags, and two from overseas who received quilts, all very appreciative of what is being done. We thank those who come to the work rooms and those who work in their own homes.

Mrs. Jos. Borinsky spent a few days in Ottawa visiting her daughter Miss Edith Borinsky.

Mrs. Norman Baker of Belleville visited last weekend with her parents here, Mr. and Mrs. E. A. Button

Pte. Allen MacConnochie of the C.P.C., Ottawa, spent last weekend with his wife and family.

Flying Officer Dr. John Button who is stationed with the R.C.A.F. at Winnipeg, is home on two weeks leave.

Calling a person "an old heel," may take on new meaning now, especially if the old heel is rubber.

Dr. S. S. Ball, Dr. MacKay, L. E. O'Neill, Norman Hisey, R. McClenin, and Constable Robert Windsor were summoned as witnesses from this district to appear before the grand jury.

Pilot Officer Elmer Winn, son of Mr. and Mrs. Fred Winn who has been stationed at Trenton air base since obtaining his wings has been moved to Brandon, Man. Elmer was home on leave last weekend.

Mrs. Don Fraser of Belleville who has been recuperating from a recent illness, at the home of her aunt here, Miss Jane Burkett, expects to return to her home this week. Miss Burkett will accompany her.

An astonishing report was read in one of the evening papers last week, when it announced "George Storey Resigns as Treasurer of School Board after serving 25 years." No one could explain where such a report originated, and Mr. Storey merely says the truth was greatly exaggerated, and that's what Mark Twain once said, when he read an account of his own death in the newspapers.

Stole Meat From Car

A farmer on the 8th concession of Markham reports that a parcel of meat was stolen from his car in Stouffville on Saturday night, as the vehicle was parked on Main street. If this sort of thing becomes prevalent, it would be well for farmers and others to lock their cars when valuables are left in them.

Small Adv. Scores Again

Last week a farmer east of Claremont advertised for a large iron kettle, and was rewarded in finding one for sale at Lemonville on the farm of Mr. Dan Hall. He promptly journeyed to the heart of Whitchurch and quickly purchased the 45 gallon pot that he so desired to have. It's just another proof of how widely read are those small ads. on the back page of this paper.

True Bill Returned

In the manslaughter charge arising out of the death of James Thomas of Toronto last July 5 at Church Hill, north of Musselman's Lake, a true bill was returned against Muir and Wright the two men involved in the accident when all three were in the same car that turned over attempting to round the corner at Church Hill leading from Ballantrae to the lake. Thomas was killed when the car crashed into the field.

Farmer Halls Agent Into Police Court

In police court at Toronto last week Robert Harbinson, Gormley farmer, charged Frank Gray, implement agent of Stouffville, with failure to complete an agreement where Harbinson bought a mower from Gray, the latter taking a horse on the deal. Gray called and took away the horse, but failed to deliver the mower until spring, 1942. The whole thing was a verbal arrangement, Magistrate Keith reserved judgment.

Hitting Rommel's Forces in Africa

Ralph Stephens, son of Rev. and Mrs. Stephens, former Claremont Baptist Church pastor, has been transferred from England to the Royal Air Force Command in the Middle East. Ralph had been doing instruction work with the R.A.F. in Britain, but word received from him, states that he is detailed to a low level bombing squadron of the Middle East Command. Rev. Mr. Stephens, it will be recalled gave a lecture on the bombing of London, in the Baptist Church here a short time ago.

Community Health Good

One hears the expression often made that mild, damp weather such as we have had so far this year, is unhealthy. In view of this, we checked with the M.O.H. and with the schools only to find that on January 28, just one case of chicken pox is reported in town, while average attendance at school is high. There is no disease raging in the village or country, all of which rather shatters the idea that mild winter weather is unhealthy.

How Rent Control Affects You -

as a landlord as a tenant

As a part of the general plan to halt further increases in the Cost of Living, the Government on December 1, 1941, extended the policy of the Price Ceiling to rentals for all commercial and housing accommodation in Canada. Generally speaking the new rental laws provide that:

- (1) No oral or written lease for any commercial or housing accommodation (furnished or unfurnished) may legally be made after October 11, 1941, at a rental higher than the rental lawfully payable under the lease in effect on that date unless an application for increased rental has been made to and approved by a local Rentals Committee of the Wartime Prices and Trade Board. Such an application must be based on specified circumstances arising since October 11, 1941.
- NOTE: Land and premises used solely for farm purposes are not subject to rent control.*
- (2) A tenant is entitled to a renewal of his lease unless the landlord requires the premises for certain reasons named in the Board's Rental Orders and has given the tenant a written notice to vacate within the time and in the manner prescribed therein. If this notice to vacate is contested by the tenant, the landlord must secure a Court Order for possession.
 - (3) Copies of all Rental Orders and Regulations of the Board and application forms for rental variations are available from any of the regional or sub-offices of the Wartime Prices and Trade Board, and in areas where such offices are not yet established, from the Clerk of any County or District Court or local Rentals Committee.

VIOLATIONS of these orders are punishable by law and should be reported in writing to the Prices and Supply Representative Regional Office, Wartime Prices and Trade Board, at the nearest of any of the following cities: Vancouver, Edmonton, Regina, Winnipeg, North Bay, London, Toronto, Brockville, Montreal, Quebec, Saint John, Halifax or Charlottetown.

Don't Let Your Liver Make You an Invalid

People who are off colour say they're liverish or their liver is bad! Do you know how serious this is - that it may lead to permanent ill health - your whole system poisoned and broken down?

Your liver is the largest organ in your body and most important to your health. It supplies energy to muscles, tissues and glands. If unhealthy, your body lacks this energy and becomes enfeebled - youthful vim disappears. Again your liver pours out bile to digest food, get rid of waste and allow proper nourishment to reach your blood. When your liver gets out of order proper digestion and nourishment stop - you're poisoned with the waste that decomposes in your intestines. Nervous troubles and rheumatic pains arise from this poison. You become constipated, stomach and kidneys can't work properly. The whole system is affected and you feel "routen," head-achy, back-achy, dizzy, tired out - a ready prey for sickness and disease.

Thousands of people are never sick, and have won prompt relief from these miseries with "Improved Fruit-a-lives Liver Tablets." The liver is toned up, the other organs function normally and, lasting good health results. Today "Improved Fruit-a-lives" are Canada's largest selling liver tablets. They must be good! Try them yourself NOW. Let "Fruit-a-lives" put you back on the road to lasting health - feel like a new person. 25c, 50c.

"Constantly in Pain, Now A New Woman"
For a long time I felt very miserable with liver trouble and constipation which brought on such bad headaches that I could hardly do my housework. I started Fruit-a-lives and felt better at once. After using only one box the awful headaches were gone, constipation left me and I felt like a new woman.
Miss J. Duplants, Cornwall, Ont.

"Suffered For Years, Now Feel Grand!"
I was always irritable, tired, head-achy. I could not eat or sleep well and had very severe constipation. After trying many medicines I found "Fruit-a-lives". My head-aches and constipation have disappeared and I am never tired or irritable now.
