Pickering Farm Home Scene of Farewell Party

After 40 years a resident on the farm south of Claremont Mr. and Mrs. Frank Ham and their daughter Miss Nora were "farewelled" in grand style by some 150 people on Tuesday night of this week. The affair took the form of a farewell party, at the Ham home. Mr. John Scott read an address expressing regret at their departure from the neighborhood where they had lived so long, but saw a secret delight in the fact that the Hams were moving to Claremont and would thus not be far removed. Presentations were made, to Mr. Ham a chair, to Mrs. Ham a 4-way floor lamp and to Miss Nora a lovely reading lamp. An electric iron was also among the gifts, which were presented on behalf of the neighborhood by Levi Hopkins, Dean Mairs, and Tom Norton, and Wesley Storry. The evening was filled with music, games and dancing.

2nd Line Uxbridge

A number on our line are sick with bad colds and here we wish you all a speedy recovery. Sorry to hear of Mr. J.H. McGillivray's illness. He was rushed to the hospital in Toronto on Saturday morning, and was immediately operated on. We hope that he may soon recover.

Mary Stamp spent Saturday at her home in Toronto.

Mr. Samuel Bacon had the misfortune to lose a lovely two-year-old colt last week.

Mr. Clifford Morgason has secured a position in Toronto at the Maple Leaf Milling Co.

Mr. Stewart McGuckin of Oshawa spent the weekend at the home of his parents.

We understand that Mrs. Nelson Wagg of Goodwood is under the doctor's care at the home of her son, J. E. Wagg, and her many friends hope she will enjoy good health again.

Messrs. Dean Wagg and Ed Taylor have each purchased milking machines, so now that help is scarce Bossy will still be stripped on time.

PASSED MID-WINTER EXAMS

The following pupils of T.W. Eagleson A.T.C.M. passed the mid-winter examinations at the Toronto Conservatory of Music.

Dickson's Hill

Mr. and Mrs. Harvey Moyer spent the weekend with the Hicks' family of Hamilton.

Mr. Simeon Hoover has been remodelling the home of Mr. and Mrs. Abe Stouffer of the 9th line. Congratulations to Mr. and Mrs. Clifford Barkey on the birth of a daughter on pancake Tuesday. It has been suggested that "Jemima" be included in her name.

Mrs. P. G. Lehman conducted the service at Dickson's Hill on Sunday morning in the absence of her husband who was visiting in Kitchener with the students of the Stouffville Emmanuel Bible School.

With car tires at a premium these days, its hard lines to have someone help himself to the spare tire, but the thieves went a step farther and relieved Mr. Joe Hoover of his car robe as well, while he was in church on Sunday evening. Now while Mr. Hoover is freezing his fingers fixing a tire on the road, Mrs. Hoover will be freezing her toes waiting for this tiresome process to come to a satisfactory end.

Peaches

Owing to road conditions there were only a few out to church on Sunday. We hope weather permitting there will be a record turnout next Sunday.

Drawing ice seems to be the order of the day on our line the quality is good this year.

Mr. and Mrs. Henry B. Michell and family of Cherrywood visited at the Brignall home last Tuesday.

Mr. and Mrs. John Ferguson Jr. were Toronto visitors last Sunday with the latter's parents, Mr. and Mrs. Grimby.

We were glad to have Miss Mary Bradshaw of Markham with us at Y.P.U. held at the Hoover home last Friday evening.

Pleased to report Bruce Hisey is improving as fast as can be expected after his recent mishap.

Sorry to report Master Donald Miller is on our sick list. Donnie is confined to his bed suffering from a blood condition. We hope he will soon be better.

Gormley

Mr. George Carrington was the guest of Mr. and Mrs. C. H. Doner during the weekend.

Mr. and Mrs. Fred Wilson are the proud parents of a baby daughter. Congratulations.

Mr. George French made a short visit to Mr. and Mrs. F. Harvey on Sunday.

Miss Phyllis Jones had her tonsils removed at Grace Hospital, Toronto. We wish her a speedy recovery.

Mr. and Mrs. Harold Doner (nee Jean Bond) were the happy recipients of a lovely baby daughter (Shirley Jean.) Congratulations.

Harold Doner has returned to Montreal River Camp after spending a few days with his wife and young daughter.

Mr. George Baker has been doing some work on his small cottage that he started to build in Stouffville a year or two ago. Houses are very scarce in Stouffville at present.

An army plane made a perfect landing at Gormley the other day when it alighted like a bird in the field of O. L. Heise. Another plane flew in later and also landed without trouble. Later both flew on their journey, but the interest was high when the visitors were in the community. How about a plane base at the Heise farm since this is the second time a landing has been made on this same farm.

There are many people on line 71 who are apparently a lot easier to keep awake at night than Stouffville central. We are supposed to have a twenty-four hour service and during the day it is excellent, but if you need a doctor during the night you have to get out the car or ask a neighbor to go for him, as no amount of ringing will raise central, that's what happened in the case of the birth of Mr. and Mrs. Doner's daughter. Nearly two hours ringing could not raise central and they had to go by car nearly nine miles for the doctor. Many keep the phone in mainly for cases of emergency, but what's the use. Better save a little of our gas quota in the future because we cannot depend on the phone.

The altar of St. Patrick's church, Niagara Falls, was graced with spring flowers for the wedding on Saturday, February 14, of Gertrude Elizabeth Carlisle, daughter of Mrs. Carlisle, and the late William Carlisle, Lake Wilcox, formerly of Gormley. The groom was John Gerrard O'Sullivan, Niagara Falls, son of Mrs. John O'Sullivan and the late Mr. O'Sullivan, County Cavan, Ireland. The ceremony was solemnized by Rev. Father Dominic. The bride wore a gown of dusty salmon pink crepe with brown straw hat, veil and brown accessories. Her corsage was of forget-me-nots and roses. She was attended by Olive Carlisle in sea blue crepe with brown accessories and corsage of roses and baby's breath. Richard Dainton was best man. A reception was held at the home of the bride's mother, Lake Wilcox. They will reside in Niagara Falls.
